LETTER DATED 26 JULY 1975 FROM THE CHARGE D'AFFAIRES, a.i. OF THE  
PERMANENT MISSION OF CYPRUS TO THE UNITED NATIONS ADDRESSED TO THE  
SECRETARY-GENERAL

It is with deep sorrow that I have the honour to report to Your Excellency and to the members of the Security Council that the inhuman and unlawful expulsions of indigenous Greek Cypriots from their homes and properties in the areas of Cyprus occupied by the Turkish army are continuing systematically. Practically every single day which passes by witnesses additional instances - no less condemnable because they are piecemeal - of such expulsions. Details are provided in the attached annex.

Instead of complying with the unanimously adopted General Assembly and Security Council resolutions which call for the taking of urgent measures for the return of all the refugees to their homes in safety, Turkey blatantly ignores these resolutions and, through the actions of its occupation forces in Cyprus, is daily aggravating the problem by rendering more unfortunate individuals destitute refugees in their own country.

Upon instructions from my Government, I wish to protest these new instances of total disregard for humanitarian and legal values in pursuit of Turkey's political objectives in Cyprus and to appeal to Your Excellency and to the members of the Security Council to do everything possible to arrest and reverse this process.

I would be grateful if this letter were circulated as a document of the Security Council.

(Signed) Andreas J. JACOVIDES  
Chargé d'Affaires a.i.
