I. Recommended awards for the twenty-fourth instalment of "E4" claims - reported by UNSEQ and UNCC claim number and claimant name.....	18
II. Recommended awards for the twenty-fourth instalment of "E4" claims - reported by claimant name and category of loss	26

INTRODUCCIÓN

1. En su 24º período de sesiones, celebrado los días 23 y 24 de junio de 1997, el Consejo de Administración de la Comisión de Indemnización de las Naciones Unidas (la "Comisión") nombró para integrar el primer Grupo de Comisionados (el "Grupo") encargado de examinar las reclamaciones de la categoría "E4" a los Sres. Robert R. Briner (Presidente), Alan J. Cleary y Lim Tian Huat. Se trata de reclamaciones de sociedades del sector privado y entidades kuwaitíes, con exclusión del sector petrolero y las relativas a daños al medio ambiente, con derecho a pedir indemnización mediante los "formularios para las reclamaciones dimanantes de sociedades u otras entidades" ("formulario E").
2. La 24ª serie, integrada por 151 reclamaciones "E4", fue presentada al Grupo el 31 de enero de 2002, de conformidad con el artículo 32 de las Normas provisionales relativas al procedimiento de tramitación de las reclamaciones (S/AC.26/1992/10) (las "Normas").
3. De conformidad con el artículo 38 de las Normas, el presente informe contiene las recomendaciones del Grupo al Consejo de Administración acerca de la 24ª serie de reclamaciones.

I. EXAMEN GENERAL DE LAS RECLAMACIONES DE LA 24ª SERIE

4. Las reclamaciones de la 24ª serie se eligieron entre unas 2.750 reclamaciones "E4" sobre la base de distintos criterios, entre otros, la magnitud, cuantía y complejidad de las reclamaciones, las cuestiones de hecho, de derecho y de valoración que planteaban y la fecha en que se presentaron a la Comisión.
5. En las reclamaciones de la 24ª serie se imputan pérdidas por un total de 58.629.193 dinares kuwaitíes (KD) (unos 202.869.180 dólares de los EE.UU.). Los reclamantes también piden intereses por un total de 2.114.618 KD (unos 7.317.017 dólares de los EE.UU.) y el pago de los costos de preparación de las reclamaciones por un total de 236.720 KD (unos 819.100 dólares de los EE.UU.)¹.
6. Habida cuenta de la índole de las cuestiones de hecho y de derecho planteadas en cada reclamación y el volumen de documentación aportada para sustanciar las pérdidas reclamadas, el Grupo ha podido terminar su verificación de las reclamaciones en el plazo de 180 días a partir de la fecha en que se le presentaron las reclamaciones de la 24ª serie.
7. Todos los reclamantes de la 24ª serie desarrollaban actividades en Kuwait antes de la invasión y ocupación de ese país por el Iraq. Algunos de los reclamantes realizaban operaciones mercantiles que abarcaban diversos productos, mientras que otros se dedicaban a las manufacturas, la construcción y los servicios.
8. Los dos tipos de pérdida que los reclamantes de esta serie alegan con más frecuencia son la pérdida de bienes materiales (principalmente existencias, mobiliario, accesorios, equipo y vehículos) y el lucro cesante. Los reclamantes también han pedido indemnización por deudas

incobrables, costos de reanudación de la actividad empresarial, intereses y costos de preparación de las reclamaciones, así como "otras pérdidas".

II. ACTUACIONES

9. Antes de que se presentaran al Grupo las reclamaciones de la 24ª serie, la Secretaría de la Comisión efectuó una evaluación preliminar de las reclamaciones de conformidad con las Normas. Ese examen se describe en el párrafo 11 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E4"" (S/AC.26/1999/4) (el "primer informe "E4""). Los resultados de este examen se introdujeron en una base de datos centralizada que mantiene la Secretaría (la "base de datos de las reclamaciones").

10. Inicialmente, 22 reclamaciones adolecían de defectos formales, por lo que, de conformidad con el artículo 15 de las Normas, la Secretaría envió notificaciones a los reclamantes. Éstos subsanaron todos los defectos formales.

11. Se llevó a cabo un examen sustantivo de las reclamaciones con el fin de determinar las cuestiones de derecho, de hecho y de valoración importantes. Los resultados del examen, incluidas las cuestiones que se consideraron importantes, se registraron en la base de datos de las reclamaciones.

12. El Secretario Ejecutivo de la Comisión presentó los informes Nos. 29, 30, 31, 32, 33, 34, 35 y 37, de 28 de octubre de 1999, 17 de febrero de 2000, 28 de abril de 2000, 6 de julio de 2000, 6 de octubre de 2000, 10 de enero de 2001, 12 de abril de 2001 y 18 de octubre de 2001, respectivamente, al Consejo de Administración, a los gobiernos reclamantes y al Gobierno del Iraq, de conformidad con el artículo 16 de las Normas. Los informes abarcaban, entre otras cosas, la 24ª serie de reclamaciones "E4" y en ellos se presentaban importantes cuestiones de hecho y de derecho observadas en esas reclamaciones. Algunos gobiernos, entre ellos el Gobierno del Iraq, presentaron información y opiniones adicionales en respuesta a los informes preparados por el Secretario Ejecutivo de conformidad con el artículo 16.

13. Al terminar a) la evaluación preliminar; b) el examen sustantivo; y c) la presentación de informes con arreglo al artículo 16, se pusieron a disposición del Grupo los siguientes documentos, que el Grupo tuvo en cuenta:

- a) Documentos de las reclamaciones presentadas por los reclamantes;
- b) Informes preliminares de evaluación preparados de conformidad con el artículo 14 de las Normas;
- c) Información y opiniones de los gobiernos, incluido el del Iraq, recibidas en respuesta a los informes previstos en el artículo 16; y
- d) Otras informaciones consideradas útiles para la labor del Grupo con arreglo al artículo 32 de las Normas.

14. Por las razones que se exponen en el párrafo 17 del primer informe "E4", el Grupo contrató los servicios de una empresa de contabilidad y de una empresa de liquidación de pérdidas. El Grupo encargó a los consultores expertos que examinaran cada reclamación de la 24ª serie de conformidad con los métodos de verificación y valoración elaborados por el Grupo y pidió a los consultores expertos que le presentaran un informe detallado sobre cada reclamación, junto con un resumen de sus conclusiones.

15. En virtud de su providencia de trámite de fecha 31 de enero de 2002, el Grupo comunicó su intención de terminar su examen de las reclamaciones de la 24ª serie y presentar su informe y sus recomendaciones al Consejo de Administración en el plazo de 180 días a partir de esa fecha. Esa providencia de trámite se remitió al Gobierno del Iraq y al Gobierno de Kuwait.

16. De conformidad con el artículo 34 de las Normas, se pidió a los reclamantes información y pruebas adicionales para ayudar al Grupo en su examen de las reclamaciones. Cuando los reclamantes no pudieron presentar las pruebas solicitadas se les pidió que expusieran las razones por las que no habían podido hacerlo. Todas las peticiones de información y de pruebas adicionales se enviaron por conducto de la Autoridad Pública de Kuwait para la evaluación de las indemnizaciones por daños resultantes de la agresión iraquí ("PAAC"). Las peticiones se hicieron en relación con todas las reclamaciones "E4" y no sólo sobre las reclamaciones de la 24ª serie.

17. Las peticiones de información y de pruebas adicionales se han descrito en informes anteriores de esta categoría, por ejemplo en los párrafos 21 a 26 del "Informe y recomendaciones del Grupo de Comisionados acerca de la segunda serie de reclamaciones "E4"" (S/AC.26/1999/17) (el "segundo informe "E4"") y en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la sexta serie de reclamaciones "E4"" (S/AC.26/2000/8) (el "sexto informe "E4""). En el presente informe no se vuelven a indicar esas peticiones de información.

18. Se llevó a cabo una nueva verificación para determinar si ciertos reclamantes relacionados entre sí habían presentado reclamaciones por duplicado. Ese examen se describe en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E4"" (S/AC.26/1999/18) (el "cuarto informe "E4"").

19. La 24ª serie de reclamaciones comprende cinco reclamaciones que el Grupo había aplazado en series anteriores de reclamaciones "E4" debido a posibles duplicaciones con reclamaciones individuales por pérdidas comerciales. Una reclamación se había aplazado en la 8ª serie, tres reclamaciones en la 12ª serie y una reclamación en la 20ª serie. La explicación del aplazamiento de estas reclamaciones se describe en los párrafos 20 a 22 del "Informe y recomendaciones del Grupo de Comisionados acerca de la octava serie de reclamaciones "E4"" (S/AC.26/2000/21), en los párrafos 19 a 21 del "Informe y recomendaciones del Grupo de Comisionados acerca de la 12ª serie de reclamaciones "E4"" (S/AC.26/2001/4) y en el párrafo 19 del "Informe y recomendaciones del Grupo de Comisionados acerca de la 20ª serie de reclamaciones "E4"" (S/AC.26/2002/5) (el "20º informe "E4""). Posteriormente, el Grupo llegó a la conclusión de que las reclamaciones en cuestión en realidad no eran duplicaciones de

reclamaciones individuales por pérdidas comerciales. Por consiguiente, las reclamaciones se han incluido en la 24ª serie para que sean examinadas.

20. Sobre la base del examen de los documentos presentados y de la información adicional obtenida, el Grupo llegó a la conclusión de que las cuestiones planteadas por las reclamaciones de la 24ª serie se habían sustanciado adecuadamente, lo que hacía innecesaria cualquier actuación oral para ayudar al Grupo en su examen de las reclamaciones.

III. MARCO JURÍDICO Y MÉTODOS DE VERIFICACIÓN Y VALORACIÓN

21. El marco jurídico y los métodos de verificación y valoración aplicados a la evaluación de las reclamaciones de esta serie son los mismos que se utilizaron en anteriores series "E4". Ese marco y esos métodos se examinan en los párrafos 25 a 62 del primer informe "E4". En los informes "E4" posteriores se examinan otras cuestiones jurídicas y de verificación y valoración que se plantearon en relación con ulteriores series de reclamaciones "E4". En el presente informe no se repiten esos diversos elementos del examen efectuado por el Grupo, pero en cambio se hace referencia a las secciones de los informes "E4" precedentes en que se trataron esas cuestiones.

22. En los casos en que el Grupo encontró nuevas cuestiones que no se habían tratado en informes anteriores "E4", el Grupo elaboró métodos para verificar y valorar las pérdidas. Estas nuevas cuestiones se examinan en el texto del presente informe. Las recomendaciones concretas del Grupo sobre las pérdidas por las que se pide indemnización en esta serie y las razones de dichas recomendaciones se exponen en los anexos del presente informe.

23. Antes de examinar las recomendaciones concretas del Grupo respecto de las indemnizaciones correspondientes a las reclamaciones de la 24ª serie, es importante insistir en que la manera en que el Grupo enfoca la verificación y valoración de esas reclamaciones establece un equilibrio entre la incapacidad del reclamante para aportar en todos los casos las pruebas más idóneas y el "riesgo de exageración" asociado a la insuficiencia de las pruebas. En este contexto, la expresión "riesgo de exageración", según se define en el párrafo 34 del primer informe "E4", se utiliza para referirse a aquellos casos en que las reclamaciones no están suficientemente probadas, lo que impide su cuantificación exacta y supone, por lo tanto, el riesgo de que se hayan exagerado.

IV. RECLAMACIONES

24. El Grupo examinó las reclamaciones según la naturaleza y el tipo de pérdida identificados. En consecuencia, las recomendaciones del Grupo se exponen según los tipos de pérdida. Las pérdidas reclasificadas se han tratado en la sección relativa a los tipos de pérdidas en que el Grupo las reclasificó.

A. Pérdidas relacionadas con contratos

25. Seis reclamantes de esta serie presentaron reclamaciones por pérdidas relacionadas con contratos, por un valor total de 1.345.454 KD (unos 4.655.550 dólares). Las reclamaciones por pérdidas relativas a contratos incluidas en esta serie no se refieren a contratos con el Gobierno del Iraq ni a contratos que tuvieran que ejecutarse en el Iraq.

26. Las reclamaciones por pérdidas relacionadas con contratos incluidas en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. El criterio adoptado por el Grupo respecto de la resarcibilidad de las pérdidas relacionadas con contratos se expone en los anteriores informes "E4", y el método de verificación y valoración utilizado por el Grupo para este tipo de pérdidas se examina en los párrafos 77 a 84 del primer informe "E4".

27. Un reclamante, Al Amein Company Equipment Trading & Contracting W.L.L., presentó una reclamación por un total de 503.454 KD por trabajos no facturados que había realizado como subcontratista de acuerdo con un subcontrato de construcción concertado con un contratista general en 1986. Las obras llevadas a cabo por el reclamante de acuerdo con dicho subcontrato estaban sustancialmente terminadas antes de la invasión y ocupación de Kuwait por el Iraq. El contratista general expidió un certificado de terminación de obra relativo al subcontrato con fecha efectiva de 27 de junio de 1990. El reclamante afirmó que había realizado trabajos adicionales indicados en el certificado de terminación de obra antes de la invasión y ocupación de Kuwait por el Iraq. El reclamante también alegó que había realizado trabajos de acuerdo con determinadas órdenes de modificación de las obras impartidas con respecto al mismo subcontrato antes de la invasión y ocupación de Kuwait por el Iraq. Tanto los trabajos realizados de acuerdo con el certificado de terminación de obra como los realizados de acuerdo con las órdenes de modificación de obras no se habían facturado en la fecha de la invasión y ocupación de Kuwait por el Iraq. El reclamante afirmó que el contratista general había interrumpido sus actividades tras la liberación de Kuwait y que él no había recibido ningún pago por las sumas no facturadas.

28. Para justificar su reclamación, el reclamante presentó el subcontrato de construcción, el certificado de terminación de obra y un anexo en que se indicaban los trabajos adicionales que debían realizarse de conformidad con el subcontrato por un costo total de 80.000 KD. El reclamante también presentó cartas fechadas entre 1989 y 1990 dirigidas al contratista general en que indicaba su propia valoración de los trabajos realizados de acuerdo con determinadas órdenes de modificación de obras por un total de 405.086 KD. Algunos documentos relativos a las órdenes de modificación de obras indicaban que el contratista general ponía en cuestión algunas de las valoraciones de los trabajos realizados presentadas por el reclamante.

29. Al examinar las reclamaciones por trabajos no facturados, el Grupo considera que, aparte de la afirmación del reclamante de que el contratista general cesó sus actividades tras la liberación de Kuwait, el reclamante no da ninguna explicación ni presenta ninguna prueba de por qué el contratista general no pagó las obras o de cuándo se interrumpieron sus actividades. Tampoco dio el reclamante ninguna explicación ni presentó ninguna prueba de que su contrato se hubiese rescindido o incumplido como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. A este respecto, el Grupo considera posible que el contratista mantuviera

una obligación con el reclamante tras la liberación de Kuwait por los trabajos adicionales realizados en el proyecto. Además, el Grupo considera que el reclamante no presentó ninguna prueba que demostrara que había intentado mitigar sus pérdidas tras la liberación de Kuwait utilizando los recursos de que pudiera disponer contra el contratista o el propietario del proyecto por las sumas no facturadas, ni tampoco presentó ninguna prueba que demostrara que no había podido mitigar sus pérdidas como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. En vista de la insuficiencia de las pruebas, el Grupo considera que el reclamante no demostró que sus pérdidas fueran consecuencia directa de la invasión y ocupación de Kuwait por el Iraq y recomienda que no se pague ninguna indemnización por estas reclamaciones².

30. La Modern Aiconditioning & Refrigeration Co. W.L.L. presentó una reclamación por gastos no facturados o trabajos en curso relacionados con seis contratos que había concertado antes de la invasión y ocupación de Kuwait por el Iraq. Cuatro de los contratos eran con diversos ministerios del Gobierno de Kuwait y el resto con entidades privadas. El reclamante afirmó que cada uno de los contratos fue rescindido como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq y que por consiguiente no había podido recuperar los gastos no facturados derivados de los contratos tras la liberación de Kuwait.

31. El reclamante presentó copias de los contratos pertinentes y utilizó las cuentas de los trabajos en curso que figuraban en sus estados financieros correspondientes a los ejercicios económicos terminados el 31 de diciembre de 1989 y el 1º de agosto de 1990 como prueba de que había sufragado los gastos en cuestión. En el informe del auditor sobre los estados financieros correspondientes al ejercicio económico terminado el 1º de agosto de 1990 se expresaban reservas. En las cuentas de los trabajos en curso incluidas en los estados financieros no se desglosaban los gastos no facturados imputables a cada uno de los contratos. No había ninguna consignación extraordinaria por pérdidas en los estados financieros del reclamante posteriores a la liberación de Kuwait que pusiera de manifiesto la pérdida de los gastos no facturados.

32. Aunque el reclamante no presentó ninguna prueba de que los contratos se hubieran rescindido o incumplido como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq, el Grupo se basa en su decisión relativa al efecto de la Orden N° 148 del Consejo de Ministros del Gobierno de Kuwait que figura en el párrafo 29 del "Informe y recomendaciones del Grupo de Comisionados acerca de la 19ª serie de reclamaciones "E4"" (S/AC.26/2002/4) y considera que los contratos entre el reclamante y los diversos ministerios del Gobierno de Kuwait fueron terminados como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Sin embargo, el Grupo estima además que el reclamante estaba obligado a presentar pruebas de que sus contratos con las entidades privadas fueron rescindidos o incumplidos como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq y que, como no lo había hecho, recomienda que no se pague ninguna indemnización por las pérdidas relacionadas con esos contratos.

33. Con respecto a la reclamación por los gastos no facturados y efectuados de acuerdo con los contratos con los diversos ministerios del Gobierno de Kuwait, el Grupo estima que el criterio de valoración adoptado por el reclamante presenta un considerable riesgo de exageración de la reclamación, especialmente habida cuenta del hecho de que el reclamante ha renegociado dos de

los contratos tras la liberación de Kuwait y, por lo tanto, podría haber recuperado algunos de los gastos no facturados relacionados con esos contratos. Además, y en cualquier caso, el Grupo considera que el reclamante no presentó ninguna prueba de que hubiese sufrido las pérdidas alegadas. En vista de la insuficiencia de las pruebas, el Grupo recomienda que no se pague ninguna indemnización por la reclamación.

34. Las recomendaciones del Grupo sobre las pérdidas relacionadas con contratos se resumen en el anexo II.

B. Bienes inmuebles

35. Treinta y ocho reclamantes de esta serie presentaron reclamaciones por pérdida de bienes inmuebles por un total de 1.744.063 KD (unos 6.034.820 dólares). Esas reclamaciones se referían a daños causados a diversos locales en propiedad o arrendamiento en Kuwait.

36. Las normas de resarcibilidad y los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por pérdida de bienes inmuebles se exponen en los párrafos 89 a 101 del primer informe "E4".

37. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que el Grupo había recibido en anteriores series "E4", en que se examinaron pérdidas de bienes inmuebles. Esas pruebas se describen en los párrafos 102 a 106 del primer informe "E4".

38. Las recomendaciones del Grupo sobre pérdidas de bienes inmuebles se resumen en el anexo II.

C. Bienes materiales, existencias, dinero en efectivo y vehículos

39. La mayoría de los reclamantes de esta serie alegaron pérdidas de bienes materiales. Las pérdidas, correspondientes a existencias, mobiliario y accesorios, equipo, vehículos y dinero en efectivo, ascienden a un total de 32.920.332 KD (unos 113.911.183 dólares).

40. En lo que respecta a la resarcibilidad y la verificación y valoración de esas reclamaciones por pérdida de bienes materiales, el Grupo aplicó el criterio enunciado en los párrafos 108 a 135 del primer informe "E4".

41. Las reclamaciones por pérdida de bienes materiales incluidas en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que el Grupo había recibido en anteriores series "E4", en que se examinaron pérdidas de bienes materiales. Esas pruebas se describen en los párrafos 111 a 116 del primer informe "E4".

42. En cuanto a las reclamaciones por pérdida de existencias, la mayoría de los reclamantes aportaron pruebas de la existencia, la propiedad y el valor de las existencias perdidas mediante copias de cuentas comprobadas, facturas originales de adquisición y cálculos "arrastrados", según se definen en el párrafo 119 del primer informe "E4". Algunos reclamantes intentaron basarse principalmente en las deposiciones de empleados o de terceros relacionados con ellos

para establecer el hecho de la pérdida de existencias. En los casos en que el hecho de la pérdida no haya quedado suficientemente corroborado por pruebas, tales como estados financieros comprobados que demostraran pérdidas extraordinarias después de la liberación, el Grupo recomendó que no se pagara indemnización.

43. Un reclamante, Al-Yousifi General Trading & Contracting Co., presentó una reclamación por la pérdida de existencias en relación con una división de almacenamiento y una división de contratación. El reclamante llevaba y presentó estados financieros separados para cada división. Los estados financieros correspondientes a la división de contratación revelaban que no era en su totalidad propiedad del reclamante, sino que más bien se trataba de una empresa conjunta que en un 51% era propiedad del reclamante y en un 49% propiedad de un particular. El reclamante no aportó ningún documento que le autorizara a presentar una reclamación en nombre del otro socio.

44. Siguiendo instrucciones del Grupo, la Secretaría examinó la base de datos de las reclamaciones y confirmó al Grupo que ni el socio del reclamante ni la empresa conjunta como tal habían presentado ninguna reclamación a la Comisión con respecto a la división de contratación. De resultas de esas conclusiones, el Grupo recomienda que la indemnización por la pérdida de existencias de la división de contratación se ajuste según el porcentaje de la empresa conjunta que corresponde al reclamante.

45. Al igual que en series anteriores de reclamaciones "E4", las reclamaciones por pérdidas de mercancías en tránsito se refieren a mercancías presentes en Kuwait el día de la invasión por el Iraq y perdidas posteriormente. Los reclamantes cuyas reclamaciones fueron aceptadas pudieron presentar pruebas suficientes del pago de la mercancía y establecer la propiedad, existencia y pérdida de la mercancía mediante certificados emitidos por autoridades portuarias o consignatarios de buques kuwaitíes.

46. Las reclamaciones por pérdida de dinero en efectivo incluidas en esta serie no plantearon ninguna nueva cuestión jurídica o de verificación y valoración. Muchos reclamantes que pedían una indemnización por pérdida de dinero en efectivo intentaron basarse en deposiciones de terceros relacionados con ellos, sin dar más pruebas en apoyo de esas reclamaciones. Cuando las reclamaciones por pérdida de dinero en efectivo no estaban fundamentadas en pruebas contemporáneas que establecieran la posesión y el importe del dinero en efectivo en poder del reclamante el 2 de agosto de 1990, el Grupo recomendó que no se pagara ninguna indemnización.

47. La mayoría de los reclamantes que alegaban pérdida de vehículos pudieron demostrar sus pérdidas presentando copias de certificados de baja y documentos adicionales, como cuentas comprobadas posteriores a la liberación y deposiciones de testigos que corroboraban el hecho y las circunstancias de las pérdidas.

48. Las recomendaciones del Grupo sobre bienes materiales, existencias, dinero en efectivo y vehículos se resumen en el anexo II.

D. Pagos y socorro a terceros

49. Cuatro reclamantes de esta serie presentaron reclamaciones por pagos y socorro a terceros por un total de 494.138 KD (aproximadamente 1.709.820 dólares).

50. Las reclamaciones por pagos y socorro a terceros no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Al examinar estas reclamaciones, el Grupo aplicó los criterios y los métodos de verificación y valoración descritos en anteriores informes "E4", por ejemplo en los párrafos 70 a 75 del segundo informe "E4".

51. Las recomendaciones del Grupo sobre las reclamaciones por pagos y socorro a terceros se resumen en el anexo II.

E. Lucro cesante

52. El 79% de los reclamantes de esta serie presentaron reclamaciones por lucro cesante por un total de 14.684.349 KD (unos 50.810.896 dólares).

53. Las reclamaciones de esta serie plantearon cuatro importantes cuestiones de hecho y de derecho que ya planteaban las reclamaciones de la primera serie. Esas cuestiones se refieren al impacto y la evaluación de: a) los beneficios recibidos en virtud del programa del Gobierno de Kuwait de liquidación de deudas con posterioridad a la liberación, b) los beneficios inesperados o excepcionales obtenidos por los reclamantes durante el período inmediatamente posterior a la liberación de Kuwait, c) el período de indemnización para las reclamaciones por lucro cesante y d) las reclamaciones por lucro cesante basadas selectivamente en sectores de actividad rentables. Las conclusiones a que llegó el Grupo en relación con estas cuestiones figuran en los párrafos 161 a 193 del primer informe "E4". En su examen y recomendaciones el Grupo ha aplicado esas conclusiones a las reclamaciones por lucro cesante de la presente serie.

54. Aunque se les pidió específicamente, algunos reclamantes de la 24ª serie no presentaron cuentas anuales de los tres ejercicios financieros anteriores y posteriores a la invasión y ocupación de Kuwait por el Iraq. El Grupo observó que en algunos casos se explicó suficientemente el hecho de no haber presentado las cuentas, por ejemplo, cuando el reclamante había iniciado sus actividades comerciales en el período entre 1987 y 1990 o cuando el reclamante había cesado sus actividades tras la invasión y ocupación de Kuwait por el Iraq.

55. Se consideró que las reclamaciones por lucro cesante de las empresas que no aportaron un conjunto completo de cuentas comprobadas de los períodos pertinentes presentaban un "riesgo de exageración", a menos que se explicara suficientemente la razón de no haber presentado esas cuentas.

56. El método de verificación y valoración adoptado por el Grupo para las reclamaciones por lucro cesante se expone en los párrafos 194 a 202 del primer informe "E4".

57. Las recomendaciones del Grupo sobre las reclamaciones por lucro cesante se resumen en el anexo II.

F. Cuentas por cobrar

58. Veinte reclamantes de esta serie presentaron reclamaciones por un total de 3.514.725 KD (unos 12.161.678 dólares) por "deudas de dudoso cobro". Casi todas estas reclamaciones se refieren a cantidades adeudadas por empresas o particulares establecidos en Kuwait antes de la invasión por el Iraq.

59. Las reclamaciones por pérdidas relativas a cuentas por cobrar en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Al igual que en series anteriores de reclamaciones "E4", la mayoría de los reclamantes pidió una indemnización por deudas que no se habían podido cobrar porque los deudores no habían regresado a Kuwait tras la liberación. El Grupo reitera su resolución sobre esta cuestión, que figura en los párrafos 209 y 210 del primer informe "E4", a saber, que en las reclamaciones por deudas que hayan resultado incobrables como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq hay que demostrar, mediante pruebas documentales u otras pruebas idóneas, la naturaleza y la cuantía de la deuda de que se trate y las circunstancias que hicieron que la deuda resultara incobrable.

60. Las reclamaciones de la 24ª serie por deudas incobrables se verificaron y valoraron de la manera que se describe en los párrafos 211 a 215 del primer informe "E4".

61. Como se ha indicado más arriba, el Grupo ha desestimado las reclamaciones basadas en la simple afirmación de que las deudas no cobradas eran ipso facto incobrables porque los deudores no habían regresado a Kuwait. Casi ningún reclamante presentó pruebas que demostraran que la incapacidad de los deudores para pagar era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Esta situación se puso en conocimiento de los reclamantes, en el contexto de la información adicional que se les pedía (véase párrafo 17 supra). Aunque se recibieron de los reclamantes diversas respuestas, pocas cumplieron los criterios mencionados.

62. Las recomendaciones del Grupo sobre las reclamaciones por deudas incobrables se resumen en el anexo II.

G. Costos de reanudación de la actividad comercial

63. Trece reclamantes de esta serie presentaron reclamaciones por un total de 377.491 KD (aproximadamente 1.306.197 dólares) por costos de reanudación de la actividad comercial. Las sumas reclamadas como costos de reanudación de la actividad comercial se han examinado utilizando el método expuesto en los párrafos 221 a 223 del primer informe "E4" y en los párrafos 93 a 96 del segundo informe "E4".

64. Las recomendaciones del Grupo sobre los costos de reanudación de la actividad comercial se resumen en el anexo II.

H. Otras pérdidas

65. Veintiséis reclamantes de esta serie presentaron reclamaciones por otras pérdidas por un total de 3.548.641 KD (unos 12.279.035 dólares).

66. Muchas de esas reclamaciones fueron por otras pérdidas que ya había tratado el Grupo en informes anteriores (por ejemplo, reclamaciones por moneda kuwaití invalidada y gastos pagados por adelantado). Las reclamaciones por otras pérdidas ya tratadas en anteriores series de reclamaciones "E4" se examinaron de la manera expuesta en otros informes "E4" (véase, por ejemplo, el cuarto informe "E4", párrs. 93 y 94, sobre el trato dado a la moneda kuwaití invalidada, y el párrafo 103, sobre los gastos pagados por adelantado. Véase también el 20º informe "E4", párrs. 44 y 45, acerca del trato dado a las reclamaciones por bienes materiales de determinados clubes juveniles y deportivos kuwaitíes).

67. Un reclamante, Al-Jazirah for Entertainment Projects Company, presentó una reclamación por estudios de viabilidad, honorarios de consultores, gastos de planificación, supervisión y de otro tipo efectuados en conexión con un proyecto relacionado con el mundo del espectáculo que presuntamente se anuló a raíz de la invasión y ocupación de Kuwait por el Iraq. El reclamante no dio una explicación detallada del proyecto en su reclamación y la índole de éste no estaba del todo clara en los documentos presentados. En particular no quedaba claro si la reclamación se refería a sumas gastadas con arreglo a un contrato de construcción u otro tipo de contrato con un tercero o si se refería a sumas gastadas en relación con el proyecto de inversión de capital del reclamante. El reclamante afirmó además que el proyecto no se reanudó tras la liberación de Kuwait pero no dio ninguna explicación ni presentó pruebas de por qué no se había continuado el proyecto.

68. Para justificar su reclamación, el reclamante presentó estados financieros correspondientes al ejercicio económico terminado el 31 de diciembre de 1989 en cuyo balance figuraba una cuenta para "espectáculos urbanos", estados financieros correspondientes al ejercicio económico terminado el 1º de agosto de 1990 en cuyo balance figuraba también una cuenta para "espectáculos urbanos" que correspondía a la cantidad reclamada, y un balance del período económico terminado el 1º de mayo de 1991 en que figuraba una cuenta para "espectáculos urbanos" con un saldo cero. En este último balance figura una consignación extraordinaria por pérdidas cuyo total que se ajusta a la reclamación y en las notas a los estados financieros se dice que el reclamante perdió todo el dinero gastado en la organización de unos espectáculos urbanos ya que no se renovó el contrato del proyecto. Por último, el reclamante presentó documentos de pagos por la suma reclamada.

69. El Grupo considera que, si bien el reclamante demostró que había efectuado gastos en relación con un proyecto que se anuló a raíz de la invasión y ocupación de Kuwait por el Iraq, no probó que el proyecto se hubiera anulado como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq, y no de resultas de una decisión del reclamante de anular el proyecto por razones comerciales independientes, o porque por motivos no explicados un tercero hubiese incumplido una obligación contractual. Como el reclamante no demostró que su pérdida fuera consecuencia directa de la invasión y ocupación de Kuwait por el Iraq, el Grupo recomienda que no se pague ninguna indemnización por la reclamación.

70. Otro reclamante, Burisli and Siddiq, Saleh Rashed Burisli & Khaled Siddiq W.L.L., presentó una reclamación por un total de 2.652.627 KD correspondiente a intereses y gastos relacionados con un litigio que se retrasó como consecuencia de la invasión y ocupación de Kuwait por el Iraq. El reclamante afirmó que antes de la invasión y ocupación de Kuwait por el

Iraq había concertado dos contratos de obras con el Servicio Nacional de la Vivienda del Gobierno de Kuwait. Se planteó una controversia acerca de las sumas que se debían al reclamante de acuerdo con los contratos y el reclamante inició una acción judicial contra el Servicio Nacional de la Vivienda. Posteriormente las partes llegaron a un acuerdo extrajudicial que presuntamente no fue respetado por el Servicio Nacional de la Vivienda y el reclamante se vio obligado a reanudar el pleito. Un tribunal remitió el asunto a la División de Ingeniería del Departamento de Expertos del Ministerio de Justicia (el "Departamento de Expertos"). El Departamento de Expertos organizó una serie de audiencias sobre el asunto, pero las actuaciones judiciales se vieron interrumpidas como consecuencia de la invasión y ocupación de Kuwait por el Iraq.

71. El reclamante alegó que, de resultas de la demora en las actuaciones judiciales ante el Departamento de Expertos, tenía derecho a percibir unos intereses del 7% anual de la suma principal de 10.000.000 de KD, calculados sobre la base de un período de 41 meses desde el 10 de junio de 1990 (fecha en que se presentó la última documentación al Departamento de Expertos) hasta el 25 de noviembre de 1993 (fecha en que se reconstruyeron determinados documentos de ingeniería que se habían perdido como consecuencia de la invasión y ocupación de Kuwait por el Iraq). Dicha suma es la principal que el reclamante afirma que el Servicio Nacional de la Vivienda le hubiera pagado para resolver la controversia en la fecha de la invasión y ocupación de Kuwait por el Iraq.

72. Al examinar la reclamación de los intereses, el Grupo consideró que el reclamante no había dado ninguna explicación ni presentado ninguna prueba que demostrara por qué se podía haber llegado a un acuerdo extrajudicial. Al no haber ninguna explicación ni prueba al respecto, el Grupo considera que el reclamante no demostró que su reclamación era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq y recomienda que no se pague ninguna indemnización por la reclamación de los intereses.

73. El reclamante presentó otra reclamación por el costo de la reconstrucción de documentos relacionados con las actuaciones judiciales que estaban archivados en el Departamento de Expertos pero se perdieron o fueron destruidos durante la invasión y ocupación de Kuwait por el Iraq. En particular, reclamó los honorarios abonados a una empresa consultora de ingenieros para reconstruir los documentos perdidos, así como los honorarios abonados por el asesoramiento en la reconstrucción de dichos documentos.

74. Para justificar su reclamación de los honorarios de los ingenieros, el reclamante presentó una nota del Departamento de Expertos en que se indicaba que faltaban varios documentos del expediente y se le pedía que presentara documentos sustitutivos. El reclamante también presentó una carta de su abogado de fecha 2 de junio de 1992 en que le comunicaba una próxima audiencia y le pedía que presentara al Departamento de Expertos los documentos que faltaban, así como una carta del Departamento de fecha 28 de junio de 1992 en que les comunicaba que, como no se habían presentado los documentos que faltaban, el asunto se volvía a remitir al tribunal. El reclamante presentó asimismo una copia de un acuerdo de fecha 6 de febrero de 1993 para contratar los servicios de una empresa de ingeniería que le ayudara a presentar las reclamaciones al Departamento de Expertos, así como copias de recibos de un bufete de

abogados por un total de 5.000 KD correspondientes a honorarios abonados entre el 5 de junio de 1992 y el 3 de abril de 1994.

75. Al examinar la reclamación por los honorarios de los ingenieros, el Grupo considera que los documentos presentados por el reclamante no demuestran que el reclamante sufriera la pérdida alegada, ni tampoco justifican las sumas reclamadas. Si bien el reclamante presentó pruebas que demostraban que faltaban algunos documentos del expediente del Departamento de Expertos, no demostró que hubiera contratado a la empresa de ingeniería tras la liberación de Kuwait con la finalidad de reconstruir la documentación que faltaba y no de recibir asistencia en el litigio en curso. El Grupo considera además que aunque en el acuerdo para contratar a la empresa figuraba una fórmula para el pago de los honorarios, el reclamante no presentó ninguna prueba que indicara la suma total de los honorarios pagaderos ni, lo que era más importante, presentó ninguna prueba de haber pagado efectivamente a la empresa de ingenieros la suma reclamada. En vista de esta insuficiencia de las pruebas, el Grupo considera que el reclamante no demostró que hubiese sufrido una pérdida como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq y recomienda que no se pague ninguna indemnización por la reclamación de los honorarios de los ingenieros.

76. Al examinar la reclamación por los honorarios legales, el Grupo considera que, si bien el reclamante presentó documentación relativa a los pagos, no presentó pruebas que indicaran que esos honorarios correspondían a la reconstrucción de los documentos y no al litigio en curso tras la liberación de Kuwait. En vista del período de tiempo durante el cual se abonaron los honorarios legales, y del hecho de que el reclamante no presentó ningún desglose de los asuntos a los que correspondían dichos honorarios, el Grupo recomienda que no se pague ninguna indemnización por la reclamación de honorarios legales.

77. Las recomendaciones del Grupo sobre otras pérdidas se resumen en el anexo II.

V. OTRAS CUESTIONES

A. Fechas aplicables al tipo de cambio de monedas y a los intereses

78. Para la determinación de las fechas aplicables al tipo de cambio y a los intereses, el Grupo ha adoptado el mismo criterio que se expone en los párrafos 226 a 233 del primer informe "E4".

B. Costos de preparación de las reclamaciones

79. El Secretario Ejecutivo de la Comisión ha informado al Grupo de que el Consejo de Administración se propone resolver en su día la cuestión de los costos de preparación de las reclamaciones. En consecuencia, el Grupo no ha formulado recomendación alguna sobre la indemnización de los costos de preparación de las reclamaciones.

VI. INDEMNIZACIONES RECOMENDADAS

80. Sobre la base de lo que antecede, las indemnizaciones recomendadas por el Grupo para los reclamantes de la 24ª serie de reclamaciones de la categoría "E4" figuran en el anexo I del presente informe. Los principios en que se basan las recomendaciones del Grupo respecto de esta serie se resumen en el anexo II del presente informe. Al haberse redondeado al KD más próximo todas las cantidades, éstas pueden variar en 1 KD respecto de las cantidades enunciadas en el formulario E.

Ginebra, 28 de junio de 2002

Notas

¹ En el transcurso del examen de las reclamaciones de la 24ª serie, el Grupo observó ciertas discrepancias entre las sumas solicitadas por los reclamantes y las sumas indicadas como totales en la providencia de trámite N° 1. La suma total reclamada en la 24ª serie se ha corregido en vista de esas discrepancias.

² Esta manera de considerar los gastos no facturados es compatible con el criterio adoptado por el Grupo de Comisionados con respecto a las reclamaciones "E3" en los párrafos 427 a 432 del "Informe y recomendaciones del Grupo de Comisionados acerca de la 18ª serie de reclamaciones "E3"" (S/AC.26/2001/3).
