(Financial anchor) _____ ()

See David Hackett Fischer, 'The Great Wave', (Oxford: 1996), pp. 192-193. Paul Kennedy, 'The Rise and Fall of the Great Powers', (London: 1989), pp. 357-373, and D. H. Aldcroft, 'From Versailles to Wall Street', (New York: 1977), chs. 1 & 2.

According to present estimates, Iraq's reserves stands at between 112 to 220 billions barrels, placing the country right after Saudi Arabia, and its present production of near 3 millions barrels per day (bpd) could be "easily" increased to 6 millions bpd within three to four years. Mr. Elias Sarkis, the Editor of the "Arab Oil and Gas Magazine," 2 Oct., 2003.
