Note by the Secretariat

In accordance with his mandate as set out in resolution 2002/31, the Special Rapporteur on the right of everyone to the enjoyment of the highest attainable standard of mental and physical health, Paul Hunt, undertook a mission to Mozambique from 15 to 19 December 2003. The report could not be prepared and shared with the Government prior to the deadline for the submission of reports to the Commission on Human Rights. The Special Rapporteur therefore will report orally on his mission to the Commission during its sixtieth session. A written report of his mission will be presented to the sixty-first session of the Commission.
