INFORMATION CIRCULAR No. 4558

Subject: Road works to widen the Allée du Musée

Access to the Palais des Nations

Redirection of traffic on the Allée de la Paix and the Allée du Parc

Major road works to improve the flow of traffic inside the Parc de l'Ariana will begin as of Monday, 31 January 2000, and the following measures will be taken.

1. Widening of the Allée du Musée: This road, which connects lower car park P3 and car park P2, will be widened to provide for two traffic lanes (one uphill and one downhill). The traffic island in front of the archway at the entrance to the Cour du Secrétariat will be replaced with a roundabout.

These road works will be undertaken: **from Monday, 31 January to Friday, 5 May 2000.**

During this period:

- the Allée du Musée will be closed to pedestrians and vehicles; and
- part of lower car park P3 will be reserved for site equipment.

2. Access to the Palais des Nations during the above period:

- the Pregny gate will remain the principal access point and will be open around the clock every day;
- the Place des Nations gate will be open temporarily every day from 8 a.m. to 7 p.m., but only for pedestrians and accredited vehicles; and
- the railway gate will be open for vehicles leaving between 5 p.m. and 6.30 p.m.

3. Redirection of traffic on the Allée de la Paix and the Allée du Parc (see annexed map)

On a trial basis, and likewise as from Monday, 31 January 2000, the following changes will be made on the two one-way roads starting at the railway gate:

- vehicles heading towards the old buildings will now enter via the Allée du Parc (in the direction of the Ariana storehouse and door 30) and then the Allée des Marronniers; and
- vehicles coming from the car parks of the old buildings will leave via the Allée de la Paix.

We count on everyone's understanding and cooperation.
