

General Assembly

Distr.: General
19 October 2000

Original: English

Fifty-fifth session

Agenda items 116 and 126

Review of the efficiency of the administrative and financial functioning of the United Nations

Report of the Secretary-General on the activities of the Office of Internal Oversight Services

Proactive investigation of the education grant entitlement

Note by the Secretary-General

Corrigendum

Paragraph 28

The first sentence *should read*

The Department of Management agrees that serious consideration could be given to the payment of the education grant entitlement on a lump-sum basis, although there are differences with home leave travel since the administrative savings that resulted from a change in the system for processing home leave travel are actually due to the willingness of staff members to take a lump-sum entitlement of 75 per cent of their entitlement.
