Guinea, Somalia and Sudan: revised draft resolution

The Security Council,

Having considered the recent developments concerning the question of Southern Rhodesia,

Recalling its resolutions 216 (1965) of 12 November 1965, 217 (1965) of 20 November 1965, 221 (1966) of 9 April 1966, 232 (1966) of 16 December 1966, 253 (1968) of 29 May 1968, 277 (1970) of 18 March 1970 and 288 (1970) of 17 November 1970,

Gravely concerned that certain States have not complied with the provisions of resolution 253 (1968), contrary to their obligations under Article 25 of the Charter of the United Nations,

Taking into account the fourth report of the Committee established in pursuance of Security Council resolution 253 (1968) (S/10229) and its interim report of 3 December 1971 (S/10408),

Acting in accordance with previous decisions of the Security Council on Southern Rhodesia, taken under Chapter VII of the Charter,

1. Decides that the present sanctions against Southern Rhodesia shall remain fully in force until the aims and objectives set out in resolution 253 (1968) are fully achieved;

2. Urges all States to implement fully all Security Council resolutions establishing sanctions against Southern Rhodesia, in accordance with their obligations under Article 25 and Article 2 (6) of the Charter, and deplores the attitude of those States which have persisted in giving moral, political and economic assistance to the illegal régime;

3. Declares that any legislation passed, or act taken, by any State with a view to permitting, directly or indirectly, the importation from Southern Rhodesia of any commodity falling within the scope of the obligations imposed by resolution 253 (1968), including chrome ore, would undermine sanctions and would be contrary to the obligations of States;

4. Calls upon all States to refrain from taking any measures that would in any way permit or facilitate the importation from Southern Rhodesia of commodities falling within the scope of the obligations imposed by resolution 253 (1968), including chrome ore;

5. Draws the attention of all States to the need for increasing vigilance in implementing the provisions of resolution 253 (1968) and, accordingly, calls upon them to take more effective measures to ensure full implementation of the sanctions;

6. Requests the Committee established in pursuance of Security Council resolution 253 (1968) to meet as a matter of urgency to consider ways and means by which the implementation of sanctions may be ensured and to submit to the Security Council not later than 1 April 1972 a report containing recommendations in this respect, including any suggestions which the Committee might wish to make concerning its terms of reference and any other measures designed to ensure the effectiveness of its work;

7. Requests the Secretary-General to provide all appropriate assistance to the Committee in the discharge of its task.
