**Letter dated 2 May 2025 from the Permanent Representative of Japan to the United Nations addressed to the President of the Security Council**

In light of the Democratic People's Republic of Korea's continued violations of multiple Security Council resolutions a year after the Panel of Experts' disbandment, I have the honour to request you, upon instructions from my Government, to convene a meeting of the Security Council in connection with the item entitled "Non-proliferation/Democratic People's Republic of Korea".

I should be grateful if the present letter were to be circulated as a document of the Security Council.

(Signed) **Yamazaki** Kazuyuki  
Permanent Representative of Japan to the United Nations
