COMMISSION DES DROITS DE L'HOMME
Cinquante-neuvième session
Point 8 de l'ordre du jour provisoire

QUESTION DE LA VIOLATION DES DROITS DE L'HOMME DANS LES
TERRITOIRES ARABES OCCUPÉS, Y COMPRIS LA PALESTINE

Lettre datée du 26 août 2002, adressée à la Haut-Commissaire des Nations Unies
aux droits de l'homme par l'Observateur permanent de la Palestine
auprès de l'Office des Nations Unies à Genève

Comme suite à notre note datée du 19 août 2002, vous trouverez ci-joint des mémorandums publiés par l'Autorité nationale palestinienne sur les agressions quotidiennes commises au cours de la période allant du dimanche 18 au dimanche 25 août 2002 par Israël à l'encontre du peuple palestinien dans les territoires palestiniens occupés, agressions qui constituent autant de violations des droits de l'homme et des violations graves qualifiées en vertu du droit international humanitaire de crimes de guerre et de crimes contre l'humanité, en particulier les assassinats délibérés continus, les exécutions extrajudiciaires, les démolitions de maisons, le siège des villes et des villages des camps palestiniens, les châtiments collectifs, les restrictions draconiennes aux déplacements des Palestiniens et un couvre-feu étouffant, qui, manifestement, met en danger la vie de milliers de civils palestiniens auxquels est dénié l'accès à la nourriture, à l'eau, aux médicaments et même aux hôpitaux lorsqu'ils ont besoin de soins d'urgence.

Je vous serais très obligé de bien vouloir faire distribuer le texte de la présente lettre ainsi que de son annexe* aux membres de la Commission des droits de l'homme, en tant que document officiel de la cinquante-neuvième session de la Commission.
