Page 13

The existing paragraphs 14 and 15 should be combined as follows:

14. In the context of the Declaration contained in General Assembly resolution 2832 (XXVI), the Indian Ocean as a zone of peace should cover the Indian Ocean itself, its natural extensions, the islands thereon, the ocean floor subjacent thereto, the littoral and hinterland States and the air space above.

The final limits of the Indian Ocean as a zone of peace have yet to be agreed upon.

Pages 14-16

As a result, paragraphs 16 to 23 should be renumbered 15 to 22.
