ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE

World Forum for Harmonization of Vehicle Regulations (WP.29)

(One-hundred-and-twenty-ninth session,
11-14 March 2003, agenda item 4.2.6.)

**DRAFT CORRIGENDUM 1 TO SUPPLEMENT 2 TO THE 02 SERIES
OF AMENDMENTS TO REGULATION No. 48
(Installation of lighting and light-signalling devices)**

Transmitted by the Working Party on Lighting and Light-Signalling (GRE)

Note: The text reproduced below was adopted by GRE at its forty-ninth session, and transmitted for consideration to WP.29 and to AC.1 at their sessions of November 2002. It had been based on document TRANS/WP.29/GRE/2002/50, not amended (TRANS/WP.29/GRE/49, paras. 24 and 25). WP.29 decided at that session to revise the proposal, into a corrigendum (TRANS/WP.29/885, paras. 22 and 86).

Insert a new paragraph 12.13., to read:

"12.13. Until the United Nations Secretary-General is notified otherwise, Japan declares that, in relation to the installation of lighting and light-signalling devices, Japan will only be bound by the obligations of the Agreement to which this Regulation is annexed with respect to vehicles of categories M1 and N1."

This document is a working document circulated for discussion and comments. The use of this document for other purposes is the entire responsibility of the user.
