LETTER DATED 30 JUNE 1969 FROM THE PERMANENT REPRESENTATIVE OF JORDAN
ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

Further to my letter of 26 June 1969, (S/9284), and upon instructions from my Government, I have the honour to bring to Your Excellency's attention the attached photographs showing a process of Israeli bulldozing of Arab houses and Muslim shrines in Jerusalem adjacent to the Western Wall of the Aqsa Mosque.

May I request that this letter together with the photographs be urgently circulated as an official document of the Security Council.

Please accept, etc.
