III. Recommendation of the Fifth Committee

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

Financing of the United Nations Transitional Administration in East Timor

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Transitional Administration in East Timor¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²

Bearing in mind Security Council resolution 1272 (1999) of 25 October 1999 regarding the establishment of the United Nations Transitional Administration in East Timor,

Recalling its resolution 54/246 of 23 December 1999,

Reaffirming that the costs of the Transitional Administration are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Transitional Administration, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the trust fund for the multinational force,

Noting also with appreciation that voluntary contributions have been made to the Trust Fund for the United Nations Transitional Administration in East Timor and inviting further such contributions to the Fund,

Mindful of the fact that it is essential to provide the Transitional Administration with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Takes note* of the status of contributions to the United Nations Transitional Administration in East Timor as at 24 March 2000, including the contributions outstanding in the amount of 130.8 million United States dollars,

2. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

3. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

4. *Urges* all other Member States to make every possible effort to ensure payment of their assessed contributions to the Transitional Administration in full and on time;

5. *Expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;
