CABLE DATED 8 NOVEMBER 1950 FROM THE SECRETARY-GENERAL TO THE MINISTER FOR FOREIGN AFFAIRS OF THE CENTRAL PEOPLE'S GOVERNMENT OF THE PEOPLES REPUBLIC OF CHINA, AND CABLED REPLY DATED 11 NOVEMBER 1950 ADDRESSED TO THE SECRETARY-GENERAL FOR THE PRESIDENT OF THE SECURITY COUNCIL, IN CONNECTION WITH THE RESOLUTION ADOPTED BY THE SECURITY COUNCIL AT ITS 520TH MEETING, HELD ON 8 NOVEMBER 1950

- I -

Have honour to inform you that Security Council, at 520th meeting held 8 November 1950, adopted following resolution:

"The Security Council

Decides to invite, in accordance with rule 39 of the rules of procedure, a representative of the Central People's Government of the People's Republic of China to be present during discussion by the Council of the Special Report of the United Nations Command in Korea." (S/1884).

The Council expresses its hope that your representative can proceed without delay. Would you be kind enough inform me name of your Government's representative and earliest date which he can arrive Iake Success.

Secretary-General

- II -

I have the honour to acknowledge receipt of Mr. Trygve Lie's cable 36.

In the name of the Central People's Government of the People's Republic of China I make the following statement to the United Nations Security Council: We cannot accept the invitation decided upon by the 520th meeting of the Security Council on November 8, 1950, because according to the contents of the resolution, this invitation deprives the representative of the Central People's Government of the People's Republic of China of the right to discuss in the Security Council the most pressing question to the Chinese people, namely the question of armed intervention in Korea and aggression against China by the United States Government, and limits the right of the Chinese Representative to the discussion of the special report of the so-called United Nations Command which was

engendered illegally by the Security Council under manipulation of the United States during the absence of the two permanent members, the Soviet Union and the People's Republic of China, and whose report is therefore not only one-sided and malicious, but also unlawful, and absolutely cannot be taken as basis for discussion.

In the name of the Central People's Government of the People's Republic of China I hereby propose to the United Nations Security Council, that in view of the gravity of the two questions of armed intervention in Korea and aggression against China's Taiwan by the United States Government, and in view of the fact that the two questions are closely related, it would be most proper that the Security Council combine the discussion of the accusation raised by the Central People's Government of the People's Republic of China against armed aggression on Taiwan by the United States Government and the discussion of the question of armed intervention in Korea by the United States Government, so that the representative of the People's Republic of China when attending the meetings of the Security Council to discuss the "Complaint against armed aggression on Taiwan", may raise at the same time the accusation against armed intervention in Korea by the United States Government.

Minister for Foreign Affairs of The
Central People's Government of the
People's Republic of China
