REPORT BY THE SECRETARY-GENERAL TO THE PRESIDENT OF THE SECURITY COUNCIL
CONCERNING THE CREDENTIALS OF THE MEXICAN REPRESENTATIVE ON THE
SECURITY COUNCIL

Pursuant to Rule 15 of the Provisional Rules of Procedure of the Security Council, I wish to report that on 15 May 1946 I received a telegram signed by Mr. Francisco Castillo Najera, Secretary for Foreign Affairs of Mexico. This telegram stated that on 16 May Ambassador Luis Padilla Nervo would resume his duties as Mexican Delegate to the Security Council.

In my opinion, this telegram constitutes adequate provisional credentials. I have requested that a formal letter from the Mexican Secretary for Foreign Affairs, confirming the above appointment, be forwarded as soon as possible.

TRIGVE LIE
Secretary-General
