Financing of the United Nations Interim Force in Lebanon

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Interim Force in Lebanon for the period from 1 July 2001 to 30 June 2002¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²

Bearing in mind Security Council resolution 425 (1978) of 19 March 1978, by which the Council established the United Nations Interim Force in Lebanon, and the subsequent resolutions by which the Council extended the mandate of the Force, the most recent of which was resolution 1365 (2001) of 31 July 2001,

Recalling its resolution S-8/2 of 21 April 1978 on the financing of the Force and its subsequent resolutions thereon, the most recent of which was resolution 55/180 B of 14 June 2001,

Reaffirming its resolutions 51/233 of 13 June 1997, 52/237 of 26 June 1998, 53/227 of 8 June 1999, 54/267 of 15 June 2000, 55/180 A of 19 December 2000 and 55/180 B,

Reaffirming also the general principles underlying the financing of United Nations peacekeeping operations, as stated in General Assembly resolutions 1874

¹ A/56/431 and Corr.1.

² A/56/510 and Corr.1.

(S-IV) of 27 June 1963, 3101 (XXVIII) of 11 December 1973 and 55/235 of 23 December 2000,

Noting with appreciation that voluntary contributions have been made to the Force,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General continues to face difficulties in meeting the obligations of the Force on a current basis, including reimbursement to current and former troop-contributing States,

Concerned also that the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have been used to meet expenses of the Force in order to compensate for the lack of income resulting from non-payment and late payment by Member States of their contributions,

1. *Takes note* of the status of contributions to the United Nations Interim Force in Lebanon as at 15 November 2001, including the contributions outstanding in the amount of 179.4 million United States dollars, representing 4 per cent of the total assessed contributions from the inception of the Force up to the period ending 31 December 2001, notes that some 15.5 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure payment of their outstanding assessed contributions;

2. *Expresses its appreciation* to those Member States that have paid their assessed contributions in full and on time, and urges all other Member States to make every possible effort to ensure payment of their assessed contributions to the Force in full and on time;

3. *Expresses its deep concern* that Israel did not comply with its resolutions 51/233, 52/237, 53/227, 54/267, 55/180 A and 55/180 B;

4. *Stresses once again* that Israel should strictly abide by General Assembly resolutions 51/233, 52/237, 53/227, 54/267, 55/180 A and 55/180 B;

5. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

6. *Also expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

7. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

8. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

9. *Reiterates its request* to the Secretary-General to make the fullest possible use of facilities and equipment at the United Nations Logistics Base at Brindisi, Italy, in order to minimize the costs of procurement for the Force;

10. *Takes note* of paragraph 11 of, and endorses the remaining conclusions and recommendations contained in, the report of the Advisory Committee on Administrative and Budgetary Questions,² and requests the Secretary-General to ensure full implementation;

11. *Requests* the Secretary-General to take all necessary action to ensure that the Force is administered with a maximum of efficiency and economy;

12. *Also requests* the Secretary-General, in order to reduce the cost of employing General Service staff, to continue efforts to recruit local staff for the Force against General Service posts, commensurate with the requirements of the Force;

13. *Reiterates its request* to the Secretary-General to take the necessary measures to ensure the full implementation of paragraph 8 of its resolution 51/233, paragraph 5 of its resolution 52/237, paragraph 11 of its resolution 53/227, paragraph 14 of its resolution 54/267, paragraph 14 of its resolution 55/180 A and paragraph 15 of its resolution 55/180 B, stresses once again that Israel shall pay the amount of 1,284,633 dollars resulting from the incident at Qana on 18 April 1996, and requests the Secretary-General to report on this matter to the Assembly at its resumed fifty-sixth session;

14. *Decides* to appropriate the amount of 137,257,440 dollars gross (133,375,991 dollars net) for the maintenance of the Force for the twelve-month period from 1 July 2001 to 30 June 2002, inclusive of the amount of 642,540 dollars gross (594,091 dollars net) for the support account for peacekeeping operations, in addition to the amount of 6,021,721 dollars gross (5,284,652 dollars net) already appropriated for the support account for peacekeeping operations and the amount of 629,045 dollars gross (564,879 dollars net) already appropriated for the United Nations Logistics Base in its resolution 55/180 B, and inclusive of the amount of 99,548,960 dollars gross (97,558,500 dollars net) authorized in its resolution 55/180 B;

16. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 15 above, their respective share in the Tax Equalization Fund of the estimated additional staff assessment income of 355,539 dollars approved for the Force for the period from 1 to 31 January 2002;
