I. INTRODUCTION

1. At its 1st and 2nd meetings, on 19 September 1979, the General Committee considered a memorandum by the Secretary-General relating to the organization of the thirty-fourth regular session of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/34/1). A summary of the discussion will appear in the summary records of the meetings (A/BUR/34/SR.1 and 2).

II. ORGANIZATION OF THE SESSION

A. Work of the General Committee

2. At the suggestion of the Secretary-General (A/BUR/34/1, para. 4), it is recommended that:

(a) The General Committee should, at the outset of each session, consider how the work of the session can best be rationalized;

(b) The General Committee should also meet periodically throughout the session to review the progress of work and to make recommendations to the General Assembly on the general programme of the session and on measures aimed at improving its work.

B. Schedule of meetings

3. On the proposal of the Secretary-General (A/BUR/34/1, para. 5), the General Committee recommends to the General Assembly that both plenary and committee meetings should begin at 10.30 a.m. and 3 p.m. and that, in order to expedite the work of the Assembly, all meetings should begin promptly at the scheduled time.

C. General debate

4. At the suggestion of the Secretary-General (A/BUR/34/1, paras. 6 and 7), the General Committee recommends to the General Assembly that:

(a) The general debate should begin on Monday, 24 September and end on Friday, 12 October 1979;

(b) The list of speakers wishing to take part in the general debate should be closed on Wednesday, 26 September, at 6 p.m.;

(c) Out of consideration for the other speakers and in order to preserve the dignity of the general debate, delegations should refrain from expressing their congratulations in the General Assembly Hall after a speech has been delivered.

D. Explanations of vote

5. Taking into consideration the suggestions of the Secretary-General (A/BUR/34/1, para. 8), the General Committee recommends to the General Assembly that:

(a) Explanations of vote should be limited to 10 minutes;

(b) When the same draft resolution is considered in a Main Committee and in the plenary, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in the plenary unless that delegation's vote in the plenary is different from its vote in the Committee.

E. Right of reply

6. At the suggestion of the Secretary-General (A/BUR/34/1, paras. 9 and 10), the General Committee recommends to the General Assembly that:

(a) Delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item;

(b) The number of interventions in the exercise of the right of reply for any delegation at a given meeting should be limited to two per item;

(c) The first intervention in the exercise of the right of reply for any delegation on any item at a given meeting should be limited to 10 minutes and the second intervention should be limited to five minutes.

F. Closing date of the session

7. At the suggestion of the Secretary-General (A/BUR/34/1, para. 11), the General Committee proposes to the General Assembly, in accordance with rule 2 of the rules of procedure, that the closing date of the thirty-fourth session should be Tuesday, 18 December 1979.

G. Records of the Main Committees

8. As pointed out by the Secretary-General (A/BUR/34/1, para. 12), rule 58 of the rules of procedure stipulates that the First Committee shall be provided with verbatim records and that no organ of the General Assembly shall have both verbatim and summary records. The General Committee therefore recommends that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In this connexion, the General Committee also recommends to the General Assembly that the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions

/...

thereof, should be maintained for the thirty-fourth session. Furthermore, the General Committee wishes to draw the General Assembly's attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969, which reads as follows:

"Speeches or statements by representatives, by the Secretary-General or his representative, or by persons presenting reports on behalf of committees or other bodies, may be reproduced in extenso in summary records or as official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

H. Seating arrangements

9. The General Committee took note of the seating arrangements to be observed in the plenary and in the Main Committees (A/BUR/34/1, para. 13).

I. Meetings of the Main Committees

10. At the suggestion of the Secretary-General (A/BUR/34/1, para. 14), the General Committee recommends to the General Assembly that, the Main Committees which require the largest number of meetings should be encouraged to hold more meetings early in the session in order to ensure a better distribution of meetings over the whole session.

J. Non-utilization of the rostrum

11. On the suggestion of the Secretary-General (A/BUR/34/1, para. 15), the General Committee recommends to the General Assembly that explanations of vote, interventions in the exercise of the right of reply and procedural motions should be made by delegations from their seats.

K. Budgetary and financial questions

12. At the suggestion of the Secretary-General (A/BUR/34/1, para. 16), the General Committee would like to draw the attention of the General Assembly to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

/...

In this connexion, the General Committee recommends that the General Assembly should draw the attention of the Main Committees to the imperative need for allowing sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee and to the advisability of taking this requirement into account when they adopt their programme of work.

13. Furthermore, on the proposal of the Secretary-General (A/BUR/34/1, para. 17), the General Committee recommends to the General Assembly that:

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, \$25,000 on any one item;

(c) Firm deadlines should be set for the early submission of the reports of subsidiary bodies which require consideration by the Fifth Committee;

(d) A minimum period of 48 hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications.

L. Reports of the Main Committees

14. At the suggestion of the Secretary-General (A/BUR/34/1, para. 18), the General Committee recommends that the General Assembly should draw the attention of the Main Committees to Assembly resolution 2292 (XXII), whereby the reports of the Main Committees should be as concise as possible and, save in exceptional cases, should not contain a summary of the debates.

15. Furthermore, on the proposal of the Secretary-General (A/BUR/34/1, para. 19), the General Committee recommends to the General Assembly that the practice of dealing with Second Committee items in the plenary whereby it is stated that the positions of delegations regarding draft resolutions recommended by the Second Committee have been made clear in the Committee and are reflected in the relevant official records should be extended to items from other committees.

M. Balloting procedure

16. At the suggestion of the Secretary-General (A/BUR/34/1, para. 20), the General Committee recommends to the General Assembly that the practice of

dispensing with the secret ballot for elections to subsidiary organs when the number of candidates corresponds to the number of seats to be filled should become standard and the same practice should apply to the election of the President and Vice-Presidents of the General Assembly, unless a delegation specifically requests a vote on a given election.

III. ADOPTION OF THE AGENDA
