

## Status of contributions as at 30 November 1999

1. The present document is published in accordance with a decision taken by the General Assembly at its 2444th plenary meeting, on 17 December 1975, that the Secretary-General should provide Member States, on a biannual basis, with information, for each Member State, on the amounts assessed, paid and owed to the regular budget and on continuing operations for which there is a special assessment. This decision was taken, *inter alia*, in response to the Secretary-General's appeal to Member States to help to ease the cash-flow position of the United Nations by forwarding their contributions more promptly.

2. The status of contributions is issued at this time in view of the continuing financial difficulties of the United Nations and the desire of Member States to be kept informed of the financial situation. The following annexes are attached:

  - c Through accession of the German Democratic Republic to the Federal Republic of Germany with effect from 3 October 1990, the two German States united to form one sovereign State. As from the date of unification, the Federal Republic of Germany acts in the United Nations under the designation "Germany". On 3 October 1990, total contributions outstanding amounted to \$15,854,003 for the former German Democratic Republic. There were no contributions outstanding for the Federal Republic of Germany. The Government of Germany wishes to point out that it does not recognize any legal obligation to pay the debts of the former German Democratic Republic. However, it has already made voluntary contributions totalling \$6,498,762 and will make additional voluntary contributions of appropriate amounts in due course.
