PROGRAMME BUDGET FOR THE BIENNIUM 1988-1989

THE SITUATION IN AFGHANISTAN AND ITS IMPLICATIONS FOR INTERNATIONAL PEACE AND SECURITY

Revised estimates relating to the United Nations
Good Offices Mission in Afghanistan and Pakistan

Report of the Secretary-General

Addendum

1. It has now been determined that the cost estimates relating to the functions and responsibilities of the Representative of the Secretary-General on the Settlement of the Situation Relating to Afghanistan should, as from 1 November 1988, be included in the revised estimates relating to the United Nations Good Offices Mission in Afghanistan and Pakistan (UNGOMAP).

2. The following estimates are based on the terms and conditions of the Representative's appointment and on the assumption that during the period envisaged the Secretary-General would request his Representative's presence at United Nations Headquarters for an average period of four days out of each month. In addition, it is anticipated that the Secretary-General would request the Representative to undertake two missions of similar duration to destinations away from United Nations Headquarters and possibly also a visit to the area.

3. On that basis, it is estimated that additional costs in the amount of \$62,700 would be incurred as follows:

	\$
Honoraria	18 200
Travel	44 500

Total	62 700

4. An additional appropriation of \$62,700 is therefore requested under section 2A of the programme budget for the biennium 1988-1989 in addition to the amount requested earlier in the revised estimates contained in document A/C.5/43/22.
