Bangkok

**PROGRAMME PLANNING: CALENDAR OF MEETINGS AND
TRAINING PROGRAMMES, APRIL 2001-MARCH 2002**

(Item 8 (c) of the provisional agenda)

**TENTATIVE CALENDAR OF MEETINGS AND TRAINING PROGRAMMES,
APRIL 2001-MARCH 2002**

Note by the secretariat

1. The tentative ESCAP calendar of meetings and training programmes for the year 2001/02, covering the period April 2001-March 2002, has been prepared on the basis of the programme of work as endorsed by the Commission at its fifty-sixth session. It is submitted for the review of the Commission.
2. The tentative calendar lists only meetings and training programmes for which sources of funding for implementation have been identified. These sources are indicated in the last column under the heading "Funding". In addition, for ease of reference and contact, indications are given of the divisions or units which are substantively involved in organizing and servicing the meetings and training programmes. Furthermore, as preferred by the permanent representatives of members and associate members of the Commission, the calendar is presented in groups according to the seven subprogrammes assigned to the ESCAP secretariat for implementation. The groupings will enable the representatives to have detailed information on the various meetings and training programmes in each subprogramme and thus to plan their participation well in advance.
3. In accordance with Commission resolution 53/1 of 30 April 1997 on restructuring the conference structure of the Commission, the following legislative meetings have been scheduled for the meeting calendar year 2001/02.

/...

Commission, fifty-seventh session, Bangkok, 19-25 April 2001

Committee on Environment and Natural Resources Development,
third session, Bangkok, 16-18 October 2001

Committee on Socio-economic Measures to Alleviate Poverty in Rural and Urban Areas,
fourth session, Bangkok, December 2001

4. In addition, it is expected that the Government of the Republic of Korea will offer to host in Seoul the Second Ministerial Conference on Infrastructure tentatively scheduled for 8-13 November 2001.
5. In view of the above ad hoc ministerial conference, and in accordance with the provision contained in Commission resolution 53/1 of 30 April 1997 relating to the convening of ad hoc ministerial conferences, the fourth session of the Committee on Transport, Communications, Tourism and Infrastructure Development will be convened in 2002.
6. Since meetings and training programmes in the subprogrammes are subject to the availability of extrabudgetary resources, other meetings and training programmes may be added to the calendar at a later stage.
7. The table preceding the calendar of meetings and training programmes shows the number of proposed meetings and training programmes for 2001/02 as compared with the number of those held since the calendar of meetings for 1990/91, by categories established under the conference structure of ESCAP.
8. The Commission may wish to give its views on the calendar of meetings as a whole, or on any specific aspect of it.
