The General Assembly,

Recalling its resolutions 32/197 of 20 December 1977 and 33/202 of 29 January 1979 on the restructuring of the economic and social sectors of the United Nations system, in particular the designation therein of the regional commissions as, *inter alia*, the main general economic and social development centres within the United Nations system for their respective regions, having responsibility for the promotion of subregional and regional co-operation,

Bearing in mind resolution 311 (XIII) adopted on 1 March 1977 by the Conference of Ministers of the Economic Commission for Africa,¹⁰ by which the Conference established the Multinational Programming and Operational Centres to foster sectoral and subregional integration,

Recognizing the prominent role given to subregional and regional economic integration in the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa¹¹ as a means towards achieving the establishment of an African economic community by the year 2000,

Recognizing also that the Multinational Programming and Operational Centres constitute an integral part of the Economic Commission for Africa, through which the Commission effectively carries out aspects of its mandate, as set forth in its terms of reference,¹² and that they serve as the principal mechanism of the Commission for fostering economic and technical co-operation at the subregional level in Africa,

Recalling also its resolutions 35/64 of 5 December 1980 and 36/180 of 17 December 1981 on special measures for the social and economic development of Africa in the 1980s,

Taking into account the views expressed by the Conference of Ministers of the Economic Commission for Africa in its resolution 450 (XVII) of 30 April 1982¹³ on the need to correct the present situation regarding the inadequacy of the human and financial resources available to the Multinational Programming and Operational Centres for regular budget and operational activities, as a result of which their very existence is threatened,

Bearing in mind the action already taken by the Executive Secretary of the Economic Commission for Africa to improve the resource situation of the Multinational Programming and Operational Centres,

Having considered the report of the Secretary-General on the financing of the Multinational Programming and Operational Centres of the Economic Commission for Africa on an established basis,¹⁴ prepared pursuant to General Assembly resolution 36/178, and having examined, in particular, paragraphs 47 to 49 of that report,

Deeply concerned at the continuing low level of economic activities in Africa and the devastating effects of the current world economic crisis on the particularly vulnerable economies of the countries in the region that has the largest number of least developed countries,

Fully aware that the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa¹⁶ provides a framework of priority actions for achieving the rapid overall economic and social development of Africa, as reiterated in the Declaration of Tripoli adopted by the Conference of Ministers of the Economic Commission for Africa on 30 April 1982,¹⁷

Recognizing the primary responsibility of the African countries for their development and the importance of the mobilization of their national resources for their socio-economic development,

Convinced of the need for increased and sustained external resources in order to achieve the aims and objectives of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa,

Recalling also the interim report of the Secretary-General submitted to the General Assembly at its thirty-sixth session, concerning special measures for the social and economic development of Africa in the 1980s,¹⁸ in which were indicated the contributions planned by organs, organizations and bodies of the United Nations system to the implementation of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa,

4. *Urges* donor countries to provide substantial and sustained levels of resources for promoting the accelerated development of African countries and effective implementation of the Lagos Plan of Action, and to contribute generously to the United Nations Trust Fund for African Development;

5. *Invites* all international financial institutions, particularly the World Bank, the International Development Association and the International Fund for Agricultural Development, to continue actively to consider increasing substantially their development assistance to Africa during the Decade;

6. *Requests* the Secretary-General to continue to allocate the necessary resources to the Economic Commission for Africa, taking into account its role as the main economic and social development centre within the United Nations system for the African region, in accordance with General Assembly resolutions 32/197 of 20 December 1977 and 33/202 of 29 January 1979;
