Second Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction

The General Assembly,

Recalling its resolution 2826 (XXVI) of 16 December 1971, in which it commended the Convention of the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction and expressed the hope for the widest possible adherence to the Convention,

Recalling its resolution 39/65 D of 12 December 1984, in which it noted that, at the request of a majority of States parties to the Convention, a second Review Conference of the Parties to the Convention would be held in 1986,

Recalling that the States parties to the Convention met at Geneva from 8 to 26 September 1986 to review the operation of the Convention with a view to assuring that the purposes of the preamble to and the provisions of the Convention,

including the provisions concerning negotiations on chemical weapons, were being realized,

Recalling also its resolution 41/58 A of 3 December 1986, in which it, inter alia, noted with appreciation that on 26 September 1986, the Second Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction adopted by consensus a Final Declaration, 1/

Pursuing its resolution 42/37 B and noting with satisfaction that, at the time of the Second Review Conference of the Parties to the Convention, there were more than a hundred States parties to the Convention, including all the permanent members of the Security Council,

1. Notes with appreciation that, in accordance with the Final Declaration of the Second Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, an Ad Hoc Meeting of Scientific and Technical Experts from States parties to the Convention was held at Geneva from 31 March to 15 April 1987, which adopted by consensus a report 2/ finalizing the modalities for the exchange of information and data agreed to in the Final Declaration, thus enabling States parties to follow a standardized procedure;

2. Notes that the Ad Hoc Meeting of Scientific and Technical Experts from States parties to the Convention agreed in its report that the first exchange of information and data should take place not later than 15 October 1987 and that thereafter information to be given on an annual basis should be provided through the Department for Disarmament Affairs of the Secretariat not later than 15 April;

3. Notes with satisfaction that the second such exchange of information and data has commenced and calls upon States that have not yet exchanged information and data to do so;

4. Requests the Secretary-General to render the necessary assistance and to provide such services as may be required for the implementation of the relevant parts of the Final Declaration;

5. Calls upon all States that have not ratified or acceded to the Convention to do so without delay, thus contributing to the achievement of universal adherence to the Convention and to international confidence.
