**INFORMATION CIRCULAR No. 45**

**Subject: "Children Walking for Children"**

1. The United Nations Women's Guild is organizing an event entitled "Children Walking for Children" on Thursday, 26 September 2002, in the grounds of the Palais des Nations for the purpose of collecting funds to finance various projects to assist needy children throughout the world. The event will have two parts:

**Visit by children from the International School**

Some 70 children from the International School and their teachers will gather in the Allée des Nations at 11 a.m.

**Children's walk**

The walk itself, in which about 400 children from various schools in Geneva will take part together with those from the International School, will take place from 1.30 p.m. to 5 p.m. The children will walk along a designated route around the old building and earn 5 francs for every kilometre they cover. Staff members who wish to help ensure the success of the walk are invited to sponsor a child. Additional information is available from the Women's Guild on extension 73386.

2. Because so many children will be present that day, staff members who are driving within the Palais grounds are requested to be as careful as possible.
