Letter dated 9 January 2025 from the Secretary-General addressed to the President of the Security Council

In its resolutions [2722 \(2024\)](#) and [2739 \(2024\)](#), the Security Council requested that I provide written monthly reports, through 15 January 2025, to the Security Council on any further Houthi attacks on merchant and commercial vessels in the Red Sea to inform the Council's future consultations. Pursuant to that request, I note that, at this time, the International Maritime Organization has indicated that no new incidents have occurred in the period up to 9 January 2025 since the previous report ([S/2024/907](#)), covering the period up to 9 December 2024.

I should be grateful if you would bring the present letter to the attention of the members of the Security Council.

(Signed) António Guterres
