2. The General Assembly also decided that the overarching theme of the Conference shall be “Accelerating action and mobilizing all actors to conserve and sustainably use the ocean” and that the Conference should:

 - (b) Identify further ways and means to support the implementation of Goal 14;
 - (c) Build on existing instruments to form successful partnerships towards the swift conclusion and effective implementation of ongoing processes that contribute to the conservation and sustainable use of the ocean;
 - (d) Involve all relevant stakeholders, bringing together Governments, the United Nations system, intergovernmental organizations, international financial institutions, other interested international bodies, non-governmental organizations, civil society organizations, academic institutions, the scientific community, the private sector, philanthropic organizations, Indigenous Peoples and local communities and other actors to assess challenges and opportunities relating to, as well as actions taken towards, the implementation of Goal 14;
 - (e) Share the experiences gained at the national, regional and international levels in the implementation of Goal 14;

* Second reissue for technical reasons (12 May 2025).

(f) Identify possible challenges and obstacles relating to the achievement of all the targets under Goal 14, as well as opportunities and innovative ways and means to support their implementation;

(g) Invite Member States and other relevant stakeholders to provide an update on the implementation of the voluntary commitments made in the context of the United Nations Conference to Support the Implementation of Sustainable Development Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development, and invite new voluntary commitments in support of Goal 14, as well as support the sharing of experiences and lessons learned on their implementation;

(i) Contribute to the follow-up and review process of the 2030 Agenda for Sustainable Development by providing an input to the high-level political forum on sustainable development, in accordance with resolutions 67/290 of 9 July 2013, 70/1, 70/299 of 29 July 2016 and 75/290 B of 25 June 2021, unless otherwise agreed in line with the aforementioned resolutions, on the implementation of Goal 14, including on opportunities to strengthen progress in the future;

(j) Contribute to the mainstreaming of a gender perspective in the work to conserve and sustainably use the ocean and its resources, including through the empowerment of women and girls, as their full, equal and meaningful participation is key in progressing towards a sustainable ocean-based economy and to achieving Goal 14.

3. The General Assembly further decided that the Conference should adopt, by consensus, a brief, concise, action-oriented and intergovernmentally agreed declaration focusing on areas of accelerated and collective action to support the implementation of Goal 14 and a report containing the Co-Chairs' summaries of the Ocean Action panels, as well as a list of voluntary commitments for the implementation of Goal 14 registered after 1 July 2022 and announced at the Conference; and decided that the intergovernmentally agreed declaration and the list of voluntary commitments would be referred to as the "Nice Ocean Action Plan";

VII. Interpretation

32. The official languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish. Statements made in any of the languages of the Conference will be interpreted into the other languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a

time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) in order to ensure that the statement is delivered at a normal pace.

33. Any speaker may also make a statement in a language other than the official languages. In such cases, the delegation in question must provide an interpreter from the non-official language into an official language. However, there will be limited facilities to accommodate non-official language interpreters on site. Delegations seeking to provide their own interpreters for non-official languages are requested to inform the meetings management staff well in advance by email at max@un.org and tongx@un.org, with copy to estatements-ocean@un.org and monica.varela-garcia@un.org.

34. In order to facilitate the provision of interpretation and other services, delegations are requested to submit their statements (in PDF) by email to estatements-ocean@un.org. The number or name of the meeting and of the speaker should be indicated in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting, no later than two hours before delivery, and not in hard copy. The statements will remain embargoed until their delivery and subsequently posted on the webpage of the *Journal of the United Nations* (<https://journal.un.org>), under “Conferences and Summits”.

XV. Entry requirements

110. It is the responsibility of participants to check whether they need a visa to enter France. Registering for the Ocean Conference does not exempt participants from obtaining an entry visa to French national territory. Kindly note that visas cannot be issued on arrival.

111. To inquire about the need for a visa, and for all visa-related matters, participants are invited to visit a French consular office or the French visa portal at <https://france-visas.gouv.fr/en/web/france-visas/>. Participants in need of a visa are advised to submit their applications well in advance of departure from the country of origin. The minimum visa processing time is 3 weeks. Late submission may make it impossible to process the application in time. The status of a conference guest or participant does not exempt them from completing the visa application form and providing the

required supporting documents. The approval letter sent by email by the United Nations may be used as one of the supporting documents for the visa application but does not guarantee entry to France. Visa approval is subject to further review and process by the French authorities.

112. The visa is free for participants registered by the United Nations for the Conference from 9 to 13 June 2025. However, fees may apply for the intervention of authorized local operators to support the logistical management of the submission of visa applications.

113. The visa application for entering France, registration with the United Nations to attend the Conference, and registration with the French authorities to access the area of the Conference are three separate procedures. Delegates are strongly encouraged to obtain information on each procedure and follow the respective requirements and timelines.

Airport information

115. Up to two separate fast lines for Conference participants may be made available at the airport for passport verification, depending on the number of participants arriving. Participants are required to have their electronic registration confirmation issued by the United Nations to be able to use the fast lines.

State and private flights

116. Owing to the heavy air traffic expected at Nice Côte d'Azur Airport and other national airports, prior notice is required regarding the arrival of the aircraft of Heads of State and Government. Delegations are therefore requested to communicate three weeks in advance, even if only indicatively, the type of aircraft and the expected arrival and departure dates and times, to bsen.dgp-dcsd@diplomatie.gouv.fr, with copy to notesverbales-visites.protocol@diplomatie.gouv.fr. State flights with diplomatic status must follow the usual diplomatic overflight request process by transmitting the diplomatic clearance form (DIC) and note verbale to bsen.dgp-dcsd@diplomatie.gouv.fr in due time. The authorization will be confirmed by the latter.

117. Arrival and departure times may be suggested by the French authorities in order to minimize the impact on commercial aviation.

118. Aircraft parking at Nice Côte d'Azur Airport is limited. Aircraft may therefore have to be parked at other airports. A mandatory one-hour delay between landing at Nice Côte d'Azur Airport and take off must be indicated in the DIC form.

Immigration and customs

119. Upon arrival at Nice Côte d'Azur Airport, Heads of State and Government, heads of delegation and other delegation members and participants in the Conference will receive preferential treatment for the purposes of clearing immigration, customs and other procedures, in accordance with applicable French law for all passengers entering France. Baggage trolleys will be available for passengers free of charge in the baggage claim area. Information on lost and found baggage will also be made available in the same area.

120. Conference participants can exchange currency near the arrival terminal.

Passport control, immigration, baggage and customs desks

121. It is the responsibility of diplomatic missions accredited in France to take care of all formalities regarding passport control, immigration, customs and baggage claim for their delegations. For diplomatic missions accredited in France to be able to assist their delegations upon arrival at the airport, namely in the restricted areas of Nice Côte d'Azur Airport, the identities of the employees must be indicated in a note verbale and sent to notesverbales-visites.protocol@diplomatie.gouv.fr.

Departure

122. Passengers must arrive at the airport no later than two hours prior to the scheduled time of departure of their flight. Queues at check-in counters, security checks, baggage screening and passport control can lead to delays in accessing the departure terminal. Please bear in mind that no assistance will be provided for departing members of delegations.

Private charter flights

123. Conference participants who arrive or depart on private or charter flights may use ground assistance services offered by charter companies at Nice Côte d'Azur Airport. The services offered may vary from company to company, and all details should be confirmed with the relevant charter company prior to departure. SFS Signature (nce@signatureflight.fr, 0493218218)

DCG G-OPS (nice.ops@dca-gops.com, 0493215812)

VIP lounge

125. Heads of State and Government and ministerial representatives may use a VIP lounge upon arrival or departure from Nice Côte d'Azur Airport. The cost of using the VIP lounge must be covered in advance. - Name and rank of every member of the delegation, including the head of the delegation
- Details of the flight (number, name of airline, departure and arrival place)
- Arrival date and time
- Security requests
- Protocol arrangements required (tarmac access for vehicles, list of employees welcoming the delegation at the gate of the aircraft)

Public transport and taxi services to and from Nice Côte d'Azur Airport

126. Conference participants may avail themselves of the following modes of transport to and from the airport:

Tram

- Tram route 2 connects the airport (terminals 1 and 2), the city centre (Jean Médecin stop) and the port (Port Lympia stop), a journey of less than 30 minutes. It runs to and from the airport every 7–8 minutes on weekdays.
- Tram line B connects the airport (terminals 1 and 2) to the Administrative Centre (CADAM) and runs approximately every 10 minutes on weekdays.
- The fare to/from the airport is €10 (round trip). Special airport tickets (AERO) are available for purchase from ticket machines in tram stations (coins and credit cards accepted).

Bus

The 12+ bus (Hôpital Pasteur) stops 150 m from terminal 1, opposite the Sheraton Hotel, and makes stops at the Promenade des Anglais, Place Masséna, the old town, Place Garibaldi, Palais des Expositions and more.
