ACTIVITIES AND ADMINISTRATION OF THE TIR EXECUTIVE BOARD (TIREXB)

(a) Activities of the TIRExB

(i) Report by the Chairman of the TIRExB

Documentation: TRANS/WP.30/AC.2/2001/5; TRANS/WP.30/AC.2/2001/1; TRANS/WP.30/AC.2/55; TRANS/WP.30/AC.2/1999/3.

13. In accordance with Annex 8, Article 11, paragraph 4 of the Convention and in line with the decision of the Administrative Committee, taken at its twenty-seventh session, that the TIRExB should report on its activities at each of its sessions and that efforts should be made to make, at least, the reports of the sessions of the TIRExB available to all Contracting Parties, possibly in the three working languages of the Administrative Committee (TRANS/WP.30/AC.2/55, paras. 14 and 15), the UN/ECE secretariat has reproduced the reports of the TIRExB at its sixth and seventh sessions (TRANS/WP.30/AC.2/2001/1; TRANS/WP.30/AC.2/2001/5).

14. The reports of the TIRExB are also available at and can be down-loaded from the TIR web site (www.unece.org/trans/new_tir/welctir.htm).

15. The Chairman of the TIRExB informed the Administrative Committee on recent activities which had been undertaken by the TIRExB on the interpretation of legal provisions, issues relating to the practical application of the Convention and the functioning of the international guarantee system.

16. In order to provide full transparency about the activities of the TIR secretariat in accordance with the provisions of paragraph 8 of the Terms of Reference of the TIRExB (TRANS/WP.30/AC.2/49, annex 3), the representatives of the Russian Federation and the Ukraine requested the preparation of a report on the matter. Such a report could be considered at the forthcoming session of the Administrative Committee together with the final accounts for the year 2000 (see also para. 24) and the draft budget for the year 2002.

17. The Administrative Committee approved the activities of the TIRExB as well as the reports at its sixth and seventh sessions.

(ii) Example of an Authorization Agreement

Documentation : TRANS/WP.30/AC.2/2001/2; TRANS/WP.30/AC.2/2001/1.

18. The Administrative Committee noted that the TIRExB is preparing an example of an authorization agreement and an undertaking between competent authorities and national guaranteeing associations. Such an example, in line with the relevant provisions of the revised Convention, should provide guidance on the legal act between guaranteeing associations and the national Customs authorities, particularly for those countries that had only recently acceded to the Convention. The example should include the rights and obligations of national guaranteeing associations in accordance with Article 6 and Annex 9 of the Convention (TRANS/WP.30/AC.2/2001/1, para. 13).

19. The Administrative Committee, taking note of a first draft of such an example authorization agreement as prepared by the TIR Secretary (TRANS/WP.30/AC.2/2001/2), decided to review the example agreement, possibly at its autumn session and once the TIRExB had finalized its work in this respect.

(iii) Regional TIR Seminar for countries in Western Asia

Documentation: TRANS/WP.30/AC.2/2001/4.

20. The Administrative Committee welcomed the organization and the results of a Regional TIR Seminar that has been held at Amman (Jordan) on 31 October and 1 November 2000. The

Seminar had been organized by the TIR Executive Board (TIRExB) and the TIR secretariat, in close co-operation with the United Nations Economic Commission for Western Asia (UN/ESCWA) and the Customs Department of the Ministry of Finance of Jordan. It was attended by nearly 100 experts and Government officials from 14 countries in the Middle East region as well as from regional and international organizations, including the IRU. At the end of the Seminar a recommendation was adopted by consensus which is contained in document TRANS/WP.30/AC.2/2001/4.

21. The Administrative Committee felt that similar Regional TIR Seminars might be organized by the TIRExB and the TIR secretariat also in other regions, such as Central Asia and the Transcaucasus region. It therefore welcomed the offer of the representative of Azerbaijan to host another Regional TIR Seminar in his country.

(b) Administration of the TIRExB

(i) Approval (in principle) of the final accounts for the year 2000

Documentation: TRANS/WP.30/AC.2/2000/2; TRANS/WP.30/AC.2/2000/10;

22. The Administrative Committee recalled, that, in accordance with Annex 8, Article 11, paragraph 4 of the Convention, the TIRExB shall submit audited accounts to the Administrative Committee at least once a year or at the request of the Administrative Committee. Furthermore, the agreement concluded between the IRU and the UN/ECE for the year 2000 on the transfer of funds to the TIR Trust Fund, established by the UN/ECE in accordance with a decision of the Administrative Committee (TRANS/WP.30/AC.2/49, paras. 30 and 31), provides for the submission of an annual report to the IRU (TRANS/WP.30/AC.2/2000/2).

23. The Administrative Committee also recalled that, in order to provide full transparency about the functioning and financing of the TIRExB and the TIR secretariat, the UN/ECE secretariat has provided the Administrative Committee, at its twenty-ninth session (TRANS/WP.30/AC.2/59, paras. 30 and 31), with an overview of the financial situation of the TIRExB and the TIR secretariat as of 31 July 2000 together with an estimate on the expenses foreseen for the remainder of 2000 (TRANS/WP.30/AC.2/2000/10).

24. As the final accounts for 2000 have not yet been established by the competent Finance Services of the United Nations, the report on the complete and final accounts will be transmitted, as in the past, to the October session of the Administrative Committee for formal approval.

25. In this context, the Administrative Committee noted that the accounts of the TIR Trust Fund are exclusively subject to the internal and external auditing procedures laid down in the Financial Regulations, Rules and Directives of the United Nations and will be audited according to the schedule set by the United Nations Board of Auditors.

(ii) Budget and cost plan for the year 2001

28. The Administrative Committee noted that, in accordance with Annex 9, Article 9, paragraph 2 of the Convention, the term of office of each member of the TIRExB shall be two years. Since the present members of the TIRExB had been elected at its spring session in 1999, the Administrative Committee proceeded with the election or re-election of the nine members of the TIRExB.

In this context the Administrative Committee recalled that, in accordance with Annex 8, Article 9 of the Convention, the TIRExB shall be composed of nine members, each from different Contracting Parties to the Convention. They shall be elected by the Administrative Committee by a majority of Contracting States present and voting. The Administrative Committee reconfirmed that the Board members should be competent and experienced in the application of the TIR procedure both at the national and international levels. They should represent the interests of all Contracting Parties to the Convention and not the specific interests of any one individual Government or organization (TRANS/WP.30/AC.2/51, annex).

30. The Administrative Committee also recalled and reconfirmed its decisions on an efficient voting procedure taken at its twenty-ninth session and summarized in Informal Document No. 1 (2001) transmitted on 15 December 2000 to all Contracting Parties to the Convention (TRANS/WP.30/AC.2/59, paras. 24-27).

33. The Administrative Committee noted that, following the conclusion of an Agreement between the IRU and the UN/ECE as mandated by the Administrative Committee at its twenty-ninth session (TRANS/WP.30/AC.2/59, para. 42) and the fulfilment of the relevant conditions by 17 November 2000, the IRU is authorized to print and distribute TIR Carnets in the year 2001.

37. In this context the Administrative Committee recalled the decision, taken at its twenty-eighth session, to authorize the IRU to centrally print and distribute TIR Carnets for a period of five years as of the year 2001 and to finance, as long as its expenses were not covered by the Regular Budget of the United Nations, the operation of the TIRExB and the TIR secretariat (TRANS/WP.30/AC.2/57, para. 29).
