Fifty-sixth session Fifth Committee

Agenda item 139 (a)

Financing of the activities arising from Security Council resolution 687 (1991): United Nations Iraq-Kuwait

**Observation Mission** 

## Implementation of General Assembly resolution 56/297 on the financing of the United Nations Iraq-Kuwait Observation Mission

## Note by the Secretary-General

- 1. This note is issued for information on the implementation of General Assembly resolution 56/297 of 27 June 2002, which provides for the financing of the United Nations Iraq-Kuwait Observation Mission (UNIKOM) for the periods from 1 July 2000 to 30 June 2001 and from 1 July 2002 to 30 June 2003, and takes into account the voluntary contributions from the Government of Kuwait to the Mission.
- 2. In previous resolutions wherein financial resources were provided in gross and net amounts, the voluntary contribution of two thirds of the appropriation from the Government of Kuwait was calculated on the basis of the net appropriation. Accordingly, as voluntary contributions are not subject to staff assessment, the totality of estimated income from staff assessment was credited among Member States. However, in the revision of the format of peacekeeping resolutions for the resumed fifty-sixth session, which omits references to net amounts, the treatment and calculation of voluntary contributions from the Government of Kuwait was made in error.
- 3. Consequently, in accordance with past practice that voluntary contributions are calculated on a net basis, the financing of UNIKOM will be implemented in accordance with the revised operative paragraphs 15 to 21 of Assembly resolution 56/297, as contained in the annex to the present note.
