[Original: Arabic and English]

With reference to the Israeli attack on Tuesday, 9 September 2025, which targeted the residential quarters of several members of the Political Bureau of Hamas in the Qatari capital, Doha, the States of the Gulf Cooperation Council condemn in the strongest terms this despicable and cowardly act carried out by the Israeli occupation forces on the territory of the sisterly State of Qatar. This operation constitutes a flagrant violation of all international laws and norms and a serious threat to the security and safety of Qataris and residents of the State of Qatar.

The States of the Gulf Cooperation Council express their full solidarity with the sisterly State of Qatar and stand united with it in support of any action that it takes against this treacherous aggression. This aggression requires the international community to immediately rise up and fulfil its duties to hold the Israeli occupation forces accountable for their brutal and serious crimes and deter them from their practices, which have destabilized the region and undermined security.
