Приложения	
Приложение I. Рекомендованная компенсация по претензиям "Е4" десятой партии с указанием номеров претензий ЮНСЕК и ККООН и наименования заявителя	17
Приложение II. Рекомендованная компенсация по претензиям "Е4" десятой партии с указанием заявителя и категории потерь	25
Приложение III. Претензии, отложенные до следующей партии претензий "Е4" в соответствии с пунктами 19-21 с указанием номеров претензий ЮНСЕК и ККООН и наименования заявителя	151

Введение

1. На своей тридцатой сессии, состоявшейся 14-16 декабря 1998 года, Совет управляющих Компенсационной комиссии Организации Объединенных Наций ("Комиссия") назначил гг. Луиса Олаво Баптисту (Председатель), Жана Ноде и Цзяньси Вана в состав второй группы уполномоченных ("Группа"), которой поручено рассмотрение претензий "Е4". Категория "Е4" охватывает претензии, представленные кувейтскими частными корпорациями и другими юридическими лицами (за исключением претензий предприятий нефтяного сектора и претензий, касающихся ущерба окружающей среде), имеющими право подавать претензии в соответствии с разработанными Комиссией формами претензий для корпораций и других юридических лиц ("Форма Е").
2. Десятая партия претензий, состоящая из 141 претензии "Е4", была представлена Группе 11 февраля 2000 года в соответствии со статьей 32 Временного регламента урегулирования претензий (S/AC.26/1992/10) ("Регламент").
3. В соответствии со статьей 38 Регламента настоящий доклад содержит рекомендации Группы Совету управляющих в отношении десятой партии претензий.

I. ОБЩИЙ ОБЗОР ПРЕТЕНЗИЙ ДЕСЯТОЙ ПАРТИИ

4. 141 претензия для десятой партии была отобрана приблизительно из 2 750 претензий "Е4" с учетом таких критериев, как размер, объем и сложность претензий, правовые, фактические вопросы и вопросы оценки, возникающие в связи с претензией, и дата представления претензий Комиссии.
5. Заявители претензий, включенных в состав десятой партии, испрашивают возмещение потерь на общую сумму в 59 797 136 кувейтских динаров (приблизительно 206 910 505 долл. США). Заявители также истребуют проценты на общую сумму в 2 287 847 кувейтских динаров (приблизительно 7 916 426 долл. США) и компенсацию расходов на подготовку претензий в размере 284 569 кувейтских динаров (приблизительно 984 668 долл. США).
6. Характер правовых и фактических вопросов, поднятых в каждой претензии, и объем документации, представленной в подкрепление каждой претензии, позволили Группе выполнить проверку претензий в течение 180 дней.
7. Все заявители претензий десятой партии осуществляли свою деятельность в Кувейте до вторжения Ирака и оккупации Кувейта. Большинство заявителей занимались

торговлей различными товарами. Ряд заявителей были заняты в сфере промышленного производства и услуг.

8. Заявители претензий данной партии претендовали на компенсацию всех типов потерь, указанных в Форме Е, кроме двух. Двумя категориями потерь, по которым не предъявлялось требований о возмещении, являются коммерческие сделки или деловая практика и потеря приносившего доход имущества. Двумя наиболее распространенными типами потерь являются потери материального имущества (главным образом товарно-материальных запасов, мебели, арматуры, оборудования и транспортных средств) и потери доходов или упущенная выгода. Заявители требовали также компенсации безнадежной задолженности, расходов на возобновление деятельности, процентов и расходов на подготовку претензий по категории "Прочие потери".

II. ПРОЦЕДУРА РАССМОТРЕНИЯ ПРЕТЕНЗИЙ

9. Перед тем как десятая партия претензий была представлена Группе, секретариат, в соответствии с Регламентом, провел первоначальную оценку этих претензий. Описание такой процедуры анализа содержится в пункте 11 Доклада и рекомендаций Группы уполномоченных в отношении первой партии претензий "Е4" (S/AC.26/1999/4) («первый доклад "Е4"»). Результаты этого анализа были введены в централизованную базу данных, которая ведется секретариатом ("база данных о претензиях").

10. Первоначально 11 претензий не соответствовали формальным требованиям, и секретариат, согласно статье 15 Регламента, уведомил об этом соответствующих заявителей. Заявители устранили все нарушения формальных требований.

11. В целях выявления существенных юридических и фактических вопросов, а также вопросов стоимостной оценки было проведено рассмотрение претензий по существу. Результаты такого рассмотрения, включая выявленные существенные вопросы, были введены в базу данных о претензиях.

12. 23 июля 1999 года и 28 октября 1999 года Исполнительный секретарь Комиссии представил Совету управляющих соответственно двадцать восьмой и двадцать девятый доклады, предусмотренные статьей 16 Регламента ("доклады по статье 16"). Эти доклады касались, в частности, десятой партии претензий "Е4" и содержали информацию о существенных правовых и фактических вопросах, выявленных в результате анализа этих претензий. В ответ на представленные в соответствии со статьей 16 Регламента доклады Исполнительного секретаря правительства ряда стран, в том числе Ирака, представили дополнительную информацию и соображения.

13. По завершении i) первоначальной оценки; ii) рассмотрения претензий по существу; и iii) работы по докладам по статье 16 секретариат представил на рассмотрение Группы следующие документы:

- a) документы по претензиям, представленные заявителями;
- b) доклады о результатах первоначальной оценки, подготовленные секретариатом в соответствии со статьей 14 Регламента;
- c) информацию и соображения, полученные от правительств, в том числе правительства Ирака, в ответ на доклады, представленные в соответствии со статьей 16; и
- d) прочую информацию, которая в соответствии со статьей 32 Регламента была сочтена полезной для работы Группы.

14. По причинам, изложенным в пункте 17 первого доклада "Е4", Группа по-прежнему прибегала к услугам бухгалтерской фирмы и фирмы по оценке убытков как экспертов-консультантов. Группа поручила экспертам-консультантам изучить каждую претензию десятой партии в соответствии с методологией проверки и стоимостной оценки, разработанной Группой, и представить Группе подробный доклад по каждой претензии, содержащий резюме выводов экспертов-консультантов.

15. В своем процедурном постановлении от 11 февраля 2000 года Группа заявила о своем намерении завершить рассмотрение десятой партии претензий и представить доклад и рекомендации Совету управляющих в течение 180 дней, считая с 11 февраля 2000 года. Это процедурное постановление было препровождено правительству Ирака и правительству Кувейта.

16. В соответствии со статьей 34 Регламента секретариат запросил у заявителей дополнительную информацию, которая могла бы облегчить работу Группы по рассмотрению претензий. Заявителям, которые не смогли представить затребованные доказательства, было предложено сообщить о причинах, по которым они не могут этого сделать. Все запросы о дополнительной информации были направлены через кувейтский Государственный орган по оценке компенсации за ущерб в результате иракской агрессии (ГООК). Запросы о дополнительной информации касались всех претензий "Е4", а не только претензий десятой партии.

17. Содержание запросов о дополнительной информации отражено в пунктах 19-24 документа "Доклад и рекомендации Группы уполномоченных в отношении четвертой партии претензий "Е4" (S/AC.26/1999/18) («четвертый доклад "Е4"») и в пункте 18

«"Доклада и рекомендаций Группы уполномоченных в отношении шестой партии претензий "Е4"» (S/AC.26/2000/8). В настоящем докладе эти запросы о представлении информации не воспроизводятся.

18. Была проведена дополнительная проверка с тем, чтобы определить, не подавали ли соответствующие заявители дублирующих претензий. Ее описание содержится в пункте 18 четвертого доклада "Е4".

19. При рассмотрении Группой претензий этой партии секретариат информировал Группу о возможности дублирования между рядом претензий этой партии и рядом индивидуальных претензий в отношении коммерческих потерь, представленных на рассмотрение Комиссии. Этот вопрос был поставлен и передан на рассмотрение Совету управляющих в связи с первоначальным рассмотрением претензий по коммерческим потерям, поданных заявителями категории "D", в докладе № 30 от 17 февраля 2000 года, представленном Исполнительным секретарем Комиссии в соответствии со статьей 16 Регламента.

20. По просьбе Группы секретариат провел проверку базы данных о претензиях и выявил 15 претензий "Е4" в составе этой партии, в связи с которыми может возникнуть проблема дублирования других индивидуальных претензий в отношении деловых потерь, поданных в Комиссию. Перечень этих претензий категории "Е4" приводится в приложении III к настоящему докладу.

21. Группа считает, что потребуется дополнительное время для того, чтобы определить характер и масштабы дублирования между такими претензиями категории "Е4" и потенциально пересекающимися с ними индивидуальными претензиями в отношении деловых потерь. На данном этапе, чтобы выделить время для дополнительной обработки претензий и необходимых исследований, Группа рекомендовала отложить рассмотрение претензий, перечисленных в приложении III к настоящему докладу, до одной из следующих партий претензий категории "Е4". Поэтому Группа не стала делать никаких выводов относительно претензий, перечисленных в приложении III к настоящему докладу. Содержащиеся далее в настоящем докладе ссылки на десятую партию претензий касаются остальных 126 претензий, включенных в приложение I.

22. На основе результатов рассмотрения представленных документов и полученной дополнительной информации Группа пришла к выводу, что вопросы, связанные с десятой партией претензий, в достаточной степени проработаны и устных слушаний для уточнения таких вопросов не требуется.

III. ЮРИДИЧЕСКАЯ ОСНОВА И МЕТОДОЛОГИЯ ПРОВЕРКИ И СТОИМОСТНОЙ ОЦЕНКИ

23. Для рассмотрения претензий этой партии используется та же юридическая основа и методология проверки и стоимостной оценки, что и при рассмотрении предшествующих партий претензий "Е4". Описание этой юридической основы и методологии содержится в пунктах 25-62 первого доклада "Е4". В последующих докладах "Е4" рассматриваются дополнительные вопросы, связанные с юридической основой и методологией проверки и стоимостной оценки, возникшие в ходе рассмотрения претензий последующих партий претензий "Е4". Эти различные элементы обсуждения в Группе в настоящем документе не воспроизводятся. Вместо него в настоящий доклад включены ссылки на разделы в предыдущих докладах "Е4", в которых рассматриваются такие вопросы.

24. Когда Группа сталкивалась с новыми вопросами, не охваченными в предыдущих докладах "Е4", Группа разрабатывала методологии проверки и стоимостной оценки соответствующих потерь. Эти новые вопросы рассматриваются в настоящем докладе. В приложениях к докладу содержатся конкретные рекомендации Группы в отношении заявленных потерь в этой партии и их обоснование.

25. Перед тем, как приступить к обсуждению конкретных рекомендаций Группы в отношении компенсации десятой партии претензий, важно вновь подчеркнуть, что в ходе проверки и стоимостной оценки этих претензий Группа стремится найти баланс между неспособностью заявителей во всех случаях представить убедительные доказательства потерь и "риска завышения" таких потерь, связанным с недостатком доказательств. В этой связи термин "риск завышения", определяемый в пункте 34 первого доклада "Е4", используется в тех случаях, когда претензии страдают доказательственными изъянами, затрудняющими их точную стоимостную оценку, и поэтому таят в себе опасность завышения суммы потерь.

IV. ПРЕТЕНЗИИ

26. Группа рассматривала претензии с учетом характера и категории заявленных потерь. Поэтому рекомендации Группы приводятся ниже по категориям потерь. Реклассифицированные потери рассматриваются в разделах, касающихся тех категорий потерь, к которым они были отнесены Группой в результате их реклассификации.

A. Контракты

27. Претензии в связи с потерей контрактов в рамках данной партии претензий подали шесть заявителей на общую сумму 1 587 618 кувейтских динаров (около 5 493 488 долл. США). Претензии в связи с потерей контрактов в рамках этой партии не были

сопряжены с возникновением каких-либо новых вопросов, связанных с правовыми аспектами и методологией проверки и стоимостной оценки. Группы к вопросу о компенсируемости потери контрактов изложен в предыдущих докладах "Е4", а методология проверки и стоимостной оценки, принятая Группой в отношении претензий, связанных с контрактными потерями, изложена в пунктах 77-84 первого доклада "Е4".

28. Рекомендации Группы в отношении потери контрактов изложены в приложении II.

В. Недвижимость

29. Претензии в связи с потерей недвижимого имущества на общую сумму 2 829 194 кувейтских динаров (приблизительно 9 789 599 долл. США) представили в рамках данной партии претензий 34 заявителя. Эти претензии связаны с ущербом, нанесенным различным зданиям и помещениям в Кувейте, находившимся в собственности или аренде.

30. Претензии в отношении недвижимого имущества в этой партии не создают каких-либо новых проблем, связанных с правовыми аспектами или проверкой и стоимостной оценкой. Критерии компенсируемости и методология проверки и стоимостной оценки, принятые Группой в отношении претензий, связанных с потерей недвижимого имущества, изложены в пунктах 89-101 первого доклада "Е4".

31. Из характера нанесенного недвижимому имуществу ущерба и месторасположения поврежденной недвижимости в Кувейте следует, что данный ущерб явился прямым следствием вторжения Ирака и оккупации им Кувейта. Претензии основываются на фактических затратах на ремонт поврежденного недвижимого имущества или сметах таких затрат.

32. Большинство заявителей представили документы, которые в достаточной мере подтверждают их причастность к поврежденному недвижимому имуществу и заявленным потерям. Однако так же, как и в ранее рассмотренных партиях претензий "Е4", заявители, как правило, не исключали из суммы своих претензий текущие эксплуатационные расходы и амортизацию. Группа скорректировала претензии, с тем чтобы учесть эти расходы, которые были бы понесены при обычном ходе событий и не являлись прямым результатом вторжения Ирака и оккупации им Кувейта. Аналогичные коррективы сделаны Группой в случаях, не являющихся вынужденными "улучшений", поясняемых в пункте 97 первого доклада "Е4".

33. Применительно к претензиям, основывающимся на смете расходов на ремонт, Группа искала разумное объяснение того, почему заявитель не отремонтировал или не

заменил поврежденное имущество. В случае отсутствия такого объяснения Группа корректировала претензию с учетом "риска завышения", сопряженного с таким изъяном.

34. Рекомендации Группы в отношении потерь с недвижимости изложены в приложении II.

C. Материальное имущество, товарно-материальные запасы, наличные средства и транспортные средства

35. Большинство заявителей в рамках десятой партии претензий претендуют на возмещение потерь материального имущества. Заявленные потери, связанные с потерей товарно-материальных запасов, мебели и арматуры, оборудования, транспортных средств и наличных средств в целом составляют 29 497 597 кувейтских динаров (приблизительно 102 067 810 долл. США).

36. Что касается компенсированности и проверки и оценки этих претензий в отношении возмещения материального имущества, то Группа придерживалась подхода, изложенного в пунктах 108-135 первого доклада "Е4".

37. В рамках настоящей партии заявители обычно представляли такие же виды доказательств, с которыми уже встречалась Группа в предыдущих партиях "Е4" при рассмотрении претензий в отношении потерь материального имущества и товарно-материальных запасов. (См. «Доклад и рекомендации Группы уполномоченных по второй партии претензий "Е4"» (S/AC.26/1999/17) («второй доклад "Е4"»), пункты 55-64.)

38. Большинство заявителей, претендовавших на компенсацию потерь наличных средств, приводили в качестве доказательств заявления связанных с ними сторон, не предоставляя дополнительных подтверждений в обоснование своих претензий. Когда претензии в отношении потери наличных средств не дополнялись соответствующими тому моменту времени доказательствами, подтверждавшими факт владения и размер наличных средств на 2 августа 1990 года, Группа рекомендовала не назначать компенсации.

39. Большинство заявителей, подавших претензии, связанные с потерей транспортных средств, были способны подтвердить свои потери копиями свидетельств о снятии их с учета и дополнительными документами, такими, как проверенные счета за период после освобождения и свидетельские показания, которые удостоверяли факт и обстоятельства их потерь. Заявленная стоимость утраченных транспортных средств была отдельно проверена Группой по данным о стоимости транспортных средств, включенным в таблицу оценки автотранспорта ("Таблица ОА"), о которой говорится в пункте 135 первого

доклада "Е4", а для транспортных средств, не перечисленных в Таблице ОА, - по оценкам других третьих сторон.

40. Рекомендации Группы в отношении потерь материального имущества, товарно-материальных запасов, наличных средств и транспортных средств изложены в приложении II.

D. Выплаты или помощь третьим лицам

41. Восемь заявителей в рамках этой партии представили претензии на общую сумму в 1 185 321 кувейтский динар (приблизительно 4 101 457 долл. США) в отношении выплат или помощи третьим лицам.

42. При рассмотрении претензий в отношении выплат или помощи третьим лицам Группа руководствовалась подходом и методами проверки и стоимостной оценки, изложенными в предыдущих докладах "Е4". (См., например, пункты 61-63 четвертого доклада "Е4".)

43. Кооперативное общество "Румайтия" утверждает, что оно использовало "часть своих товарно-материальных запасов либо для продажи, либо для бесплатной поставки ряду семей, оставшихся без денег". После освобождения Кувейта заявитель продолжал бесплатно раздавать продовольствие. Это подтверждается данными в статье чрезвычайных потерь в период после освобождения, содержащимися в проверенных счетах заявителя, из которых явствует, что продовольствие раздавалось бесплатно или распределялось среди граждан. Аналогичным образом кооперативное общество "Аш-Шааб" предоставляло "гражданам района Аш-Шааб социальную помощь путем выплаты наличных средств в качестве помощи, призванной облегчить финансовое бремя, легшее на их плечи из-за приостановки получения ими доходов с момента вторжения". Группа руководствовалась тем же подходом, что и при подготовке второго доклада "Е4" (пункт 71) и четвертого доклада "Е4" (пункт 60), и рекомендовала не выплачивать компенсацию этим заявителям.

44. Рекомендации Группы в отношении выплат или помощи третьим лицам изложены в приложении II.

E. Упущенная выгода

45. Около 72% заявителей подали в рамках этой партии претензии в отношении компенсации упущенной выгоды на общую сумму в 12 631 653 кувейтских динаров (приблизительно 43 708 142 долл. США).

46. Четыре существенных правовых и фактических вопроса, возникших в рамках первой партии претензий, поднимались во всех претензиях, включенных в десятую партию. Эти вопросы связаны с влиянием и оценкой i) льгот, полученных в рамках программы кувейтского правительства по погашению долга в период после освобождения, ii) неожиданных или исключительных доходов, полученных заявителями в период, последовавший сразу после освобождения Кувейта, iii) периода компенсации претензий в отношении упущенной выгоды и iv) претензий в отношении упущенной выгоды, выборочно основанных на доходных видах бизнеса. Выводы, сделанные Группой по этим вопросам, изложены в пунктах 161-193 первого доклада "Е4". Группа использовала эти выводы в своих соображениях и рекомендациях, касающихся претензий в отношении упущенной выгоды, включенных в эту партию.

47. Методы проверки и стоимостной оценки, которыми руководствовалась Группа при рассмотрении претензий в отношении упущенной выгоды, изложены в пунктах 194-202 первого доклада "Е4".

48. Несмотря на ряд запросов, некоторые заявители претензий десятой партии не предоставили годовых отчетов за три финансовых года до и после вторжения Ирака и оккупации им Кувейта. Группа отметила, что в ряде случаев неспособность представить некоторые отчеты получала достаточное объяснение, например когда заявитель начинал заниматься деловой деятельностью в период между 1987 и 1990 годами или когда заявитель прекратил ею заниматься после вторжения Ирака и оккупации Кувейта.

49. Претензии в отношении упущенной выгоды со стороны предприятий, которые не сумели предоставить полную подборку годовых проверенных счетов за соответствующие периоды, рассматривались как сопряженные с "риском завышения", если неспособность предоставить эти счета не была убедительно разъяснена.

50. Рекомендации Группы, касающиеся претензий в отношении упущенной выгоды, кратко изложены в приложении II.

F. Дебиторская задолженность

51. Двенадцать заявителей претензий в рамках этой партии предъявили требования в отношении безнадежной задолженности или невзыскиваемых долгов на общую сумму в 3 488 752 кувейтских динара (приблизительно 12 071 806 долл. США). Большая часть этих претензий касалась средств, принадлежавших предприятиям или отдельным лицам, находившимся в Кувейте до вторжения Ирака.

52. Как и в случае с предыдущими партиями претензий "Е4", большинство заявителей стремились получить компенсацию по долгам, которые остались непогашенными из-за того, что должники не вернулись в Кувейт после освобождения. Встал вопрос, было ли превращение непогашенных долгов в безнадежные прямым следствием вторжения Ирака и оккупации Кувейта.

53. Группа подтверждает свою позицию по этому вопросу, изложенную в пунктах 209-210 первого доклада "Е4". В претензиях по долгам, которые превратились в безнадежные вследствие вторжения Ирака и оккупации им Кувейта, должны документально или с помощью других соответствующих свидетельств подкрепляться характер и размер долга, о котором идет речь, и обстоятельства, в результате которых долг стал безнадежным.

54. Десятая партия претензий в отношении безнадежной задолженности была проверена и оценена по методике, описанной в пунктах 211-215 первого доклада "Е4".

55. Как говорилось выше, Группа рекомендует не компенсировать претензии, основанные на простом утверждении, что непогашенные долги являются *ipso facto* безнадежными, поскольку должники не вернулись в Кувейт. Почти никто из заявителей не сумел представить доказательства, подтверждающие, что неспособность их должников платить была прямым следствием вторжения Ирака и оккупации им Кувейта. Этот недостаток был доведен до сведения заявителей в форме дополнительной информации, запрашиваемой от заявителей (см. пункт 17 выше). Хотя от заявителей был получен ряд ответов, ни один не удовлетворял вышеназванным критериям.

56. Рекомендации Группы, касающиеся претензий в отношении "плохих долгов", кратко изложены в приложении II.

G. Расходы на возобновление деятельности

57. Претензии в связи с расходами на возобновление деятельности на общую сумму в 324 175 кувейтских динаров (приблизительно 1 121 713 долл. США) представили в рамках данной партии претензий 13 заявителей. Суммы, заявленные для компенсации расходов на возобновление деятельности, были рассмотрены с применением методов, описанных в пунктах 221-223 первого доклада "Е4" и пунктах 93-96 второго доклада "Е4". (См. также пункты 87-89 четвертого доклада "Е4".)

58. "Шамс физиотерапии сентерс компани КСК клонд" требует компенсации заработной платы, аренды, подписки и других расходов, не носящих характера дополнительных издержек. Точно так же "Кувейт прекаст системз компани" требует компенсации

заработной платы и расходов, не носящих характера дополнительных издержек. Как отмечено в первом докладе "Е4" (пункт 223), заявители должны доказать, что подобные расходы на возобновление деятельности являются "чрезвычайными расходами, понесенными непосредственно вследствие вторжения Ирака и оккупации". Поскольку заявитель не представил достаточных доказательств в подтверждение того, что эти расходы являются дополнительными издержками, Группа не рекомендует компенсировать эти претензии.

59. Рекомендации Группы в отношении претензий, касающихся компенсации расходов на возобновление деятельности, изложены в приложении II.

Н. Прочие потери

60. Несколько заявителей добиваются компенсации потерь, понесенных в результате получения ими аннулированных кувейтских банкнот. Эти банкноты были получены заявителями, продолжавшими ведение дел во время оккупации Кувейта Ираком. Группа рекомендует удовлетворить эти претензии на основании соображений, изложенных в пунктах 98-99 второго доклада "Е4".

61. В отношении претензий о потерях, понесенных в результате того, что в период вторжения Ирака и оккупации Кувейта заявители были вынуждены принимать в оплату своих товаров иракские динары по курсу один иракский динар за один кувейтский динар, Группа руководствовалась своими рекомендациями, вынесенными в пунктах 100-102 второго доклада "Е4".

62. Претензии в отношении "прочих потерь", о которых шла речь в предыдущих партиях "Е4", были рассмотрены в соответствии с подходом, изложенным в более ранних докладах "Е4". (См., например, пункт 108 второго доклада "Е4" и пункт 103 четвертого доклада "Е4", где речь идет о компенсации расходов по предоплате.)

63. Компания "Индастриал инвестментс компани К.С.К." добивается компенсации потерь при продаже кувейтских динаров во время оккупации. В своем изложении претензии она указывает, что вследствие вторжения Ирака и оккупации Кувейта она была вынуждена продавать кувейтские динары за доллары США, чтобы производить оплату "по обязательствам в отношении инвестиций и в счет покрытия оперативных издержек". Заявитель представил таблицу обменных курсов за 1990 год, из которой явствовало, что курс был значительно благоприятнее до момента вторжения. Заявитель представил также ряд доказательств своих потребностей в средствах в подтверждение необходимости обмена кувейтских динаров. Заявитель произвел обмен кувейтских динаров 27 ноября 1990 года по курсу 0,333 долл. США за 1 кувейтский динар. Заявитель утверждает, что

обменный курс на момент вторжения составлял 0,28749. В пунктах 50-52 третьего доклада "Е4" Группа рекомендовала компенсировать дополнительные и чрезвычайные расходы, связанные с досрочным погашением долговых обязательств заявителя во время оккупации Кувейта Ираком. Эти долговые обязательства были составлены в кувейтских динарах, но, поскольку эта валюта была изъята из обращения на момент погашения, оно было произведено в долларах США. Группа рекомендует выплатить этому заявителю компенсацию после корректировки претензии в соответствии с утвержденным обменным курсом и с учетом риска завышения, обычно сопряженного с пересчетом валюты.

64. Компания "Аль-Ахли клуб оф Кувейт фо туризм энд атомобайл сервисис У.Л.Л." заключила соглашения с иорданскими и египетскими таможенными властями, позволявшие клиентам заявителя въезжать в эти страны на своих автомобилях, не меняя свои кувейтские номерные знаки. Заявитель вынужден был представить таможенным органам банковские гарантии покрытия штрафов, налагавшихся на тех клиентов заявителя, которые оставались в этих странах дольше разрешенного срока или сбывали свои транспортные средства в нарушение действующих правил. Заявитель утверждает, что в результате вторжения Ирака и оккупации Кувейта многие клиенты продали свои автомобили незаконно, чтобы получить за них деньги, и в результате заявителю пришлось оплатить эти таможенные гарантии. Группа рекомендует выплатить частичную компенсацию по этой претензии за таможенные обязательства после сокращения заявленной суммы до размеров чрезвычайных потерь, предусмотренных в аудированных отчетах за декабрь 1991 года, и с учетом риска, что не все из произведенных продаж явились прямым следствием вторжения Ирака и оккупации Кувейта. (См., например, пункт 104 второго доклада "Е4", где рекомендуется компенсировать таможенные депозиты с коррективами на "риск завышения".)

65. Компания "Интернешнэл шиппинг эдженси лимитед" понесла расходы на открытие временного представительства в Дубае во время вторжения Ирака и оккупации Кувейта. Группа пришла к выводу, что подобные расходы являются дополнительными и понесены непосредственно вследствие вторжения Ирака и оккупации Кувейта. Заявитель представил дебетовые авизо в подтверждение уплаты аренды за период с 15 августа 1990 года до 30 апреля 1991 года; однако заявитель не представил достаточных доказательств оплаты остальных расходов. Группа рекомендует компенсировать по претензии ту часть расходов, которая в достаточной мере подкреплена доказательствами.

66. Компания "Аль-Ахлия хотел саплайз компани У.Л.Л." представляет претензию в связи с "потерей потребительских товаров". Заявитель утверждает, что хранил у себя на складе товары, уже оплаченные его клиентами. Эти товары были уничтожены во время вторжения Ирака и оккупации Кувейта. Заявитель утверждает, что в соответствии с постановлением суда компания должна возместить потери своих клиентов. В качестве

доказательства было представлено только одно постановление суда, но оно касалось товаров, которые были оплачены 29 декабря 1984 года. Кроме того, не было представлено достаточных доказательств, подтверждающих, что заявитель возместил потери своих клиентов. Поэтому Группа не рекомендует выплачивать компенсацию по этой претензии.

67. Рекомендации Группы в отношении претензий, касающихся прочих потерь, изложены в приложении II.

V. ПРОЧИЕ ВОПРОСЫ

A. Даты, используемые при определении валютного курса и процентов

68. В отношении дат, по состоянию на которые должны определяться валютные курсы и проценты, Группа руководствуется подходом, изложенным в пунктах 226-233 первого доклада "Е4".

B. Расходы на подготовку претензий

69. Исполнительный секретарь Комиссии информировал Группу о том, что Совет управляющих намерен решить вопрос о расходах на подготовку претензий позднее. Поэтому Группа воздерживается от каких-либо рекомендаций в отношении компенсации расходов на подготовку претензий.

VI. РЕКОМЕНДОВАННЫЕ ВЫПЛАТЫ

70. Суммы компенсации, которые Группа с учетом вышеизложенного рекомендовала выплатить заявителям претензий "Е4" десятой партии, указаны в приложении I к настоящему докладу. Основные принципы, которыми руководствовалась Группа при вынесении рекомендаций по таким претензиям, изложены в приложении II к настоящему докладу. Ввиду округления эти суммы могут отличаться от сумм, указанных в форме Е, на 1 кувейтский динар.

Женева, 10 июля 2000 года
