37. During a second week, from 21 to 25 May 2001, the open-ended informal consultations of the plenary shall focus on the draft declaration of commitment.

55/284. 2001–2010: Decade to Roll Back Malaria in Developing Countries, Particularly in Africa

The General Assembly,

Recalling its resolutions 49/135 of 19 December 1994 and 50/128 of 20 December 1995 concerning the struggle against malaria in the developing countries, particularly in Africa,

Bearing in mind the relevant resolutions of the Economic and Social Council relating to the struggle against malaria and diarrhoeal diseases, in particular its resolution 1998/36 of 30 July 1998,

Acknowledging that it is important and necessary for countries where malaria is endemic to adopt appropriate strategies to combat malaria, one of the most deadly of all tropical diseases, which annually causes approximately one million deaths in Africa, where nine out of every ten cases of malaria occur,

Taking note of the declarations and decisions on health issues adopted by the Organization of African Unity, in particular the declaration and plan of action on the "Roll Back Malaria" initiative adopted at the Extraordinary Summit of Heads of State and Government of the Organization of African Unity, held in Abuja on 24 and 25 April 2000,³⁵ as well as decision AHG/Dec.155 (XXXVI) concerning the implementation of that declaration and plan of action, adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its thirty-sixth ordinary session, held in Lomé from 10 to 12 July 2000,³⁶

Acknowledging the efforts of the World Health Organization and other partners to fight malaria over the years, including the launching of the Roll Back Malaria Partnership in 1998,

Recognizing that malaria-related ill health and deaths throughout the world can be eliminated with political commitment and commensurate resources if the public is educated and

sensitized about malaria and appropriate health services are made available in countries where the disease is endemic,

Emphasizing that the international community has an essential role to play in strengthening the support and assistance provided to developing countries, particularly African countries, in their efforts to reduce the incidence of malaria and mitigate its negative effects,

Emphasizing also the importance of implementing the United Nations Millennium Declaration,³⁷ and welcoming, in this connection, the commitments of Member States to respond to the specific needs of Africa,

1. *Proclaims* the period 2001–2010 the Decade to Roll Back Malaria in Developing Countries, Particularly in Africa;

2. *Takes note with satisfaction* of the continuing efforts of developing countries, particularly those in African countries, to combat malaria through the formulation of plans and strategies at the national, regional and continental levels, despite their limited financial, technical and human resources;

3. *Stresses* that the proclamation of the Decade will stimulate the efforts of African countries and the international community not only to roll back malaria worldwide, in particular in Africa where the burden is heaviest, but also to prevent its spread to previously malaria-free areas;

4. *Appeals* to the international community, United Nations bodies, international and regional organizations and non-governmental organizations to allocate substantial new and additional resources, including through the new global fund to fight HIV/AIDS, malaria and tuberculosis, launched by the Group of Eight Major Industrialized Countries at its Genoa Summit, held from 20 to 22 July 2001, and by the Secretary-General, for developing countries, particularly in Africa, with a view to enabling them to implement fully the plan of action adopted in Abuja for the "Roll Back Malaria" initiative;³⁵

5. *Commends* the World Health Organization and its partners, and urges them to provide the necessary support for its ongoing measures to combat malaria in developing countries, particularly in Africa, and to provide the assistance necessary for African States to meet their objectives;

6. *Calls* for joint comprehensive efforts between Africa and the international community to ensure that by 2005 the following targets are achieved:

(a) At least 60 per cent of those at risk for malaria, particularly pregnant women and children under five years of age, shall benefit from the most suitable combination of personal and community protective measures, such as insecticide-treated bednets and other interventions that are accessible and affordable, to prevent infection and suffering;

³⁵ See A/55/240/Add.1.

³⁶ See A/55/286, annex II.

³⁷ See resolution 55/2.

I. Resolutions adopted without reference to a Main Committee

(b) At least 60 per cent of all pregnant women who are at risk for malaria, especially those in their first pregnancies, shall have access to chemoprophylaxis or presumptive intermittent treatment;

(c) At least 60 per cent of those suffering from malaria shall have prompt access to and shall be able to use correct, affordable and appropriate treatment within twenty-four hours of the onset of symptoms;

7. *Reiterates* the need to ensure that measures to reduce malaria transmission risks, including environmental management, are included in development planning and activities;

8. *Requests* the Secretary-General, acting in close collaboration with the Director-General of the World Health Organization, developing countries and regional organizations, including the Organization of African Unity, to conduct in 2005 an evaluation of the measures taken and progress made towards the achievement of the mid-term targets, the means of implementation provided by the international community in this regard and the overall goals of the Decade, and to report thereon to the General Assembly at its sixtieth session;

9. *Also requests* the Secretary-General to report to it at its fifty-seventh session on the implementation of the present resolution.

55/180. Financing of the United Nations Interim Force in Lebanon

B²

The General Assembly,

Having considered the reports of the Secretary-General on the financing of the United Nations Interim Force in Lebanon³ and the related reports of the Advisory Committee on Administrative and Budgetary Questions,⁴

Bearing in mind Security Council resolution 425 (1978) of 19 March 1978, by which the Council established the United Nations Interim Force in Lebanon, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 1337 (2001) of 30 January 2001,

Recalling its resolutions S-8/2 of 21 April 1978 on the financing of the Force and its subsequent resolutions thereon, the latest of which was resolution 55/180 A of 19 December 2000,

Reaffirming its resolutions 51/233 of 13 June 1997, 52/237 of 26 June 1998, 53/227 of 8 June 1999, 54/267 of 15 June 2000 and 55/180 A,

Reaffirming also the general principles underlying the financing of United Nations peacekeeping operations, as stated in General Assembly resolutions 1874 (S-IV) of 27 June 1963, 3101 (XXVIII) of 11 December 1973 and 55/235 of 23 December 2000,

Noting with appreciation that voluntary contributions have been made to the Force,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General continues to face difficulties in meeting the obligations of the Force on a current basis, including reimbursement to current and former troop-contributing States,

Concerned also that the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have been used to meet expenses of the Force in order to compensate for the lack of income resulting from non-payment and late payment by Member States of their contributions,

1. *Reaffirms* its resolution 49/233 A of 23 December 1994, in particular those paragraphs regarding the peacekeeping budgetary cycles, which should be adhered to in the future budgetary process, where possible;

2. *Expresses its deep concern* that Israel did not comply with its resolutions 51/233, 52/237, 53/227, 54/267 and 55/180 A;

3. *Stresses once again* that Israel should strictly abide by its resolutions 51/233, 52/237, 53/227, 54/267 and 55/180 A;

4. *Takes note* of the status of contributions to the United Nations Interim Force in Lebanon as at 30 April 2001, including the contributions outstanding in the amount of 124.5 million United States dollars, representing 3.9 per cent of the total assessed contributions from the inception of the Force to the period ending 31 January 2001, notes that some 20 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure payment of their outstanding assessed contributions;

5. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

6. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

¹ The draft resolution recommended in the report was sponsored in the Committee by the Islamic Republic of Iran (on behalf of the States Members of the United Nations that are members of the Group of 77 and China).

² Consequently, resolution 55/180, in section VI of the *Official Records of the General Assembly, Fifty-fifth Session, Supplement No. 49* and corrigendum (A/55/49 and A/55/49 (Vol. I) Corr.1), becomes resolution 55/180 A.

13. *Requests* the Secretary-General to take all necessary action to ensure that the Force is administered with a maximum of efficiency and economy;

15. *Reiterates its request* to the Secretary-General to take the necessary measures to ensure the full implementation of paragraph 8 of General Assembly resolution 51/233, paragraph 5 of its resolution 52/237, paragraph 11 of its resolution 53/227, paragraph 14 of its resolution 54/267 and paragraph 14 of its resolution 55/180 A, stresses once again that Israel shall pay the amount of 1,284,633 dollars resulting from the incident at Qana on 18 April 1996, and requests the Secretary-General to report on this matter to the Assembly during the main part of its fifty-sixth session;

3. *Affirms* the importance of conducting peacekeeping operations with the maximum of efficiency and effectiveness and the need to minimize delays in processing reimbursements to troop- and equipment-contributing countries;

4. *Recognizes* the fact that delay and uncertainty in reimbursements to troop-contributing countries of troop and contingent-owned equipment costs adversely impact on the ability of current and potential troop-contributing countries to participate effectively in United Nations peacekeeping operations, and in this context emphasizes the need for all Member States to pay their assessed contributions to all peacekeeping operations in full, on time and without preconditions;

6. *Notes* that the evaluation and standardization of United Nations peacekeeping training are currently being developed by the Secretariat in consultation with troop-contributing countries, and requests the Secretary-General to submit a report on this important issue to the General Assembly at its fifty-sixth session, through the Special Committee on Peacekeeping Operations, for approval of these standards;

(a) Troops, formed civilian police units and staff officers serving in United Nations peacekeeping operations shall be reimbursed on an equal basis for identical services;

(b) Reimbursement for troop costs shall take into consideration, inter alia, general principles such as simplicity, equity, transparency, comprehensiveness, portability, financial control and audit and confirmed delivery of specified services, all of which shall be built into the agreements entered into by the United Nations with the participating States;

(c) The data for this survey shall identify the common and essential additional costs from existing troop levels related to personnel that are incurred by troop-contributing countries due to their participation in United Nations peacekeeping operations, including the establishment of a standard vaccination package and identification of mission-specific vaccines and mission-specific medical and biochemical examinations, using the data available

from the World Health Organization and the United Nations Children's Fund, that could be liable for reimbursement;

(d) The methodology shall ensure that no double payment is made with respect to reimbursement between the various levels of self-sustainment, components of troop costs and any other allowances;

9. *Decides* that a future standard rate of reimbursement for troop costs should be based on new survey data that is representative of the costs incurred by around 60 per cent of countries that have contributed troops to peacekeeping operations;

10. *Decides also*, on an interim and ad hoc basis, to increase the standard rate of reimbursement for troop costs to troop-contributing countries by 2 per cent, effective 1 July 2001;

11. *Decides further* that an additional 2 per cent increase, on an interim and ad hoc basis, will be effective as of 1 January 2002, bringing the total increase of the current rate of reimbursement for troop costs to 4 per cent;

12. *Requests* the Secretary-General to review the practical aspects of the wet-lease, dry-lease and self-sustainment arrangements, including the effectiveness of the contingent-owned equipment procedures to ascertain the capacity of troop-contributing countries to meet the requirements for wet-lease and self-sustainment provisions of the contingent-owned equipment arrangements and the need to ensure the effectiveness of peacekeeping operations, including through a consistent implementation of the standards set out in the contingent-owned equipment manual, and to report thereon to the General Assembly at its fifty-sixth session;

13. *Stresses* the need for the Secretariat to meet its obligations, in full, as agreed upon in the memoranda of understanding, in a timely manner, so as to ensure operational effectiveness of the troops in United Nations peacekeeping operations;

14. *Takes note* of the views of the Secretariat regarding the possibility of reviewing, subject to future experience, the procedures for settlement of liability for damages for major equipment used by one country and owned by another country, and decides that the liability for damage to major equipment used by one country and owned by another country should be based on the relevant provisions of their memoranda of understanding in accordance with the applicable rules and regulations of the United Nations;

15. *Requests* the Secretary-General to convene in 2004 an open-ended working group of experts, for a period of no less than ten working days, to hold a triennial review of reimbursement rates for contingent-owned equipment and self-sustainment, including medical services;

16. *Decides* to keep this matter under review at its fifty-sixth session.
