I. OPENING OF THE SESSION (Agenda item 1)

1. The twelfth session of the Subsidiary Body for Implementation (SBI) was held at the Hotel Maritim, Bonn, Germany from 12 to 16 June 2000.
2. The Chairman of the SBI, Mr. John Ashe (Antigua and Barbuda), opened the session on 12 June 2000. He welcomed all Parties and observers to the session. He noted that this twelfth session was an unusual one, as it came after a week of informal meetings and workshops during which in-depth discussions had been held on several issues. The Chairman remarked that the pre-session week had yielded important progress, which the SBI should now build on to pave the way for success at COP 6. He emphasized that, for many issues, the aim for the twelfth session of the SBI should be to agree on negotiating texts that would prepare the ground for substantive negotiations at the thirteenth sessions of the subsidiary bodies. He reported that the Convention had now received a total of 184 instruments of ratification, acceptance, approval or accession, while the number of ratifications or accessions to the Kyoto Protocol had reached 22. He concluded by urging Parties to use the limited time available as efficiently as possible.
3. The Executive Secretary conveyed his best wishes to Mr. Klaus Töpfer, Executive Director of the United Nations Environment Programme, for a continuing recovery from his recent operation.
