"¹The following proposal was developed in informal consultations during the March 2000 session of the Preparatory Commission with a view to merging sub-rules (b) and (c) of rule 10.31 above, but there was insufficient time to conclude discussion thereon:

"Option 1

"(b) The prospect of the resocialization and successful resettlement of the sentenced person, also in the light of the social environment in the territory in which the crime occurred;

"Option 2

"(b) The prospect of the resocialization and successful resettlement of the sentenced person, also in the light of the social environment in the territory in which the crime occurred and in particular of the fact that the early release of the sentenced person would not give rise to significant social instability or jeopardize reconciliation;"
