The General Assembly,

Recalling the initiatives of the Secretary-General to improve food security, including the appointment of the Special Envoy for the Humanitarian Crisis in the Horn of Africa,

Gravely concerned at the magnitude of the recurrent drought, which affects millions owing to the serious crop failures in drought-prone parts of the country that have weak infrastructures and low development capacities,

Bearing in mind the joint 2004 appeal of the United Nations and the Government of Ethiopia for emergency assistance for Ethiopia, to respond to the food and non-food requirements of households in need so as to prevent the worsening of the current humanitarian crisis,

Noting with serious concern the significant and persistent humanitarian needs in such areas as health, water and acute malnutrition that still exist in parts of the country,
