The Permanent Mission of Belgium to the United Nations presents its compliments to the Chairman of the Security Council Committee established pursuant to resolution 1267 (1999) concerning Afghanistan and has the honour to refer to his note verbale of 19 January 2000.

Belgium has taken the necessary steps to implement Security Council resolution 1267 (1999) concerning Afghanistan, as follows:

With regard to paragraph 4 (a), the measures of execution have been taken by the Aeronautical Administration. A list of the aircraft concerned was transmitted immediately to the competent authorities.

With regard to paragraph 4 (b), the competent Belgian authorities have taken the necessary measures to enable them to freeze the funds and other financial resources referred to in resolution 1267 (1999). In order to determine the ways and means of implementing these measures, Belgium awaits further clarification from the Committee, as provided for in paragraph 4 (b) of the above-mentioned resolution.
