CONSEIL D'ADMINISTRATION

RAPPORT ET RECOMMANDATIONS DU COMITÉ DES COMMISSAIRES
CONCERNANT LA HUITIÈME TRANCHE DES RÉCLAMATIONS DE
LA CATÉGORIE "E4"

TABLE DES MATIÈRES

	<u>Paragraphes</u>	<u>Page</u>
Introduction	1 - 3	3
I. APERÇU GÉNÉRAL SUR LES RÉCLAMATIONS DE LA HUITIÈME TRANCHE	4 - 8	3
II. DÉROULEMENT DES TRAVAUX.....	9 - 234	
III. CADRE JURIDIQUE ET MÉTHODE DE VÉRIFICATION ET D'ÉVALUATION	24 - 26	6
IV. LES RÉCLAMATIONS	27 - 74	6
A. Biens immobiliers	28 - 33	6
B. Biens corporels, marchandises en stock, numéraire et véhicules	34 - 48	7
C. Paiements consentis ou secours accordés à des tiers	49 - 52	10
D. Manque à gagner.....	53 - 59	10
E. Sommes à recevoir.....	60 - 64	11
F. Frais de redémarrage.....	65 - 67	12
G. Autres pertes	68 - 74	12
V. AUTRES QUESTIONS	75 - 76	13
A. Dates applicables concernant le taux de change et les intérêts	75	13
B. Frais d'établissement des dossiers de réclamation	76	13
VI. INDEMNITÉS RECOMMANDÉES	77	14

Annexes

Annex I : Recommended awards for eighth instalment of "E4" claims - reported by UNSEQ and UNCC claim number and claimant name	15
Annex II : Recommended awards for eighth instalment of "E4" claims - reported by claimant name and category of loss	19
Annex III : Claims deferred to a later instalment of "E4" claims pursuant to paragraphs 20-22 - reported by UNSEQ and UNCC claim number and claimant name	138

Introduction

1. À sa vingt-quatrième session, tenue les 23 et 24 juin 1997, le Conseil d'administration de la Commission d'indemnisation des Nations Unies (la "Commission") a nommé le Comité de commissaires (le "Comité") composé de MM. Robert R. Briner (Président), Alan J. Cleary et Lim Tian Huat, qu'il a chargé d'examiner les réclamations de la catégorie "E4". Il s'agit de réclamations émanant d'entreprises et autres entités koweïtiennes - à l'exclusion de celles du secteur pétrolier et du secteur de l'environnement - habilitées à présenter des demandes d'indemnisation au moyen du formulaire de la Commission intitulée "Formulaire de réclamation pour les sociétés et autres entités" ("formulaire E").
2. Une huitième tranche de 139 réclamations "E4" a été présentée au Comité le 31 janvier 2000, conformément à l'article 32 des Règles provisoires pour la procédure relative aux réclamations (les "Règles") (S/AC.26/1992/10).
3. Conformément à l'article 38 des Règles, le présent rapport contient les recommandations adressées par le Comité au Conseil d'administration au sujet des réclamations de cette huitième tranche.

I. APERÇU GÉNÉRAL SUR LES RÉCLAMATIONS DE LA HUITIÈME TRANCHE

4. Les réclamations de cette huitième tranche ont été sélectionnées parmi les quelque 2 750 réclamations de la catégorie "E4" sur la base de critères tels que l'importance, le volume et la complexité de la réclamation, les questions soulevées sur les plans du droit, des faits et de l'évaluation et la date de dépôt de la réclamation auprès de la Commission.
5. Les pertes invoquées par les requérants dans cette huitième tranche s'élevaient au total à 53 740 646 dinars koweïtiens ("KWD") (environ US\$ 185 953 792). Les requérants réclamaient également des intérêts d'un montant total de KWD 1 614 684 (environ US\$ 5 587 142) et des frais d'établissement de dossier totalisant KWD 281 615 (environ US\$ 974 446).
6. La nature des questions de fait et de droit soulevées par chaque réclamation et le volume de la documentation fournie à l'appui de chacune ont permis au Comité d'achever ses vérifications dans un délai de 180 jours à compter de la date où les réclamations de la huitième tranche lui avaient été soumises.
7. Tous les requérants de cette huitième tranche opéraient au Koweït avant l'invasion et l'occupation iraquiennes. Les activités de la plupart concernaient le commerce de diverses marchandises. Certains requérants se livraient à des activités manufacturières ou des activités de services. Un petit nombre de requérants sont des organisations à but non lucratif ou des associations professionnelles.
8. Les deux catégories de pertes qui ont été le plus souvent évoquées sont la perte de biens corporels (principalement marchandises en stock, mobilier, agencements fixes, équipements et véhicules) et la perte de revenus ou un manque à gagner. Des requérants ont aussi, sous la rubrique "autres pertes", présenté des réclamations pour des créances irrécouvrables, des frais de redémarrage, des intérêts et des frais d'établissement de dossier.

II. DÉROULEMENT DES TRAVAUX

9. Avant de communiquer les réclamations de la huitième tranche au Comité, le secrétariat les avait soumises à une évaluation préliminaire conformément aux Règles. Ce type d'examen est décrit au paragraphe 11 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la première tranche des réclamations de la catégorie "E4" (S/AC.26/1999/4) (le "premier rapport 'E4'"). Les résultats de cet examen ont été saisis dans une base de données centralisée gérée par le secrétariat (la "base de données des réclamations").

10. Initialement, 10 réclamations présentaient des irrégularités de forme, que le secrétariat a notifiées aux requérants concernés conformément à l'article 15 des Règles. Dans tous les cas, les vices de forme ont été corrigés par les requérants.

11. Les réclamations ont fait l'objet d'un examen de fond visant à recenser les principales questions soulevées sur les plans du droit, des faits et de l'évaluation. Les résultats de cet examen, y compris les principales questions soulevées, ont été saisis dans la base de données des réclamations.

12. Le Secrétaire exécutif de la Commission a, en application de l'article 16 des Règles, établi à l'intention du Conseil d'administration les rapports 28 et 29, datés respectivement des 23 juillet et 28 octobre 1999. Ces rapports portaient, entre autres, sur la huitième tranche de réclamations de la catégorie "E4" et exposaient les principaux points de fait et de droit soulevés dans ces réclamations. Un certain nombre de gouvernements, y compris celui de l'Iraq, ont communiqué des renseignements et des vues supplémentaires en réponse aux rapports établis par le Secrétaire exécutif en application de l'article 16.

13. À l'issue i) de l'évaluation préliminaire, ii) de l'examen de fond et iii) de la présentation des rapports établis en application de l'article 16, les documents suivants ont été transmis au Comité :

- a) Les dossiers de réclamation déposés par les requérants;
- b) Les rapports d'évaluation préliminaire établis conformément à l'article 14 des Règles;
- c) Les renseignements et les vues communiqués par les gouvernements, y compris celui de l'Iraq, en réponse aux rapports établis en application de l'article 16; et
- d) Les autres renseignements jugés utiles pour les travaux des commissaires au titre de l'article 32 des Règles.

14. Pour les raisons indiquées au paragraphe 17 du premier rapport "E4", le Comité a fait appel aux services d'un cabinet d'experts-comptables et d'un cabinet de spécialistes du règlement des sinistres. Il a chargé ces experts-conseils d'examiner chaque réclamation de la huitième tranche conformément à la méthode de vérification et d'évaluation qu'il avait mise au point et de lui présenter dans chaque cas un rapport détaillé récapitulant leurs conclusions.

15. Par son ordonnance de procédure du 31 janvier 2000, le Comité a fait part de son intention de mener à bien l'examen des réclamations de la huitième tranche et de présenter son rapport et ses recommandations au Conseil d'administration dans un délai de 180 jours à compter de cette

même date. Cette ordonnance de procédure a été communiquée aux Gouvernements iraquier et koweïtien.

16. Conformément à l'article 34 des Règles, des renseignements supplémentaires ont été demandés aux requérants pour aider le Comité dans son examen des réclamations. Les requérants n'ayant pu fournir les éléments de preuve demandés ont été priés de justifier de leur incapacité à le faire. Toutes les demandes de renseignements supplémentaires ont été adressées sous couvert de l'Office public koweïtien chargé d'évaluer les indemnités à verser pour les dommages résultant de l'agression iraquienne ("PAAC"). Ces demandes ont été faites pour l'ensemble des réclamations de la catégorie "E4" et non pas simplement pour celles de la huitième tranche.

17. Les renseignements et preuves supplémentaires demandés ayant été recensés dans des rapports "E4" antérieurs, par exemple aux paragraphes 21 à 26 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la deuxième tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/17) (le "deuxième rapport 'E4'") et au paragraphe 18 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la sixième tranche des réclamations de la catégorie "E4" (S/AC.26/2000/8) (le "sixième rapport 'E4'"), le présent apport ne revient pas sur ces demandes.

18. En application de l'article 34 des Règles, le secrétariat a également demandé des éclaircissements à deux requérants de la huitième tranche, Al-Rabiah Construction Company W.L.L. et Ward Al-Rabeia Foodstuff and Consumables Goods Co. W.L.L. Le Comité a examiné les réponses qu'ont fait parvenir ces requérants.

19. Il a été procédé à des vérifications supplémentaires pour déterminer si des réclamations n'avaient pas été présentées en double par des requérants ayant des liens entre eux. Cet examen est décrit au paragraphe 18 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la quatrième tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/18) (le "quatrième rapport 'E4'").

20. Au cours de l'examen par le Comité des réclamations de la présente tranche, le secrétariat a informé le Comité qu'il existait une possibilité de chevauchement entre des réclamations de cette tranche et certaines réclamations dont était saisie la Commission au titre de pertes commerciales ou industrielles de personnes physiques. Ce problème a été identifié et signalé au Conseil d'administration, lors de l'examen initial des réclamations pour pertes commerciales ou industrielles émanant de requérants de la catégorie "D", dans le rapport No 30 du 17 février 2000 présenté par le Secrétaire exécutif de la Commission en application de l'article 16 des Règles.

21. À la demande du Comité, le secrétariat a procédé à une recherche dans la base de données des réclamations et identifié 20 réclamations de la présente tranche "E4" présentant un risque de chevauchement avec d'autres réclamations déposées auprès de la Commission au titre de pertes commerciales ou industrielles de personnes physiques. Ces 20 réclamations "E4" sont énumérées à l'annexe III du présent rapport.

22. Le Comité estime qu'un délai supplémentaire est nécessaire pour déterminer la nature et l'étendue du chevauchement potentiel entre ces réclamations "E4" et d'autres réclamations pour pertes commerciales ou industrielles de personnes physiques. Pour pouvoir obtenir des éclaircissements supplémentaires sur ces réclamations et permettre leur plus ample examen,

le Comité a recommandé, à ce stade, que les réclamations énumérées à l'annexe III du présent rapport soient reportées sur une tranche ultérieure de réclamations de la catégorie "E4". En conséquence, il n'a formulé aucune conclusion concernant ces réclamations. Lorsqu'il est fait mention, dans la suite du présent rapport, de la huitième tranche de réclamations, il s'agit des 119 réclamations restantes, énumérées à l'annexe I.

23. Se fondant sur son examen des documents présentés et des renseignements supplémentaires obtenus, le Comité a conclu que les questions soulevées par les réclamations de la huitième tranche avaient été suffisamment éclaircies et qu'il n'était pas nécessaire de les étudier plus avant dans le cadre d'une procédure orale.

III. CADRE JURIDIQUE ET MÉTHODE DE VÉRIFICATION ET D'ÉVALUATION

24. Le cadre juridique et la méthode de vérification et d'évaluation retenus pour la huitième tranche sont les mêmes que pour les tranches précédentes de réclamations de la catégorie "E4". Ils ont été exposés aux paragraphes 25 à 62 du premier rapport "E4". Des rapports "E4" ultérieurs analysent les questions supplémentaires de droit et de vérification et évaluation soulevées dans les tranches concernées. Le présent rapport ne revient pas sur ces différents points. Il renvoie simplement aux sections des rapports précédents où ils ont été abordés.

25. Dans les cas où il se trouvait devant des problèmes nouveaux non traités dans les rapports "E4" précédents, le Comité a élaboré des méthodes de vérification et d'évaluation des préjudices. Ces problèmes nouveaux sont discutés dans la suite du texte du présent rapport. Les recommandations précises du Comité concernant les pertes invoquées dans les réclamations de la huitième tranche sont récapitulées et expliquées dans les annexes au rapport.

26. Avant d'en venir aux recommandations d'indemnisation précises du Comité concernant les réclamations de la huitième tranche, il importe de rappeler que la démarche adoptée par le Comité en matière de vérification et d'évaluation de ces réclamations consiste à mettre en balance l'incapacité dans laquelle se trouve le requérant de toujours fournir les meilleures preuves, d'une part, et, de l'autre, le "risque de surestimation" qui découle d'une insuffisance de preuves. Dans ce contexte, l'expression "risque de surestimation", définie au paragraphe 34 du premier rapport "E4", s'applique aux cas où la demande d'indemnisation est accompagnée de preuves insuffisantes ne permettant pas un chiffrage précis et risque donc être surestimée.

IV. LES RÉCLAMATIONS

27. Le Comité a examiné les réclamations en les classant selon la nature et le type de la perte recensée. Ses recommandations sont donc présentées par type de perte. Les pertes qui ont fait l'objet d'un transfert de rubrique figurent dans la section relative à la catégorie de pertes dans laquelle le Comité les a reclassées.

A. Biens immobiliers

28. Dans la présente tranche, 20 requérants ont déposé des réclamations au titre de la perte de biens immobiliers, pour un montant total de KWD 1 985 481 (environ US\$ 6 870 176).

Les requérants demandaient à être indemnisés de dommages causés à un certain nombre de locaux dont ils étaient propriétaires ou locataires au Koweït.

29. Les demandes d'indemnisation pour perte de biens immobiliers de la présente tranche ne soulevaient pas de problèmes de droit ou de vérification et évaluation nouveaux. Les critères de détermination du caractère indemnisable des pertes et la méthode de vérification et d'évaluation adoptés par le Comité pour ce type de demandes sont exposés aux paragraphes 89 à 101 du premier rapport "E4".

30. La nature des dommages subis par les biens et l'emplacement de ceux-ci au Koweït ont permis d'établir que les pertes résultaient directement de l'invasion et de l'occupation du Koweït par l'Iraq. Les demandes d'indemnisation étaient fondées soit sur les dépenses effectivement engagées pour procéder aux réparations, soit sur des devis estimatifs de leur coût.

31. La plupart des requérants ont présenté des pièces suffisant à établir leurs intérêts légitimes dans les biens touchés ainsi que les pertes invoquées. Cependant, comme cela avait été le cas dans des tranches "E4" antérieures, les requérants n'ont généralement pas déduit des sommes réclamées les coûts de l'entretien habituel ou de l'amortissement. Le Comité a donc procédé à des ajustements pour tenir compte de ces coûts, qui auraient été à leur charge en temps normal et ne résulteraient pas directement de l'invasion et de l'occupation iraquienne. Il a fait de même dans le cas de "plus-values" délibérées, comme expliqué au paragraphe 97 du premier rapport "E4".

32. Dans le cas des demandes d'indemnisation fondées sur le montant de devis estimatifs du prix des réparations, le Comité a essayé d'obtenir une explication valable du fait que le requérant n'avait pas procédé à la réparation ou au remplacement des biens endommagés. En l'absence d'une telle explication, le Comité a ajusté le montant réclamé, pour compenser le "risque de surestimation" alors présenté.

33. Les recommandations du Comité concernant les pertes de biens immobiliers sont récapitulées à l'annexe II.

B. Biens corporels, marchandises en stock, numéraire et véhicules

34. La majorité des requérants de la huitième tranche invoquent des pertes de biens corporels (marchandises en stock, mobilier et agencements fixes, équipements, véhicules et numéraire), pour un montant total de KWD 29 604 208 (environ US\$ 102 436 706).

35. Pour déterminer si ces pertes de biens corporels étaient indemnifiables et les vérifier et les évaluer, le Comité a suivi la démarche exposée aux paragraphes 108 à 135 du premier rapport "E4".

36. Les requérants de la présente tranche ont généralement présenté à l'appui de leurs demandes d'indemnisation pour perte de biens corporels le même type de preuves que celles qui avaient été soumises au Comité dans les tranches "E4" antérieures. (Voir deuxième rapport "E4", par. 55 et 56.)

37. La société Abdulla Sayid Rajab Al-Rifai & Sons General Trading & Cont. Co. a présenté une demande d'indemnisation pour la perte d'actifs fixes. Le requérant a soumis des copies de

factures d'achat pour certains des actifs dont la perte était alléguée et le témoignage d'un employé indiquant que les biens avaient été pillés. Le montant demandé était fondé sur la valeur comptable nette des éléments d'actifs au 1er août 1990.

38. L'examen des états financiers vérifiés du requérant a montré que le montant réclamé correspondait bien à la valeur comptable nette des actifs fixes avant l'invasion du Koweït par l'Iraq. Les comptes postérieurs à la libération, toutefois, faisaient apparaître des montants d'actifs fixes similaires à ceux d'avant l'invasion. Les factures d'achat soumises ne confirment pas l'hypothèse que la valeur comptable nette des actifs inscrite dans les comptes postérieurs à la libération serait celle d'achats faits après la libération du Koweït. La perte exceptionnelle portée par les vérificateurs du requérant dans les comptes d'après la libération ne révèle pas non plus ni ne corrobore aucune perte d'actifs fixes. La réalité de la perte est donc fondée uniquement sur un témoignage, sans être corroborée par les états financiers vérifiés. Vu l'insuffisance des preuves de la matérialité de la perte, le Comité a recommandé qu'aucune indemnité ne soit versée à ce titre.

39. La société Al Masa Co. for Trading Building Materials a déposé une réclamation concernant la perte de biens corporels pour la perte d'outils et d'appareils grevés d'une sûreté réelle au titre d'un emprunt contracté auprès d'une banque. Elle a fourni une copie de l'accord de prêt, où se trouvaient détaillés les différents biens faisant l'objet de la réclamation. Ces articles, toutefois, ne figuraient pas dans les états financiers de la société requérante comme actifs fixes ou comme stocks. La requérante n'a pas indiqué sur quelle base la valeur des biens avait été chiffrée, et les éléments de preuve fournis n'ont pas permis au Comité de procéder à une évaluation indépendante. La requérante n'a pas non plus fourni de preuve suffisante de l'ampleur du préjudice allégué ni de ce qu'il était advenu après la libération du Koweït de ses obligations envers la banque et de la sûreté réelle dont était assorti l'accord de prêt. Vu l'insuffisance des preuves produites, le Comité a recommandé qu'il ne soit versé aucune indemnité au titre de cet élément de la réclamation.

40. Dans la plupart des cas, l'existence, la propriété et la valeur des marchandises en stock dont les requérants allèguent la perte sont étayées par des copies de leurs comptes vérifiés, des factures d'achat des stocks initiaux et des calculs de "réactualisation" tels qu'ils ont été définis au paragraphe 119 du premier rapport "E4". Quelques requérants se sont fondés principalement, pour établir la matérialité de la perte de marchandises en stock, sur des témoignages d'employés ou de personnes en relation avec l'entreprise. Lorsque la réalité de la perte de stocks n'était pas corroborée par des preuves suffisantes, telle la mention de pertes exceptionnelles dans les états financiers vérifiés établis après la libération, le Comité n'a recommandé aucune indemnisation.

41. Fakher Al-Kuwait Readymade a présenté une réclamation pour perte de marchandises en stock. Dans son calcul de réactualisation destiné à établir la consistance des stocks au 1er août 1990, le requérant a utilisé la valeur des ventes ressortant de ses états financiers vérifiés pour les sept premiers mois de 1990. Il a aussi fourni les factures des ventes pour la même période. Ces factures faisaient apparaître un chiffre de ventes beaucoup plus élevé que la valeur utilisée pour le calcul de réactualisation. Le Comité a révisé ce calcul en fonction de la valeur des factures et de la marge bénéficiaire brute passée de l'entreprise. Le calcul révisé a fait ressortir qu'à la date du 1er août 1990 la société ne devait pas avoir de stocks. Le requérant a également affirmé qu'il avait procédé à un inventaire le 31 juillet 1990. Il n'a pas expliqué, toutefois, pour quelle raison il avait procédé à un inventaire à cette date alors que son exercice financier

se terminait normalement en décembre. Vu l'insuffisance des preuves fournies, le Comité a recommandé qu'il ne soit versé aucune indemnité au titre de la perte de marchandises en stock.

42. Al-Rownaq Electrical Equipment and Contracting Co., une entreprise de vente au détail de matériel électrique, a déposé une réclamation pour perte de marchandises en stock. La société requérante, constituée en avril 1989, a fourni à l'appui de sa réclamation des factures d'achat dont les dates étaient comprises entre janvier et juillet 1990. Elle a également produit des témoignages de personnes en relation avec elle affirmant que la société n'avait fait aucune vente depuis la date à laquelle elle avait été constituée.

43. Le Comité a noté que la société requérante était constituée depuis plus d'un an et avait accumulé des stocks de marchandise excessifs pendant les sept mois ayant précédé l'invasion. Compte tenu du volume des acquisitions de stocks, le Comité a estimé que la société n'avait pas fourni d'explications ou d'éléments de preuve suffisants à l'appui de son affirmation selon laquelle elle n'avait rien vendu sur les stocks accumulés au cours de cette période de sept mois. La requérante n'a pas fourni d'états financiers. Elle n'a pas non plus fourni d'autres documents émanant de sources indépendantes qui corroboreraient la réalité ou l'étendue des pertes de marchandises en stock alléguées. Dans ces conditions, et vu l'insuffisance des preuves produites, le Comité a recommandé qu'il ne soit versé aucune indemnité à ce titre.

44. Comme dans le cas des tranches précédentes de réclamations "E4", les réclamations pour perte de biens en cours de transport visaient des biens qui se trouvaient au Koweït à la date de l'invasion iraquienne et qui ont ensuite été perdus. Les requérants dont la réclamation a été retenue sont ceux qui ont pu produire une preuve suffisante du paiement des biens et établir la propriété, l'existence et la perte de ceux-ci au moyen de certificats émis par les autorités portuaires ou les transitaires koweïtiens.

45. La majorité des requérants demandant à être indemnisés de pertes de numéraire ont produit des témoignages de parties avec lesquelles ils étaient liés, sans fournir d'autres preuves à l'appui de leur réclamation. Lorsque les pertes de numéraire alléguées n'étaient pas étayées par des éléments de preuve contemporains suffisants, établissant la possession et le montant des espèces détenues à la date du 2 août 1990, le Comité n'a recommandé aucune indemnisation.

46. La plupart des requérants demandant à être indemnisés de la perte de véhicules ont pu justifier de leur perte en produisant des copies d'attestation de retrait d'immatriculation ainsi que des pièces supplémentaires telles que des comptes vérifiés postérieurs à la libération et des dépositions de témoins étayant la réalité et les circonstances des pertes.

47. La société Al Naqeeb & Khattar Co. a présenté une réclamation pour la perte de véhicules à moteur commerciaux. La requérante a fourni des photographies de certains véhicules endommagés. En revanche, elle n'a pas fourni d'attestations de retrait d'immatriculation concernant ces véhicules, malgré la demande qui lui en a été faite (voir par. 17 ci-dessus). Les états financiers vérifiés de la requérante pour la période ayant suivi la libération du Koweït ne font pas non plus apparaître la perte de véhicules. Vu l'insuffisance des preuves soumises, le Comité a recommandé qu'aucune indemnité ne soit versée au titre de la perte de véhicules.

48. Les recommandations du Comité concernant les pertes de biens corporels, marchandises en stock, numéraire et véhicules sont récapitulées à l'annexe II.

C. Paiements consentis ou secours accordés à des tiers

49. Dans la présente tranche, une indemnisation au titre de paiements consentis ou secours accordés à des tiers a été réclamée par un requérant, pour un montant de KWD 15 183 (environ US\$ 52 536).

50. Cette demande, présentée par Hamad Al-Mutawa Trading Establishment Hamad Khalid Al-Mutawa & Partners (W.L.L.), concernait des indemnités de licenciement versées à divers employés. Pour l'examen de cette réclamation au titre de paiements consentis ou secours accordés à des tiers, le Comité a appliqué la démarche et la méthode de vérification et d'évaluation exposées dans les rapports "E4" précédents (voir, par exemple, le deuxième rapport "E4", par. 70 à 74.)

51. À propos de cette demande d'indemnisation relative au versement d'indemnités de licenciement, le Comité a noté que la société requérante s'était contentée de fournir la liste des noms des employés auxquels ces indemnités auraient été versées. Elle n'a fourni aucune pièce établissant que le paiement des indemnités avait bien eu lieu ou que les personnes énumérées étaient ses salariés à la veille de l'invasion du Koweït par l'Iraq. Vu l'insuffisance des preuves fournies, le Comité a recommandé qu'aucune indemnité ne soit versée au titre de cette demande.

52. La recommandation du Comité concernant la demande d'indemnisation au titre de paiements consentis ou secours accordés à des tiers est résumée à l'annexe II.

D. Manque à gagner

53. Dans la présente tranche, 77 % des requérants ont demandé à être indemnisés d'un manque à gagner, pour un montant total de KWD 13 100 020 (environ US\$ 45 328 789).

54. Les quatre questions importantes de droit et de fait qui étaient soulevées par les réclamations de la première tranche le sont aussi par celles de la huitième tranche. Ces questions sont celles i) de l'impact et de l'évaluation des avantages reçus dans le cadre du programme de règlement des créances institué par le Gouvernement koweïtien après la libération, ii) de la prise en considération des bénéfices exceptionnels réalisés par les requérants dans la période qui a immédiatement suivi la libération du Koweït, iii) de la détermination de la période pour laquelle une indemnité pour manque à gagner peut être octroyée et iv) du problème des demandes d'indemnisation pour manque à gagner fondées uniquement sur les activités les plus rentables. Les conclusions du Comité sur ces points sont exposées aux paragraphes 161 à 193 du premier rapport "E4". Le Comité en a tenu compte dans l'examen des demandes d'indemnisation pour manque à gagner de la présente tranche et dans les recommandations qu'il a formulées à leur sujet.

55. Bien qu'ils en aient été priés à plusieurs reprises, nombre de requérants de la huitième tranche n'ont pas soumis les comptes annuels des trois exercices antérieurs et postérieurs à l'invasion et à l'occupation du Koweït par l'Iraq. Le Comité a noté que, dans certains cas, les requérants avaient donné de cette omission une explication satisfaisante, en faisant valoir par exemple que leur activité commerciale avait débuté entre 1987 et 1990 ou qu'elle avait cessé à la suite de l'invasion et de l'occupation du Koweït par l'Iraq.

56. Les réclamations pour manque à gagner émanant d'entreprises qui n'avaient pas fourni une série complète de comptes annuels vérifiés pour les périodes considérées ont été jugées présenter un "risque de surestimation", sauf lorsque les entreprises avaient expliqué de façon satisfaisante pourquoi elles n'avaient pas soumis ces comptes.

57. La méthode de vérification et d'évaluation adoptée par le Comité à l'égard des réclamations pour manque à gagner est exposée aux paragraphes 194 à 202 du premier rapport "E4".

58. La société Al Behar for Loading Voiding Ships and Delivery Cargo Co. a été constituée peu avant l'invasion du Koweït par l'Iraq. Cette société a présenté une demande d'indemnisation pour le manque à gagner qu'elle déclare avoir subi du fait de l'inexécution de deux contrats de louage de main-d'œuvre. Vu la date de constitution de la société, il n'a pas été possible d'obtenir de justification de ses résultats financiers passés. La requérante n'a pas non plus fourni d'autres éléments établissant que l'exécution des deux contrats aurait produit des bénéfices. L'insuffisance de preuves n'ayant pas permis d'établir qu'elle avait la capacité d'exécuter les contrats avec profit, le Comité n'a recommandé aucune indemnisation au titre de cette réclamation.

59. Les recommandations du Comité concernant les demandes d'indemnisation pour manque à gagner sont récapitulées à l'annexe II.

E. Sommes à recevoir

60. Dans la présente tranche, 10 requérants ont réclamé une indemnisation au titre de créances irrécouvrables ou de "créances douteuses", pour un montant total de KWD 2 266 792 (environ US\$ 7 843 571). Toutes ces réclamations portaient sur des sommes dues par des entreprises ou des personnes physiques qui se trouvaient au Koweït avant l'invasion iraquienne.

61. Comme dans le cas des tranches antérieures de réclamations de la catégorie "E4", la plupart des requérants ont demandé réparation pour des créances qu'ils n'avaient pas été en mesure de recouvrir parce que leurs débiteurs n'étaient pas revenus au Koweït après la libération. Le Comité réaffirme à ce sujet les critères qu'il a établis aux paragraphes 209 et 210 du premier rapport "E4", à savoir que les réclamations au titre de créances devenues irrécouvrables à la suite de l'invasion et de l'occupation du Koweït par l'Iraq doivent être étayées par des pièces justificatives ou autres éléments de preuve établissant la nature et le montant de la créance en cause et les circonstances qui l'ont rendue irrécouvrable.

62. Les demandes d'indemnisation pour créances irrécouvrables de la huitième tranche ont été vérifiées et évaluées de la manière exposée aux paragraphes 211 à 215 du premier rapport "E4".

63. Comme on l'a vu plus haut, le Comité ne recommande aucune indemnisation dans le cas de réclamations reposant uniquement sur l'affirmation que des créances non recouvrées sont *ipso facto* irrécouvrables parce que les débiteurs ne sont pas rentrés au Koweït. Dans presque tous les cas, les requérants n'ont fourni aucun élément établissant que l'incapacité de payer dans laquelle se trouvaient leurs débiteurs était une conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq. Cette lacune a été portée à l'attention des requérants à l'occasion des demandes de renseignements supplémentaires qui leur ont été adressées (voir par. 17 plus haut). Un certain nombre de réponses ont été obtenues des requérants mais aucune ne satisfaisait aux critères susmentionnés.

64. Les recommandations du Comité concernant les demandes d'indemnisation au titre de sommes à recevoir sont récapitulées à l'annexe II.

F. Frais de redémarrage

65. Onze requérants, dans la présente tranche, ont demandé à être indemnisés de frais de redémarrage, pour un montant total de KWD 188 207 (environ US\$ 651 235). Les réclamations présentées à ce titre ont été examinées selon la méthode exposée aux paragraphes 221 à 223 du premier rapport "E4" et aux paragraphes 93 à 96 du deuxième rapport "E4".

66. La société Kuwait National Construction Building Materials Manufacturing & Trading Co. (K.S.C.) avait chargé une société de gestion de fonds établie en Allemagne de constituer une fiducie et de transférer à cette fiducie les avoirs qu'elle détenait en Allemagne. La requérante a déclaré qu'elle avait pris cette mesure pour protéger lesdits avoirs contre une mesure d'appropriation de la part des autorités iraquiennes et elle a demandé à être indemnisée des dépenses qu'elle avait faites pour la constitution de cette fiducie. La requérante n'a pas fourni d'éléments établissant la réalité de la menace d'appropriation de ses avoirs situés en Allemagne par les autorités iraquiennes. Le Comité a conclu que la décision de créer une fiducie en Allemagne était une décision commerciale autonome qui ne résultait pas directement de l'invasion et de l'occupation du Koweït par l'Iraq. Il a donc recommandé qu'aucune indemnité ne soit versée à ce titre.

67. Les recommandations du Comité relatives aux frais de redémarrage sont récapitulées à l'annexe II.

G. Autres pertes

68. Dans la présente tranche, sept requérants ont demandé à être indemnisés au titre d'"autres pertes", pour un montant total de KWD 695 764 (environ US\$ 2 407 487).

69. La société Mohammed Sha'alan & Wafic Berry Co. W.L.L. Textile & Readywear a demandé à être indemnisée du montant de primes qu'elle aurait versées sur les baux de deux locaux qui ont été détruits. La société requérante indique que ces montants ont été versés pour l'obtention des baux, en sus des loyers normaux. Elle n'a soumis aucune pièce, en dehors d'une déposition de témoin, établissant la réalité du paiement des primes. Elle n'a pas non plus produit de documents attestant l'ampleur des dommages causés aux locaux ni expliqué pourquoi ceux-ci n'avaient pas ensuite été remis en état. Vu l'insuffisance de preuves, le Comité a recommandé que cette demande ne donne lieu à aucune indemnisation.

70. La société Kuwait and Middle East Financial Investment Company a demandé à être indemnisée des frais relatifs à l'établissement de bureaux à l'étranger et à leur fonctionnement pendant l'invasion et l'occupation du Koweït par l'Iraq et une brève période par la suite. Le Comité a estimé que ces dépenses constituaient un surcoût résultant directement de l'invasion et de l'occupation du Koweït par l'Iraq. Il a recommandé qu'elles donnent lieu à indemnisation dans la mesure où la requérante avait établi de façon suffisante que les dépenses faites concernaient les bureaux à l'étranger. Toutefois, le Comité a ajusté le montant de l'indemnisation recommandée pour tenir compte du "risque de surestimation" lié au manque d'éléments attestant les efforts faits par la requérante pour réduire ses pertes.

71. La société Tola Gold Company Fatema Hussein Al Eassa & Partners a demandé à être indemnisée du montant d'intérêts et de commissions bancaires versés sur certaines lettres de garantie. Une livraison d'or avait été faite à la requérante avant le 2 août 1990 contre deux lettres de garantie émises par des banques locales. Les lettres étaient valables jusqu'au 3 mars 1991 et la requérante n'aurait effectué aucun paiement à la livraison, son habitude étant de régler à l'échéance. La société requérante a déclaré qu'en raison de l'invasion du Koweït par l'Iraq le bénéficiaire avait encaissé rapidement les lettres de garantie après le 2 août 1990. Les comptes de la requérante ont alors été débités du montant de la garantie, et il lui a été compté des intérêts et des commissions pour la période du 1er août 1990 au 21 décembre 1991. La société requérante n'a pas produit les accords de garantie ni d'autres documents pour étayer son assertion que le paiement ne se faisait pas, normalement, à la livraison. De plus, puisque l'or avait été livré, le Comité a estimé que, dans la pratique commerciale normale, il eût été raisonnable de la part du bénéficiaire d'exiger le paiement à n'importe quel moment après la livraison. Le Comité a donc conclu que la requérante n'avait pas établi de façon satisfaisante que l'indemnisation demandée correspondait à des pertes résultant directement de l'invasion et de l'occupation du Koweït par l'Iraq. Il a donc recommandé qu'aucune indemnité ne soit accordée à ce titre.

72. La réclamation présentée par Gulf Colour Film Lab Company comportait une erreur de calcul, si bien que le montant de la perte indiqué sur le formulaire E était surévalué de KWD 9 999. Pour l'établissement du présent rapport, cette réclamation a été reclassée sous la rubrique "autres pertes"; aucune indemnisation n'a été recommandée.

73. Les demandes d'indemnisation au titre d'"autres pertes" qui ont été traitées dans les précédentes tranches de réclamations de la catégorie "E4" ont été examinées de la manière exposée dans les rapports "E4" antérieurs. (Voir, par exemple, le deuxième rapport "E4", par. 108, pour ce qui est du traitement des dépenses réglées à l'avance.)

74. Les recommandations du Comité concernant les "autres pertes" sont récapitulées à l'annexe II.

V. AUTRES QUESTIONS

A. Dates applicables concernant le taux de change et les intérêts

75. Pour déterminer les dates applicables en ce qui concerne le taux de change et les intérêts, le Comité a suivi l'approche qui est exposée aux paragraphes 226 à 233 du premier rapport "E4".

B. Frais d'établissement des dossiers de réclamation

76. Le Comité a été informé par le Secrétaire exécutif de la Commission que le Conseil d'administration entend régler la question des frais d'établissement des dossiers de réclamation à une date ultérieure. Le Comité n'a donc fait aucune recommandation concernant l'indemnisation de ces frais.

VI. INDEMNITÉS RECOMMANDÉES

77. Compte tenu de ce qui précède, les indemnités que le Comité a recommandé d'accorder aux requérants inclus dans la huitième tranche de réclamations "E4" sont indiquées à l'annexe I du présent rapport. Les principes qui sous-tendent les recommandations du Comité concernant les réclamations de cette tranche sont récapitulés dans l'annexe II du présent rapport. Tous les montants ont été arrondis au dinar koweïtien (KWD) le plus proche et peuvent donc varier de 1 KWD par rapport aux montants portés sur le formulaire E.

Genève, le 30 juin 2000
