

REPORT OF THE COMMITTEE ON CONFERENCES

Corrigendum

1. Page 21, paragraph 79, Recommendation 7

For the existing text substitute

The Committee on Conferences recommends that the General Assembly should request the Secretary-General to study the feasibility of establishing further workload standards, in particular for technical and complementary conference servicing staff, and to submit a report thereon, through the Advisory Committee on Administrative and Budgetary Questions, to the Assembly at its thirty-fifth session (see para. 71 above).

2. The present recommendation 7 should read recommendation 8
