INFORMATION CIRCULAR No. 56

Subject: Closure of the Allée des Maronniers

1. Staff are hereby reminded that work is in progress in the Allée du Parc and the Allée des Maronniers in the vicinity of car park No. 9 (see Information Circular IC/Geneva/2003/48 of 29 September 2003).
2. Both the above-mentioned roads will be closed from Tuesday, 28 October 2003, until Wednesday, 12 November 2003, inclusive, disrupting traffic between the Railway Gate and car park No. 9.
3. It will remain possible to get to the New Building via the Railway Gate. However, staff wishing to go to the Old Building should either enter the grounds by the Pregny Gate or follow the Allée de l'Ariana around the New Building to the Allée du Musée.
4. Access to the Railway Gate via the Allée de la Paix will not be affected.
5. Because numerous lorries will be using the area, delays are possible near the Railway Gate. All staff are therefore asked to be particularly careful when in this zone. You are reminded that all vehicles that are improperly parked, especially if on the above-mentioned roads, will be removed at the owner's expense.
