Annex I: Recommended awards for the tenth instalment of "E4" claims – reported by UNSEQ and UNCC claim number and claimant name .....	15
Annex II: Recommended awards for the tenth instalment of "E4" claims – reported by claimant name and category of loss .....	23
Annex III: Claims deferred to a later instalment of "E4" claims pursuant to paragraphs 19-21 – reported by UNSEQ and UNCC claim number and claimant name .....	151

### Introduction

1. À sa trentième session, tenue du 14 au 16 décembre 1998, le Conseil d'administration de la Commission d'indemnisation des Nations Unies (la "Commission") a nommé le deuxième Comité de commissaires (le "Comité"), composé de MM. Luiz Olavo Baptista (Président), Jean Naudet et Jianxi Wang, auquel revenait la tâche d'examiner les réclamations de la catégorie "E4". Il s'agit de réclamations émanant d'entreprises et autres entités koweïtiennes du secteur privé - à l'exclusion de celles du secteur pétrolier et du secteur de l'environnement - habilitées à présenter des demandes d'indemnisation au moyen du formulaire de la Commission intitulé "Formulaire de réclamation pour les sociétés et autres entités" ("formulaire E").
2. Une dixième tranche de 141 réclamations "E4" a été présentée au Comité le 11 février 2000, conformément à l'article 32 des Règles provisoires pour la procédure relative aux réclamations (les "Règles") (S/AC.26/1992/10).
3. Conformément à l'article 38 des Règles, le présent rapport contient les recommandations adressées par le Comité au Conseil d'administration au sujet des réclamations de cette dixième tranche.

### I. APERÇU GÉNÉRAL SUR LES RÉCLAMATIONS DE LA DIXIÈME TRANCHE

4. Les 141 réclamations de la dixième tranche ont été sélectionnées parmi les quelque 2 750 réclamations de la catégorie "E4" sur la base de critères tels que l'importance, le volume et la complexité de la réclamation, les questions soulevées sur les plans du droit, des faits et de l'évaluation et la date de dépôt de la réclamation auprès de la Commission.
5. Les pertes invoquées par les requérants dans cette dixième tranche s'élevaient au total à 59 797 136 dinars koweïtiens ("KWD") (environ US\$ 206 910 505). Les requérants réclamaient également des intérêts d'un montant total de KWD 2 287 847 (environ US\$ 7 916 426) et des frais d'établissement de dossier totalisant KWD 284 569 (environ US\$ 984 668).
6. La nature des questions de fait et de droit soulevées par chaque réclamation et le volume de la documentation fournie à l'appui de chacune ont permis au Comité d'achever ses vérifications dans un délai de 180 jours.
7. Tous les requérants de cette dixième tranche opéraient au Koweït avant l'invasion et l'occupation irakiennes. Les activités de la plupart concernaient le commerce de diverses marchandises. Certains requérants se livraient à des activités manufacturières ou des activités de services.
8. Les requérants de cette tranche ont demandé des indemnités au titre de toutes les catégories de pertes recensées sur le formulaire E, sauf deux : les pertes liées à des transactions ou pratiques commerciales et les pertes de biens producteurs de revenus. Les deux catégories de pertes qui ont été le plus souvent évoquées sont la perte de biens corporels (principalement marchandises en stock, mobilier, agencements fixes, équipements et véhicules) et la perte de revenus ou un manque à gagner. Des requérants ont aussi, sous la rubrique "Autres pertes", présenté des

réclamations pour des créances irrécouvrables, des frais de redémarrage, des intérêts et des frais d'établissement de dossier.

## II. DÉROULEMENT DES TRAVAUX

9. Avant de communiquer les réclamations de la dixième tranche au Comité, le secrétariat les avait soumises à une évaluation préliminaire conformément aux Règles. Ce type d'examen est décrit au paragraphe 11 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la première tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/4) (le "premier rapport 'E4'"). Les résultats de cet examen ont été saisis dans une base de données centralisée gérée par le secrétariat (la "base de données des réclamations").

10. Initialement, 11 réclamations présentaient des irrégularités de forme, que le secrétariat a notifiées aux requérants concernés, conformément à l'article 15 des Règles. Dans tous les cas, les vices de forme ont été corrigés par les requérants.

11. Les réclamations ont fait l'objet d'un examen de fond visant à recenser les principales questions soulevées sur les plans du droit, des faits et de l'évaluation. Les résultats de cet examen, y compris les principales questions soulevées, ont été saisis dans la base de données des réclamations.

12. Le Secrétaire exécutif de la Commission a, en application de l'article 16 des Règles, établi à l'intention du Conseil d'administration les rapports 28 et 29, datés respectivement des 23 juillet et 28 octobre 1999 ("rapports établis en application de l'article 16"). Ces rapports portaient, entre autres, sur la dixième tranche de réclamations de la catégorie "E4" et exposaient les principaux points de fait et de droit soulevés dans ces réclamations. Un certain nombre de gouvernements, y compris celui de l'Iraq, ont communiqué des renseignements et des vues supplémentaires en réponse aux rapports établis par le Secrétaire exécutif en application de l'article 16.

13. À l'issue i) de l'évaluation préliminaire, ii) de l'examen de fond et iii) de la présentation des rapports établis en application de l'article 16, les documents suivants ont été transmis au Comité :

- a) Les dossiers de réclamation déposés par les requérants;
- b) Les rapports d'évaluation préliminaire établis conformément à l'article 14 des Règles;
- c) Les renseignements et les vues communiqués par les gouvernements, y compris celui de l'Iraq, en réponse aux rapports établis en application de l'article 16; et
- d) Les autres renseignements jugés utiles pour les travaux des commissaires au titre de l'article 32 des Règles.

14. Pour les raisons indiquées au paragraphe 17 du premier rapport "E4", le Comité a fait appel aux services d'un cabinet d'experts-comptables et d'un cabinet de spécialistes du règlement des sinistres. Il a chargé ces experts-conseils d'examiner chaque réclamation de la dixième tranche conformément à la méthode de vérification et d'évaluation qu'il avait mise au point et de lui présenter dans chaque cas un rapport détaillé récapitulant leurs conclusions.

15. Par son ordonnance de procédure du 11 février 2000, le Comité a fait part de son intention de mener à bien l'examen des réclamations de la dixième tranche et de présenter son rapport et ses recommandations au Conseil d'administration dans un délai de 180 jours à compter de cette même date. Cette ordonnance de procédure a été communiquée aux Gouvernements iraquien et koweïtien.

16. Conformément à l'article 34 des Règles, des renseignements supplémentaires ont été demandés aux requérants pour aider le Comité dans son examen des réclamations. Les requérants n'ayant pas pu fournir les éléments de preuve demandés ont été priés de justifier de leur incapacité à le faire. Toutes les demandes de renseignements supplémentaires ont été adressées sous couvert de l'Office public koweïtien chargé d'évaluer les indemnités à verser pour les dommages résultant de l'agression iraquienne ("PAAC"). Ces demandes ont été faites pour l'ensemble des réclamations de la catégorie "E4" et non pas simplement pour celles de la dixième tranche.

17. Les renseignements supplémentaires qui sont demandés ayant été recensés aux paragraphes 19 à 24 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la quatrième tranche des réclamations de la catégorie 'E4'" (le "quatrième rapport 'E4'") (S/AC.26/1999/18) et au paragraphe 18 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la sixième tranche des réclamations de la catégorie 'E4'" (S/AC.26/2000/18), le présent rapport ne revient pas sur ces demandes.

18. Il a été procédé à des vérifications supplémentaires pour déterminer si des réclamations n'avaient pas été présentées en double par des requérants ayant des liens entre eux. Cet examen est décrit au paragraphe 18 du quatrième rapport "E4".

19. Au cours de l'examen par le Comité des réclamations de la présente tranche, le secrétariat a informé le Comité qu'il existait une possibilité de chevauchement entre des réclamations de cette tranche et certaines réclamations dont était saisie la Commission au titre de pertes commerciales ou industrielles de personnes physiques. Ce problème a été identifié et signalé au Conseil d'administration, lors de l'examen initial des réclamations pour pertes commerciales ou industrielles émanant de requérants de la catégorie "D", dans le rapport No 30 du 17 février 2000 établi par le Secrétaire exécutif de la Commission en application de l'article 16 des Règles.

20. À la demande du Comité, le secrétariat a procédé à une recherche dans la base de données des réclamations et identifié 15 réclamations de la présente tranche "E4" présentant un risque de chevauchement avec d'autres réclamations déposées auprès de la Commission au titre de pertes commerciales ou industrielles de personnes physiques. Les réclamations "E4" en cause sont énumérées à l'annexe III du présent rapport.

21. Le Comité estime qu'un délai supplémentaire est nécessaire pour déterminer la nature et l'étendue du chevauchement potentiel entre ces réclamations "E4" et d'autres réclamations pour pertes commerciales ou industrielles de personnes physiques. Pour pouvoir obtenir des éclaircissements supplémentaires sur ces réclamations et permettre leur plus ample examen, le Comité a recommandé, à ce stade, que les réclamations énumérées à l'annexe III du présent rapport soient reportées sur une tranche ultérieure de réclamations de la catégorie "E4".

En conséquence, il n'a formulé aucune conclusion concernant ces réclamations. Lorsqu'il est fait mention, dans la suite du présent rapport, de la dixième tranche de réclamations, il s'agit des 126 réclamations restantes, énumérées à l'annexe I.

22. Se fondant sur son examen des documents présentés et des renseignements supplémentaires reçus, le Comité a conclu que les questions soulevées par les réclamations de la dixième tranche avaient été suffisamment éclaircies et qu'il n'était pas nécessaire de les étudier plus avant dans le cadre d'une procédure orale.

### III. CADRE JURIDIQUE ET MÉTHODE DE VÉRIFICATION ET D'ÉVALUATION

23. Le cadre juridique et la méthode de vérification et d'évaluation retenus pour la dixième tranche sont les mêmes que pour les tranches précédentes de réclamations de la catégorie "E4". Ils ont été exposés aux paragraphes 25 à 62 du premier rapport "E4". Des rapports "E4" ultérieurs analysent les questions supplémentaires de droit et de vérification et évaluation soulevées dans les tranches concernées. Le présent rapport ne revient pas sur ces différents points. Il renvoie simplement aux sections des rapports précédents où ils ont été abordés.

24. Dans les cas où il se trouvait devant des problèmes nouveaux non traités dans les rapports "E4" précédents, le Comité a élaboré des méthodes de vérification et d'évaluation des préjudices. Ces problèmes nouveaux sont discutés dans la suite du texte du présent rapport. Les recommandations précises du Comité concernant les pertes invoquées dans les réclamations de la dixième tranche sont récapitulées et expliquées dans les annexes au rapport.

25. Avant d'en venir aux recommandations d'indemnisation précises du Comité concernant des réclamations de la dixième tranche, il importe de rappeler que la démarche adoptée par le Comité en matière de vérification et d'évaluation de ces réclamations consiste à mettre en balance l'incapacité dans laquelle se trouve le requérant de toujours fournir les meilleures preuves, d'une part, et, de l'autre, le "risque de surestimation" qui découle d'une insuffisance de preuves. Dans ce contexte, l'expression "risque de surestimation", définie au paragraphe 34 du premier rapport "E4", s'applique aux cas où la demande d'indemnisation est accompagnée de preuves insuffisantes ne permettant pas un chiffrage précis et risque donc d'être surestimée.

### IV. LES RÉCLAMATIONS

26. Le Comité a examiné les réclamations de la dixième tranche en les classant selon la nature et le type de la perte recensée. Ses recommandations sont donc présentées par type de perte. Les pertes qui ont fait l'objet d'un transfert de rubrique figurent dans la section relative à la catégorie de pertes dans laquelle le Comité les a reclassées.

#### A. Contrats

27. Dans la présente tranche de réclamations, six requérants ont présenté des demandes d'indemnisation, totalisant KWD 1 587 618 (environ US\$ 5 493 488), au titre de pertes liées à un contrat. Les réclamations présentées à ce titre dans cette tranche ne soulèvent aucun problème juridique ou de vérification et d'évaluation nouveau. La démarche suivie par le Comité pour déterminer le caractère indemnisable des pertes liées à un contrat a été exposée dans

les précédents rapports "E4", et la méthode de vérification et d'évaluation qu'il a adoptée pour ce type de pertes est décrite aux paragraphes 77 à 84 du premier rapport "E4".

28. Les recommandations du Comité concernant les pertes liées à un contrat sont récapitulées à l'annexe II.

#### B. Biens immobiliers

29. Dans la présente tranche, 34 requérants ont déposé des réclamations au titre de la perte de biens immobiliers, pour un montant total de KWD 2 829 194 (environ US\$ 9 789 599). Les requérants demandaient à être indemnisés de dommages subis par un certain nombre de locaux dont ils étaient propriétaires ou locataires au Koweït.

30. Les demandes d'indemnisation pour perte de biens immobiliers de la présente tranche ne soulevaient pas de problèmes de droit ou de vérification et évaluation nouveaux. Les critères de détermination du caractère indemnisable des pertes et la méthode de vérification et d'évaluation adoptés par le Comité pour ce type de demandes sont exposés aux paragraphes 89 à 101 du premier rapport "E4".

31. La nature des dommages subis par les biens et l'emplacement de ceux-ci au Koweït ont permis d'établir que les pertes résultaient directement de l'invasion et de l'occupation du Koweït par l'Iraq. Les demandes d'indemnisation étaient fondées soit sur le montant des dépenses effectivement engagées pour procéder aux réparations, soit sur des devis estimatifs du prix de ces réparations.

32. La plupart des requérants ont présenté des pièces suffisant à établir leurs intérêts légitimes dans les biens touchés ainsi que le préjudice subi. Cependant, comme cela avait été le cas dans des tranches "E4" antérieures, les requérants n'ont généralement pas déduit des sommes réclamées les coûts de l'entretien habituel ou de l'amortissement. Le Comité a donc procédé à des ajustements pour tenir compte de ces coûts qui auraient été à leur charge en temps normal et ne résultaient pas directement de l'invasion et de l'occupation iraqiennes. Il a fait de même dans le cas de "plus-values" délibérées, comme expliqué au paragraphe 97 du premier rapport "E4".

33. Dans le cas des demandes d'indemnisation fondées sur le montant de devis estimatifs du prix des réparations, le Comité a essayé d'obtenir une explication valable du fait que le requérant n'avait pas procédé à la réparation ou au remplacement des biens endommagés. En l'absence d'une telle explication, le Comité a ajusté le montant réclamé, pour compenser le "risque de surestimation" alors présenté.

34. Les recommandations du Comité concernant les pertes de biens immobiliers sont récapitulées à l'annexe II.

#### C. Biens corporels, marchandises en stock, numéraire et véhicules

35. La majorité des requérants de la dixième tranche invoquent des pertes de biens corporels (marchandises en stock, mobilier et agencements fixes, équipements, véhicules et numéraire), pour un montant total de KWD 29 497 597 (environ US\$ 102 067 810).

36. Pour déterminer si ces pertes de biens corporels étaient indemnisables et les vérifier et les évaluer, le Comité a suivi la démarche exposée aux paragraphes 108 à 135 du premier rapport "E4".
37. Les requérants de la présente tranche ont généralement présenté à l'appui de leurs demandes d'indemnisation pour pertes de biens corporels et de marchandises en stock le même type de preuves que celles qui avaient été soumises au Comité dans les tranches "E4" antérieures. (Voir "Rapport et recommandations du Comité de commissaires concernant la deuxième tranche de réclamations 'E4'" (S/AC.26/1999/17) (deuxième rapport "E4"), par. 55 à 64.)
38. la majorité des requérants demandant à être indemnisés de pertes de numéraire ont produit des témoignages de parties avec lesquelles ils étaient liés, sans fournir d'autres preuves à l'appui de leurs réclamations. Lorsque les pertes de numéraire alléguées n'étaient pas étayées par des éléments de preuve contemporains établissant la possession et le montant des espèces détenues à la date du 2 août 1990, le Comité n'a recommandé aucune indemnisation.
39. La plupart des requérants demandant à être indemnisés de la perte de véhicules ont pu justifier de leur perte en produisant des copies d'attestation de retrait d'immatriculation ainsi que des pièces supplémentaires telles que des comptes vérifiés postérieurs à la libération et des dépositions de témoins étayant la réalité et les circonstances des pertes. Le Comité a vérifié séparément les valeurs alléguées pour les véhicules perdus en les comparant aux valeurs citées dans le tableau d'évaluation des véhicules à moteur dont il est question au paragraphe 135 du premier rapport "E4" ou, dans le cas des véhicules ne figurant pas sur ce tableau, à d'autres estimations établies par des tiers.
40. Les recommandations du Comité concernant les pertes de biens corporels, de marchandises en stock, de numéraire et de véhicules sont récapitulées à l'annexe II.

#### D. Paiements consentis ou secours accordés à des tiers

41. Huit requérants, dans la présente tranche de réclamations, ont demandé à être indemnisés au titre de paiements consentis ou secours accordés à des tiers, pour un montant total de KWD 1 185 321 (environ US\$ 4 101 457).
42. Pour l'examen des réclamations au titre de paiements consentis ou secours accordés à des tiers, le Comité a suivi la démarche et la méthode de vérification et d'évaluation exposées dans des rapports "E4" antérieurs. (Voir, par exemple, quatrième rapport "E4", par. 61 à 63.)
43. La coopérative de Rumaithiya déclare avoir cédé "une partie de ses marchandises en stock en les vendant ou en les distribuant gratuitement à certaines familles sans ressources". Après la libération du Koweït, la requérante a continué à procéder à des distributions gratuites de produits alimentaires. Cela est corroboré par la provision pour pertes exceptionnelles figurant après la libération dans les comptes vérifiés de la requérante, qui montre que des produits alimentaires étaient donnés gratuitement ou distribués à la population. De même, la coopérative d'Al-Sha'ab accordait aux "citoyens du district d'Al-Sha'ab une aide sociale sous la forme de secours en espèces [ ] en raison des difficultés financières résultant du tarissement de leurs revenus depuis l'invasion". Suivant la même démarche que dans le deuxième rapport "E4" (par. 71)

et le quatrième rapport "E4" (par. 60), le Comité a recommandé qu'aucune indemnité ne soit versée à ces requérants.

44. Les recommandations du Comité concernant les demandes d'indemnisation au titre de paiements consentis ou secours accordés à des tiers sont récapitulées à l'annexe II.

#### E. Manque à gagner

45. Dans la présente tranche de réclamations, environ 72 % des requérants ont demandé à être indemnisés d'un manque à gagner, pour un montant total de KWD 12 631 653 (environ US\$ 43 708 142).

46. Les quatre questions importantes de droit et de fait qui étaient soulevées par les réclamations de la première tranche le sont aussi par celles de la dixième tranche. Ces questions sont celles i) de l'impact et l'évaluation des avantages reçus dans le cadre du programme de règlement des créances institué par le Gouvernement koweïtien après la libération, ii) de la prise en considération des bénéfices exceptionnels réalisés par les requérants dans la période qui a immédiatement suivi la libération du Koweït, iii) de la détermination de la période pour laquelle une indemnité pour manque à gagner peut être octroyée et iv) du problème des demandes d'indemnisation pour manque à gagner fondées uniquement sur les activités les plus rentables. Les conclusions du Comité sur ces points sont exposées aux paragraphes 161 à 193 du premier rapport "E4". Le Comité en a tenu compte dans l'examen des demandes d'indemnisation pour manque à gagner de la présente tranche et dans les recommandations qu'il a formulées à leur sujet.

47. La méthode de vérification et d'évaluation adoptée par le Comité en ce qui concerne les demandes d'indemnisation pour manque à gagner est exposée aux paragraphes 194 à 202 du premier rapport "E4".

48. Bien qu'ils en aient été priés à plusieurs reprises, nombre de requérants de la dixième tranche n'ont pas présenté de comptes annuels pour les trois exercices antérieurs et postérieurs à l'invasion et à l'occupation du Koweït par l'Iraq. Le Comité a noté que, dans certains cas, les requérants ont donné de cette omission une explication suffisante, en faisant valoir par exemple que leur activité commerciale avait débuté entre 1987 et 1990 ou qu'elle avait cessé à la suite de l'invasion et de l'occupation du Koweït par l'Iraq.

49. Les réclamations pour manque à gagner qui émanaient d'entreprises n'ayant pas fourni une série complète de comptes annuels vérifiés pour les périodes considérées ont été jugées présenter un "risque de surestimation", sauf lorsque ces entreprises avaient expliqué par des raisons suffisantes pourquoi ces comptes n'avaient pas été soumis.

50. Les recommandations du Comité concernant les demandes d'indemnisation pour manque à gagner sont récapitulées à l'annexe II.

#### F. Sommes à recevoir

51. Dans la présente tranche, 12 requérants ont réclamé une indemnisation au titre de créances irrécouvrables ou de "créances douteuses", pour un montant total de KWD 3 488 752

(environ US\$ 12 071 806). La majorité de ces réclamations portaient sur des sommes dues par des entreprises ou des personnes physiques qui se trouvaient au Koweït avant l'invasion iraquienne.

52. Comme dans le cas des tranches antérieures de réclamations de la catégorie "E4", la plupart des requérants qui ont demandé à être indemnisés des créances qu'ils n'avaient pu recouvrer ont fait valoir que leurs débiteurs n'étaient pas revenus au Koweït après la libération. La question qui se posait était celle de savoir si les créances non recouvrées étaient devenues irrécouvrables en conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq.

53. Le Comité réaffirme à ce sujet les critères qu'il a établis aux paragraphes 209 et 210 du premier rapport "E4", à savoir que les réclamations au titre de créances devenues irrécouvrables à la suite de l'invasion et de l'occupation du Koweït par l'Iraq doivent être étayées par des pièces justificatives ou autres éléments de preuve appropriés, établissant la nature et le montant de la créance en cause et les circonstances qui l'ont rendue irrécouvrable.

54. Les demandes d'indemnisation de la dixième tranche pour créances irrécouvrables ont été vérifiées et évaluées de la manière exposée aux paragraphes 211 à 215 du premier rapport "E4".

55. Comme on l'a vu plus haut, le Comité recommande de ne verser aucune indemnisation dans le cas de réclamations fondées sur la simple affirmation que des créances non recouvrées sont *ipso facto* irrécouvrables parce que les débiteurs ne sont pas rentrés au Koweït. Dans presque tous les cas, les requérants ont omis de fournir des preuves établissant que l'incapacité de payer dans laquelle se trouvaient leurs débiteurs était une conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq. Cette lacune a été portée à l'attention des requérants à l'occasion des demandes de renseignements supplémentaires qui leur ont été adressées (voir par. 17 ci-dessus). Un certain nombre de réponses ont été obtenues des requérants, mais aucune ne satisfaisait aux critères susmentionnés.

56. Les recommandations du Comité relatives aux réclamations pour créances douteuses sont récapitulées à l'annexe II.

#### G. Frais de redémarrage

57. Treize requérants, dans la présente tranche, ont demandé à être indemnisés de frais de redémarrage, pour un montant total de KWD 324 175 (environ US\$ 1 121 713). Les montants réclamés à ce titre ont été examinés selon la méthode décrite aux paragraphes 221 à 223 du premier rapport "E4" et aux paragraphes 93 à 96 du deuxième rapport "E4". (Voir également quatrième rapport "E4", par. 87 à 89.)

58. Shams Physiotherapy Centres Co. K.S.C. Closed demande une indemnité au titre de salaires, loyers, abonnements et autres frais n'ayant pas le caractère de dépenses supplémentaires. De même, Kuwait Precast Systems Co. demande une indemnité pour des salaires et autres frais qui ne constituent pas un surcoût. Ainsi qu'il a été noté dans le premier rapport "E4" (par. 223), les requérants doivent établir que ces frais de redémarrage constituent "des dépenses extraordinaires résultant directement de l'invasion et de l'occupation par l'Iraq". La société

requérante n'ayant pas démontré par des preuves suffisantes que ces frais ont constitué un surcoût, le Comité recommande qu'il ne soit versé aucune indemnité à ce titre.

59. Les recommandations du Comité concernant ces frais de redémarrage sont récapitulées à l'annexe II.

#### H. Autres pertes

60. Quelques requérants demandent à être indemnisés pour les pertes subies du fait de l'annulation de billets de banque en dinars koweïtiens qu'ils ont reçus en paiement tandis qu'ils poursuivaient leurs activités pendant l'occupation du Koweït par l'Iraq. Le Comité recommande d'indemniser ces requérants pour les raisons indiquées aux paragraphes 98 et 99 du deuxième rapport "E4".

61. En ce qui concerne les demandes d'indemnisation portant sur le préjudice subi par les requérants contraints d'accepter des dinars iraqiens en paiement des produits vendus pendant l'invasion et l'occupation du Koweït par l'Iraq, au taux de change de 1 dinar iraquien pour 1 dinar koweïtien, le Comité a appliqué les recommandations formulées aux paragraphes 100 à 102 du deuxième rapport "E4".

62. Les demandes d'indemnisation au titre d'"autres pertes" qui ont été traitées dans de précédentes tranches de réclamations de la catégorie "E4" ont été examinées de la manière exposée dans les rapports "E4" antérieurs. (Voir, par exemple, le deuxième rapport "E4", par. 108, et le quatrième rapport "E4", par. 103, pour ce qui est du traitement des dépenses réglées à l'avance.)

63. Industrial Investments Company K.S.C. demande à être indemnisée d'une perte qu'elle aurait subie sur la vente de dinars koweïtiens pendant l'occupation. Il ressort de l'exposé de sa réclamation que, du fait de l'invasion et de l'occupation du Koweït par l'Iraq, la société requérante s'est vue contrainte de vendre des dinars koweïtiens contre des dollars des États-Unis pour pouvoir faire face à ses "engagements de dépenses d'investissement et d'exploitation". La requérante a produit un tableau des taux de change de 1990 montrant que le taux avait été de plus en plus favorable jusqu'à la date de l'invasion. La requérante a aussi fourni certains éléments attestant ses besoins de liquidités, pour justifier de la nécessité où elle se trouvait de changer les dinars koweïtiens. Elle a changé ces dinars koweïtiens le 27 novembre 1990 au taux de 0,333 US\$ pour 1 KWD. La requérante déclare qu'à la date de l'invasion le taux était de 0,28749. Dans le troisième rapport "E4", aux paragraphes 50 à 52, le Comité a recommandé qu'un requérant soit indemnisé du surcoût exceptionnel qu'avait représenté pour lui le remboursement anticipé d'obligations pendant l'occupation du Koweït par l'Iraq. Ces obligations étaient libellées en dinars koweïtiens mais, comme à la date du remboursement cette monnaie avait été retirée de la circulation, le remboursement s'était fait en dollars des États-Unis. Dans le cas présent, le Comité recommande de même l'octroi d'une indemnité à la requérante, après ajustement de sa réclamation pour tenir compte du taux de change approuvé et du risque de surestimation généralement associé à la conversion de monnaies.

64. Al Ahli Club of Kuwait for Tourism & Automobile Services W.L.L. a passé avec les autorités douanières de Jordanie et d'Égypte des accords qui permettaient à ses clients d'entrer

dans ces pays en conservant sur leurs voitures leurs plaques d'immatriculation koweïtiennes. Le requérant a été obligé de fournir aux autorités douanières des garanties bancaires couvrant les pénalités ou amendes qui seraient imposées à ceux de ses clients qui resteraient dans le pays au-delà de la durée autorisée ou qui céderaient leur véhicule dans des conditions irrégulières. Le requérant déclare qu'à la suite de l'invasion et de l'occupation du Koweït par l'Iraq, beaucoup de clients ont vendu leur voiture illégalement pour se procurer des fonds et qu'en conséquence le requérant a dû régler le montant de ces garanties de douane. Le Comité recommande l'octroi d'une indemnité correspondant à une fraction de la somme demandée à ce titre, en ramenant celle-ci au montant de la provision pour pertes exceptionnelles inscrite dans les comptes vérifiés de décembre 1991 et en tenant compte du risque que les ventes réalisées n'aient pas toutes été la conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq. (Voir, par exemple, le deuxième rapport "E4", par. 104, où le Comité a recommandé le versement d'une indemnité au titre de la non-récupération de dépôts en douane, avec un ajustement pour tenir compte du "risque de surestimation".)

65. International Shipping Agency Limited a engagé des dépenses pour l'établissement d'un bureau temporaire à Doubaï pendant l'invasion et l'occupation du Koweït par l'Iraq. Le Comité a estimé que ces dépenses représentaient un surcoût résultant directement de l'invasion et de l'occupation iraqiennes du Koweït. La société requérante a fourni des avis de débit pour justifier du paiement de loyers du 15 août 1990 au 30 avril 1991; elle n'a pas, toutefois, fourni de preuve suffisante du règlement des autres dépenses. Le Comité recommande une indemnisation à concurrence du montant dont le paiement a été dûment justifié.

66. Al Ahlia Hotel Supplies Co. W.L.L. présente une réclamation pour "perte de marchandises appartenant à des clients". La société requérante déclare qu'elle détenait dans son entrepôt des marchandises déjà achetées par ses clients. Ces marchandises ont été détruites pendant l'invasion et l'occupation du Koweït par l'Iraq. La requérante déclare qu'elle a dû rembourser ses clients en exécution d'une ordonnance judiciaire. La seule ordonnance judiciaire qui ait été produite concerne des marchandises achetées le 29 décembre 1984. De plus, il n'a pas été fourni de preuve suffisante du remboursement que dit avoir fait la requérante. Aussi le Comité recommande-t-il que cette réclamation ne donne lieu à aucune indemnisation.

67. Les recommandations du Comité concernant les "autres pertes" sont récapitulées à l'annexe II.

## V. AUTRES QUESTIONS

### A. Dates applicables concernant le taux de change et les intérêts

68. Pour déterminer les dates applicables en ce qui concerne le taux de change et les intérêts, le Comité a suivi l'approche qui est exposée aux paragraphes 226 à 233 du premier rapport "E4".

### B. Frais d'établissement des dossiers de réclamation

69. Le Comité a été informé par le Secrétaire exécutif de la Commission que le Conseil d'administration entend régler la question des frais d'établissement des dossiers de réclamation

à une date ultérieure. Le Comité n'a donc fait aucune recommandation concernant l'indemnisation de ces frais.

## VI. INDEMNITÉS RECOMMANDÉES

70. Compte tenu de ce qui précède, les indemnités que le Comité recommande d'accorder aux requérants inclus dans la dixième tranche de réclamations "E4" sont indiquées à l'annexe I du présent rapport. Les principes qui sous-tendent les recommandations du Comité concernant les réclamations de cette tranche sont récapitulés dans l'annexe II du présent rapport. Tous les montants ont été arrondis au dinar koweïtien (KWD) le plus proche et peuvent donc varier de 1 KWD par rapport aux montants portés sur le formulaire E.

Genève, le 10 juillet 2000
