Draft resolution

The Security Council,

Reaffirming the provisions of its resolution 353 (1974) of 20 July 1974,

Demands that all parties to the present fighting comply immediately with paragraph 2 of Security Council resolution 353 (1974) calling for an immediate cessation of all firing in the area and requesting all States to exercise the utmost restraint and to refrain from any action which might further aggravate the situation.
