Revised draft resolution

The Security Council,

Having considered the report of the Secretary-General at its 1779th meeting about the recent developments in Cyprus,

Having heard the statements made by the President of the Republic of Cyprus and the statements by the representatives of Cyprus, Turkey, Greece and other Member countries,

Deeply deploring the outbreak of violence and continuing bloodshed,

Gravely concerned about the situation which may lead to a serious threat to international peace and security,

Equally concerned about the necessity to restore the constitutional structure of the Republic of Cyprus, established and guaranteed by international agreements,

Recalling Security Council resolution 186 (1964) of 4 March 1964 and subsequent resolutions of the Security Council on this matter,

Conscious of its primary responsibility for the maintenance of international peace and security in accordance with Article 24 of the Charter of the United Nations,

1. Calls upon all States to respect the sovereignty, independence and territorial integrity of Cyprus;

2. Demands an immediate end to foreign military intervention in the Republic of Cyprus that is in contravention of operative paragraph 1 and requests the withdrawal without delay from the Republic of the foreign military personnel in excess of those envisaged in international agreements, as requested by the President of the Republic of Cyprus, Archbishop Makarios, in his letter of 2 July 1974;

3. Requests all States to exercise the utmost restraint and to refrain from any action which might further aggravate the situation;

4. Requests the Secretary-General to keep the Security Council further informed about the developments.
