COMMISSION DES DROITS DE L'HOMME

Cinquante-neuvième session

Point 8 de l'ordre du jour provisoire

QUESTION DE LA VIOLATION DES DROITS DE L'HOMME DANS  
LES TERRITOIRES ARABES OCCUPÉS, Y COMPRIS LA PALESTINE

Lettre datée du 19 août 2002, adressée à la Haut-Commissaire des Nations Unies  
aux droits de l'homme par l'Observateur permanent de la Palestine  
auprès de l'Office des Nations Unies à Genève

Vous trouverez ci-joint pour information des mémorandums publiés par l'Autorité nationale palestinienne sur les agressions quotidiennes commises – du dimanche 11 au dimanche 18 août 2002 – par Israël à l'encontre du peuple palestinien dans les territoires palestiniens occupés, agressions qui constituent autant de violations des droits de l'homme et des violations graves qualifiées en vertu du droit international humanitaire de crimes de guerre et de crimes contre l'humanité, en particulier les assassinats délibérés continus, les démolitions de maisons, le siège des villes, des villages et des camps palestiniens, les châtiments collectifs, les restrictions draconiennes aux déplacements des Palestiniens et un couvre-feu étouffant, qui, manifestement, met en danger la vie de milliers de civils palestiniens auxquels est dénié l'accès à la nourriture, à l'eau, aux médicaments et même aux hôpitaux lorsqu'ils ont besoin de soins d'urgence.

À cet égard, le Ministère palestinien de la santé a lancé il y a deux jours aux organisations humanitaires mondiales un appel dans lequel il a souligné que, par suite de ces pratiques israéliennes, la société palestinienne sur la Rive occidentale et la bande de Gaza est sous la menace d'une véritable catastrophe humanitaire dès lors que de nombreux Palestiniens souffrent d'anémie par manque de nourriture et que des épidémies sévissent sur une large échelle au sein de la population, en particulier parmi les enfants, en raison du manque de médicaments et de vaccins.

Je vous serais très obligé de bien vouloir faire distribuer le texte de la présente lettre et de son annexe\* aux membres de la Commission des droits de l'homme, en tant que document officiel de la cinquante-neuvième session de la Commission.

Observateur permanent
