[on a proposal considered in plenary meeting ([E/2025/L.20](#))]

2025/22. Ad Hoc Advisory Group on Haiti

The Economic and Social Council,

Recalling its resolution [2024/20](#) of 23 July 2024 and all previous relevant resolutions and its decision 2025/210 of 16 December 2024 and previous decisions on the appointment of additional members to the Ad Hoc Advisory Group on Haiti,

Deeply concerned about the complex and multifaceted crisis in Haiti, and underlining high levels of food insecurity and malnutrition as well as the resurgence of cholera, caused by increased overcrowding and poor sanitation in temporary shelters for displaced people fleeing violence as armed gangs expand their control in and around the capital,

Mindful of the serious implications of the crisis in Haiti for the Caribbean region,

Recognizing the need for urgent measures to restore security by addressing the structural causes of violence, such as inequalities, extreme poverty, high unemployment, human rights violations, impunity, corruption and weak public institutions, and by creating favourable conditions for the re-establishment of democratic institutions,

Emphasizing the urgent need to fully fund the appeal of 908.2 million United States dollars made by the United Nations and partners, set out in the 2025 Humanitarian Needs and Response Plan for Haiti, to address the most immediate humanitarian and protection needs, including food security, emergency livelihood assistance and investment in the agricultural sector to safeguard the resilience of the most vulnerable Haitians,

1. *Welcomes* the report of the Ad Hoc Advisory Group on Haiti¹ and its focus on the humanitarian situation and long-term socioeconomic development of Haiti;
2. *Decides* to extend the mandate of the Ad Hoc Advisory Group on Haiti until the conclusion of the 2026 session, with the purpose of following closely and working together with Haitian authorities on the long-term development strategy of Haiti to promote socioeconomic recovery, reconstruction and institutional stability, with particular attention to the need to ensure coherence and sustainability in international support for Haiti, based on the long-term national development priorities of Haiti, and stressing the need to avoid overlap and duplication with respect to existing mechanisms;
3. *Requests* the Ad Hoc Advisory Group on Haiti to submit a report on its work, with recommendations, as appropriate, to the Economic and Social Council for its consideration at its 2026 session.

*39th plenary meeting
29 July 2025*
