LETTER DATED 3 JULY 1975 FROM THE CHARGE D'AFFAIRES, A.I., OF THE
PERMANENT MISSION OF CYPRUS TO THE UNITED NATIONS ADDRESSED TO
THE SECRETARY-GENERAL

I have the honour to bring to Your Excellency's notice new repeated violations of the sovereignty of the Republic of Cyprus by flights of the Turkish Air Force over its territory as follows:

On 2 July 1975 between 0500 and 0530 hours, a Turkish jet fighter violated the air space of the Republic by flying over the township of Polis in the Paphos district, causing great unrest among the population of the said township.

Between 0925 and 0940 hours of the same day, two Turkish jet fighter planes violated the air space of the Republic by flying over Kyrenia, the villages of Syghari, Dikomoni, Mia Milia and the town of Famagusta.

On the same day, at 1730 hours, two Turkish jet fighter planes violated the air space of the Republic by flying over the area north of Paphos with a north-eastern direction. At 1900 hours, one jet fighter flew over the same area.

On behalf of my Government I must lodge yet another strong protest for these repeated aggressive actions of Turkey, which undoubtedly violate the cease-fire agreement.

It is compellingly necessary that urgent and serious consideration should be given to this matter with a view to put an end to such harassment of the civilian population.

I would be grateful if this letter were circulated as a document of the Security Council.
