Financing of the United Nations Mission in Ethiopia and Eritrea

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Mission in Ethiopia and Eritrea¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²

Bearing in mind Security Council resolution 1312 (2000) of 31 July 2000 regarding the establishment of the United Nations Mission in Ethiopia and Eritrea,

Recognizing that the costs of the Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such operations,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors, which bear additional burdens owing to overdue payments by Member States of their assessments;

2. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the United Nations Mission in Ethiopia and Eritrea in full and on time;

3. *Expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

4. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

¹ A/55/666.

² A/55/688.

6. *Requests* the Secretary-General to make the fullest possible use of facilities and equipment at the United Nations Logistics Base at Brindisi, Italy, in order to minimize the costs of procurement for the Mission, and for this purpose requests the Secretary-General to speed up the implementation of the asset management system at all peacekeeping missions in accordance with General Assembly resolution 52/1 A of 15 October 1997;

7. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;²

8. *Requests* the Secretary-General to take all necessary action to ensure that the Mission is administered with a maximum of efficiency and economy;

9. *Also requests* the Secretary-General, in order to reduce the cost of employing General Service staff, to recruit local staff for the Mission against General Service posts, commensurate with the requirements of the Mission;

10. *Authorizes* the Secretary-General to enter into commitments for the establishment and operation of the United Nations Mission in Ethiopia and Eritrea for the period from 31 July 2000 to 30 June 2001 in an amount not exceeding 150 million United States dollars gross (148,220,200 dollars net), inclusive of the amount of 50 million dollars gross (49,715,100 dollars net) authorized by the Advisory Committee under the terms of section IV of General Assembly resolution 49/233 A of 23 December 1994, and of the costs related to the dispatch of reconnaissance and liaison teams to the mission area, and requests the Secretary-General to establish a Special Account for the Mission;
