The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol,

Recalling its decision [NP-5/9](#) of 1 November 2024, in which it noted that, in the event of extraordinary circumstances that rendered the holding of in-person meetings impractical, urgent decisions, such as those on budgetary matters, might be taken under silence procedure,

Recalling also that the closing plenary session of its fifth meeting, held in Cali, Colombia, was suspended on 2 November 2024 without completing the consideration of a number of agenda items,

Recognizing the need to convene in the first quarter of 2025 an in-person resumed session of its fifth meeting to complete discussion of agenda items still pending and to close the meeting,

Recognizing also that convening said in-person resumed session will generate expenditure to cover the costs of the venue, as well as travel costs and subsistence allowances for Secretariat staff and delegates from eligible Parties,

Reaffirming the importance of the full and effective participation of delegates from developing country Parties, in particular the least developed countries and small island developing States, and Parties with economies in transition in the meetings of the Conference of the Parties to the Convention on Biological Diversity,¹ the Conference of the Parties serving as the meeting of the
