REPLIES RECEIVED FROM GOVERNMENTS

AUSTRIA

[Original: English]  
7 March 1968

The recent trial of thirty-seven South West Africans by the judicial authorities of South Africa was a matter of concern to the Austrian Government. In accordance with the spirit of General Assembly resolution 2324 (XXII) the Chargé d'Affairs of Austria in Pretoria has been instructed by the Austrian Government to attend the aforementioned trial as an observer.

CAMBODIA

[Original: French]  
7 March 1968

As part of its anti-colonialist policy, the Royal Government of Cambodia is continuing to apply vigorously the following measures against the policies of apartheid of South Africa:

1. Closing the ports of the Kingdom of Cambodia to all vessels flying the South African flag;
2. Boycotting all South African goods and refraining from exporting goods, including all arms and ammunition, to South Africa;
3. Refusing landing facilities to all aircraft belonging to the Government of South Africa and to companies registered under the laws of South Africa;
4. Continued co-operation with the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in the spirit of resolution 1899 (XVIII) with a view to dissuading the Government of South Africa from implementing the recommendations of the Odendaal Commission for the partition of South West Africa, which would impair the African population's legitimate right to independence;
5. Refraining from the sale and shipment to South Africa of arms and ammunition of all types, military vehicles and equipment and materials intended for the manufacture and maintenance of arms and ammunition in South Africa.

/...

The Royal Government has also signed the International Convention on the Elimination of All Forms of Racial Discrimination.

It should be added that Cambodia has no economic or other interest in South Africa or in South West Africa.
