INFORMATION CIRCULAR No. 4562

Subject: Modernization of lifts Nos. 29 and 30, and renovation of the ground-floor corridor

1. As part of the programme of major maintenance and improvement work at the Palais des Nations, lifts Nos. 29 and 30, which were installed in 1971 and serve the 11 floors of the Assembly building, are to be modernized.
2. The modernization of lift No. 29 has been under way since 17 January and will be completed by 31 March 2000.
3. The modernization work on lift No. 30 will be undertaken from 3 April to 8 June 2000.
4. In addition, the corridor leading to these two lifts and to staircase No. 15 on the ground floor will be completely refurbished. This work began on 31 January and will be largely completed by early March 2000. The work will be finished off later in conjunction with the work on the modernization of the lifts.
5. We count on everyone's understanding and cooperation.
