ANNEX

Communiqué from the Iranian Central Information Service

"The Sixth Extraordinary Conference of the Supreme Council of the Islamic Revolution in Iraq, which opened yesterday in Tehran, resumed this morning with a number of statements by members and representatives of the Central Committee.

Speakers stressed the need to develop an appropriate strategy for the present phase, and to mobilize the full potential of the oppressed Iraqi people with a view to ending the Iraqi régime's tyranny and domination. They appealed for full disclosure of the crimes committed by the world's arrogant elements against the Iraqi and Iranian peoples."
