Financing of the United Nations Observer Mission in Sierra Leone

Financing of the United Nations Mission in Sierra Leone

Draft resolution submitted by the Chairman following informal consultations

Financing of the United Nations Observer Mission in Sierra Leone and financing of the United Nations Mission in Sierra Leone

The General Assembly,

Having considered the reports of the Secretary-General on the financing of the United Nations Observer Mission in Sierra Leone and the United Nations Mission in Sierra Leone¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²

Bearing in mind Security Council resolutions 1181 (1998) of 13 July 1998, by which the Council established the United Nations Observer Mission in Sierra Leone, 1270 (1999) of 22 October 1999, by which the Council established the United Nations Mission in Sierra Leone, and 1289 (2000) of 7 February 2000 by which the Council revised and extended the mandate of the Mission,

Recalling its resolutions 53/29 of 20 November 1998 and 54/241 of 23 December 1999 on the financing of the United Nations Observer Mission in Sierra Leone and the United Nations Mission in Sierra Leone,

Reaffirming that the costs of the United Nations Mission in Sierra Leone are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

¹ A/54/778 and A/54/820.

² A/54/858.

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Mission,

Mindful of the fact that it is essential to provide the Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Takes note* of the status of contributions to the United Nations Mission in Sierra Leone as at 30 April 2000, including the contributions outstanding in the amount of 83.7 million United States dollars, representing 39 per cent of the total assessed contributions, notes that some 18 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure the payment of their outstanding assessed contributions;

2. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;
