LETTER DATED 3 AUGUST 1974 FROM THE PERMANENT REPRESENTATIVE OF
GREECE TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

Further to my previous letters concerning the Turkish violations of the
cease-fire, I have the honour to bring to your knowledge the following:

Turkish units have taken away from their families all the able-bodied men of
the village "Bella-pais" and driven them towards an unknown destination. The same
happened to a part of the able-bodied men in the village of Thermia, province of
Kyrenia.

Representatives of the International Red Cross were not allowed by the Turkish
forces to enter the villages Trimithi and Karmi.

Turkish soldiers have taken away 7 tons of food stuff, sent by the
International Red Cross Committee for the Greeks of Trimithi and Karmi.

I would be grateful, Your Excellency, if you could kindly have this letter
circulated as a document of the Security Council.
